PROPERTY DESCRIPTION

Imagine living in a villa where you can see every shade of green when you open your window, take a break from the chaos of life in an atmosphere intertwined with nature, let your soul breathe, and sip your coffee against an uninterrupted forest view.

This project offers a special lifestyle where each villa has a separate pool.

Luxury Investing

With its view overlooking a lush forest, each villa's own glamorous garden and peaceful atmosphere. It not only offers a perfect life, it also brings together the comfort of detached villas and the safe life of a complex life.

The project offers an extraordinary life in luxury with its green jogging and walking areas, social facilities where you can socialize with your neighbors and host pleasant times.

Every detail has been carefully considered so that you can live your life not only in peace and pleasure, but also in health.

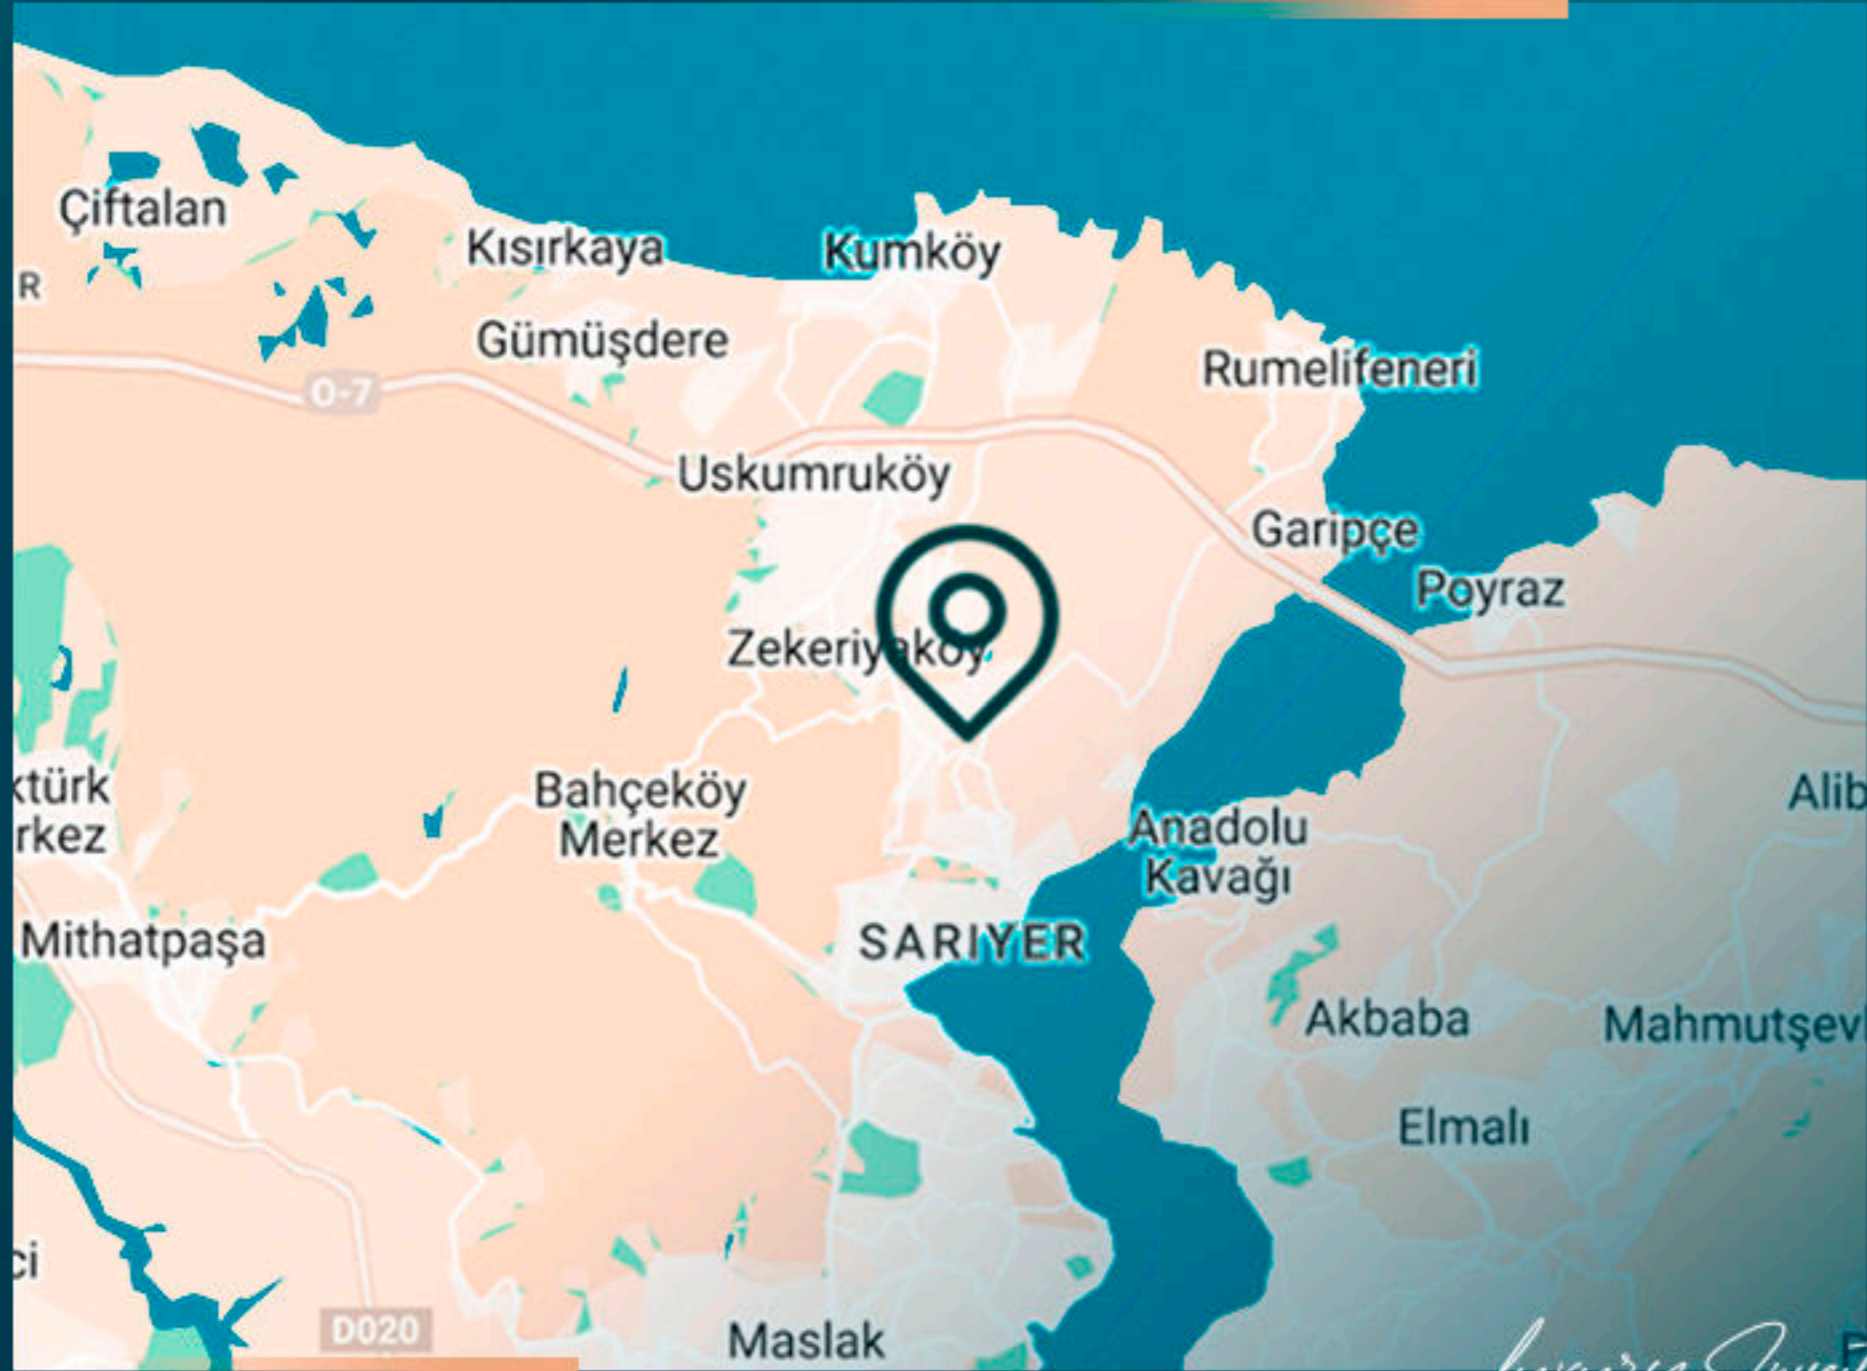

Luxury Investing

It is a villa project, which offers a perfect private life, where you will enjoy the unique comfort of the villa and a luxury lifestyle.

The project is located in Zekeriyakoy, the district of Istanbul that combines blue and green, that has been known as a residential area since the 18th century.

With the modern real estate projects realized in the early 2000s, Zekeriyakoy started to attract the attention of those who prefer a quiet, calm life in touch with nature, away from the crowd of the city and the hustle and bustle of life.
