## PROPERTY DESCRIPTION

This project, which consists of residences and shops, brings quality together with comfort on the Asian side of Istanbul.

In the 34-storey blocks, prestige reaches its peak with apartments in the comfort of the residence.

*Luxury Investing*

There are 343 residences in the project. To anyone who wishes to invest, you can choose your residence and start to enjoy the privileges of a European brand.

The project is located on the most vibrant and valuable location of Umraniye area in Asian Istanbul.

It is very easy to reach anywhere you want with the metro stop that is located within walking distance from your home. Also, public transportation passes through Alemdag Street where the project is located.

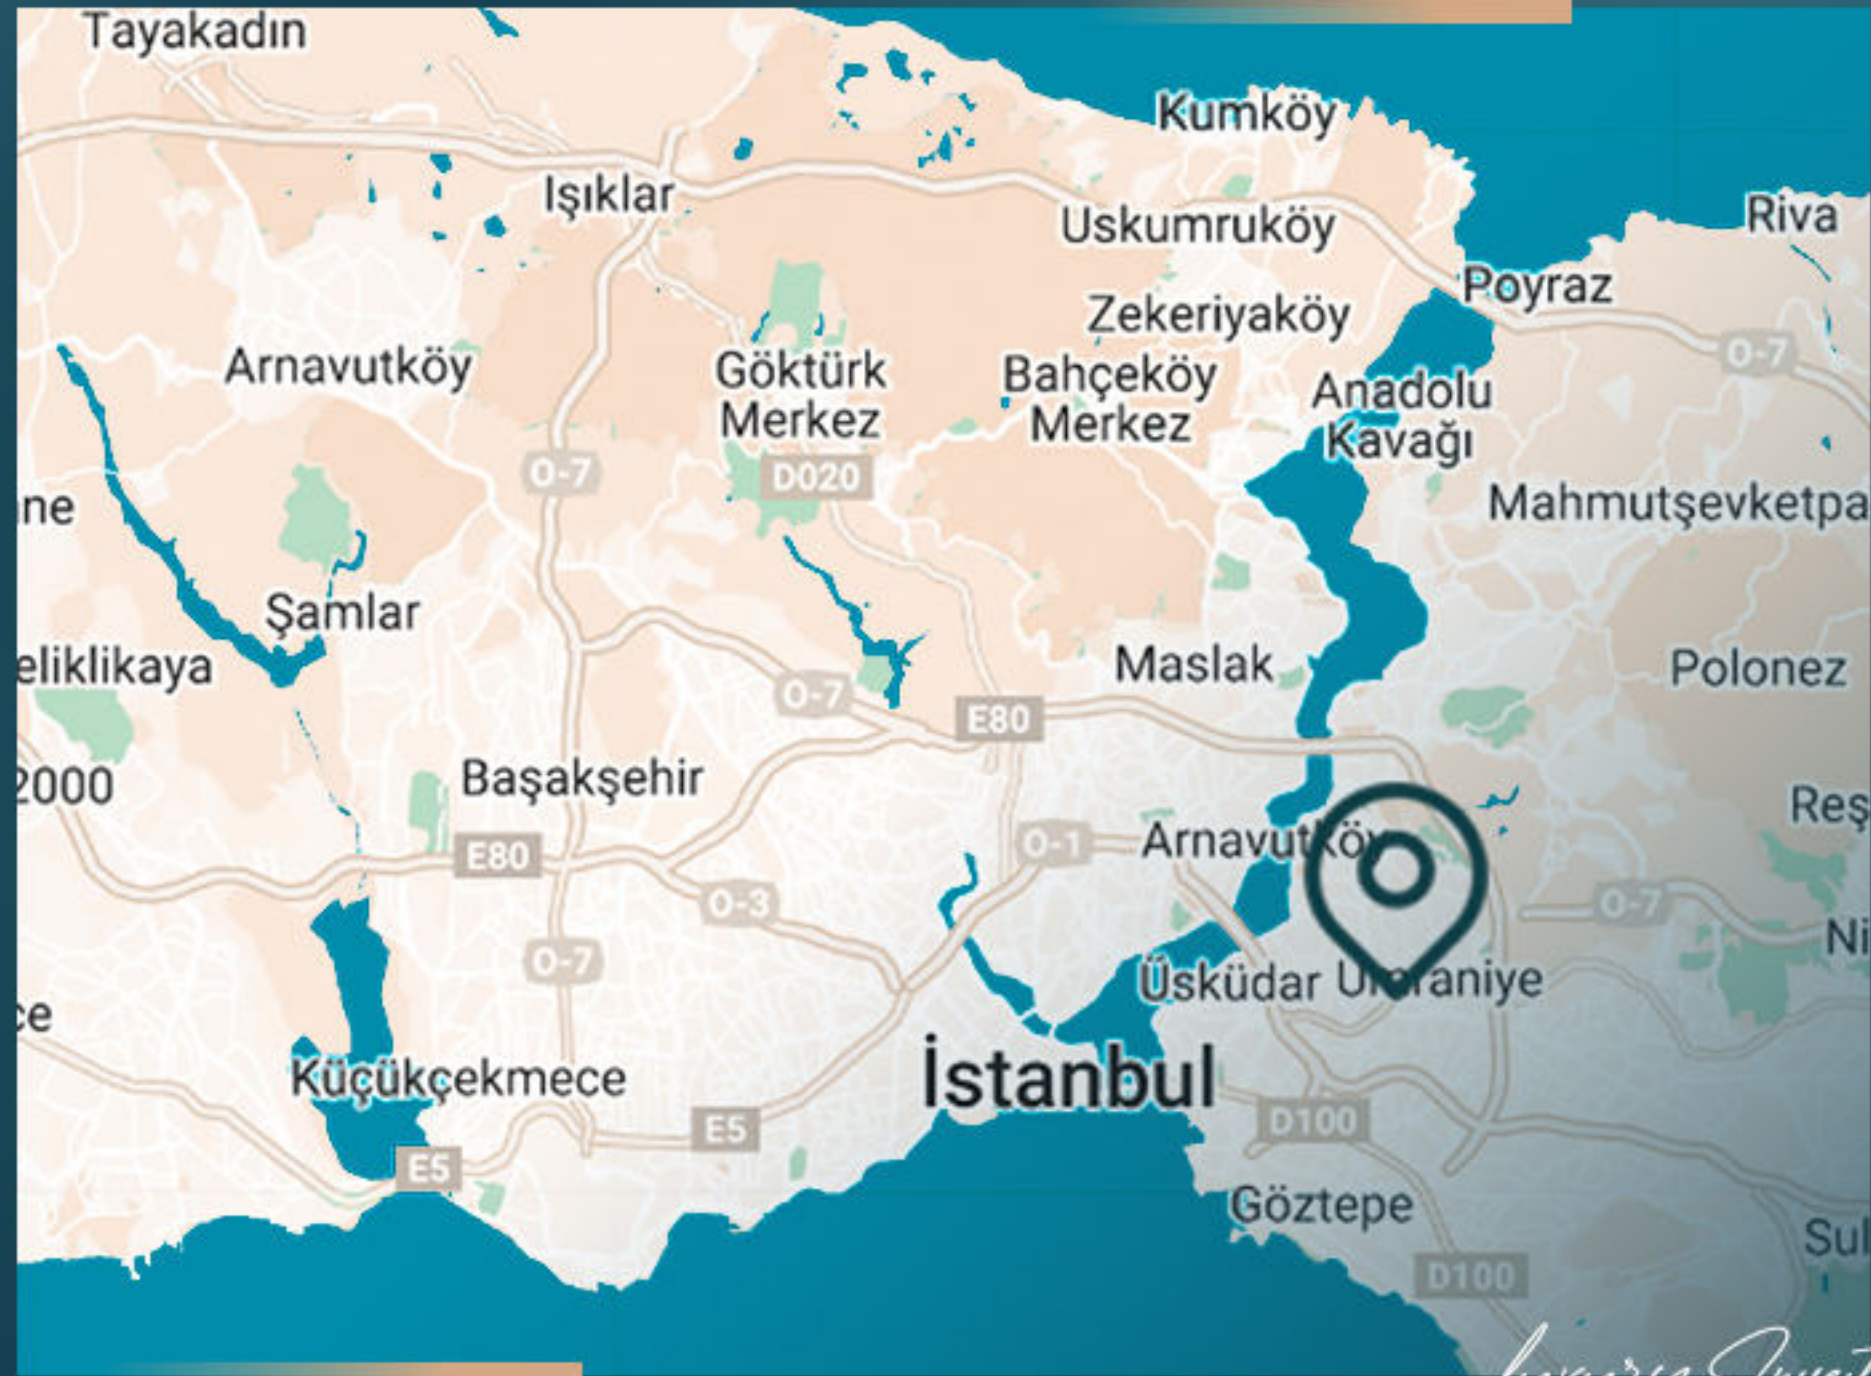

*Luxury Investing*

The project has a special location that incorporates the energy of the city into your life.

Your day, which starts with the comfort of the residence, turns into shopping and entertainment activity with street shops and shopping malls that you can reach by walking.
