## PROPERTY DESCRIPTION

The project was built on a land area of approximately 19 thousand square meters, with 3+1, 4+1, 5+1 terraced houses with private gardens.

The project is located in Cekmekoy district, on the Asian side of Istanbul. Part of its attraction is the unique texture of its nature, and there are 17 endemic plant species which are unique to its geography. These plants make the nature of Cekmekoy special.

This project breaks the mold of the ordinary with its spacious courtyard and unique social facilities. With playgrounds, outdoor sports facilities, cycling trails, and outdoor pools, children's laughter in the heart of greenery becomes a magnificent reality.

With restaurants, cafes and a sports center, your social life will be full of color along the main street where you can meet your daily needs.

Your new house where every detail has been engineered with the finest precision, from the fireplace to the built-in kitchen, everything offers a new generation life-style, designed down to the smallest details.
