PROPERTY DESCRIPTION

The project has an exclusive location in the heart of Bodrum, the meeting point of world luxury.

Bodrum has become a destination brand that surpasses the standards of Ibiza, Monte Carlo, and St. Tropez today.

The project is situated in Turkbuku Bay, the most exclusive location in Bodrum.

Turkbuku is a small bay about an hour's drive away from Bodrum's city center, which is favored by elite travelers both from Istanbul and abroad. Here you'll find some of Bodrum's best hotels, such as Macakizi, which is certainly one of Turkbuku's most luxurious hotels, restaurants, and beach clubs that cater to a sophisticated crowd with high budget tastes.

Luxury Investing

In this life, there is only one of you, and your place of residence should be just like that: unique and reflecting who you are. That's the story of these villas. Real luxury is uniqueness. It's the absence of having another one like what you possess.

The world's most luxurious hotels, beaches, restaurants and entertainment venues are just a few minutes away from you.

The project has a land area of 547 sqm, and a landscaping and pool area of 363 sqm.
