# PROPERTY DESCRIPTION

*Luxury Investing*

This project will beautify the lives of your loved ones with its life and special advantages and will offer the most ideal living space in Basaksehir area of Istanbul that has completed its development.

You will not be able to get enough of watching the endless beauties of the forest on your spacious living areas and wide balcony where you can see the lush landscape from every point.

*Luxury Investing*

The project includes children's playgrounds, where your children will play safely and build their future on happy memories.

The project blends its low-rise horizontal architecture with its wide landscape, which uses approximately 70% of the project area as green space.

Boutique living privileges will offer you unique beauties at every moment and will make you remember at every opportunity that you have made the right choice for the future.

*Luxury Investing*

It is a family project that offers the best life for your loved ones with 2+1, 3+1 and 4+1 flats with large square meters.

Your future is shaped by privileges with children's playgrounds, fitness, indoor pool, walking areas and social activity opportunities.

The project opens the doors of a quality life with its social facilities. In this new life that brings sports to the center of your life, you will lead a healthy life with your loved ones.

You can enjoy doing sports in the fitness room, or you will gain vitality by jogging and walking outdoors in the presence of fresh air.
