Developed over a total construction area of 35,000 square meters, the project consists of 5 residential blocks, offering 165 residential units and 12 commercial units. A wide range of apartment options is available to meet modern lifestyle needs, including:

1+1, 2+1, 2.5+1, 3+1, and 4+1 apartments

Duplex residences with varying layouts and sizes

Fully integrated social and recreational facilities designed for contemporary family living

Beykoz continues to attract growing demand in the real-estate market due to its unique blend of natural beauty, low-density development, and proximity to Istanbul's main hubs. Property values in the area show steady growth, making Lokasyon Beykoz a future-oriented investment with long-term potential.
