PROPERTY DESCRIPTION

Seaside Villas in Sile – Luxurious Living in
Harmony with Nature

This exclusive residential project is located on the stunning Black Sea coast in the picturesque district of Sile, Istanbul. It offers an upscale lifestyle where the comfort of city living meets the tranquility of nature. The collection of luxury villas has been meticulously designed to exceed the expectations of even the most discerning buyers. Villa sizes range from 135 to 275 square meters, with select models extending from 350 to 385 square meters.

Exceptional Design & Premium Construction

These villas are built to the highest standards, featuring luxurious finishes and environmentally friendly materials. The architectural design harmonizes with the surrounding natural landscape while preserving a sleek, modern aesthetic. A custom interior design service is also available, allowing homeowners to tailor their spaces to reflect their personal style and lifestyle needs.

Spacious Layouts & Stunning Views

Each residence includes expansive terraces that offer panoramic views of the Black Sea and the surrounding natural scenery. The homes are thoughtfully designed to foster a strong connection with nature while providing all the comforts of modern living.

Private Gardens & Outdoor Comfort

Every villa boasts a carefully landscaped private outdoor space, including a large garden and a dedicated parking area. This thoughtful layout blends beauty and functionality, creating a serene outdoor environment that ensures both privacy and comfort.

PROPERTY LOCATION

Prime Location

The project enjoys a prime location in Şile, one of Istanbul's most beautiful coastal areas. A nearby major highway interchange ensures easy access, placing the development just 45 minutes from the heart of Istanbul. Residents can enjoy a peaceful seaside lifestyle while remaining close to the city's cultural, commercial, and entertainment centers.
