PROPERTY DESCRIPTION

This special project is located in Taksim, in the heart of this city. From Galata, which was enriched with the commercial activities, to Beyoğlu and Pera, where embassies are located, it is a lively destination that meets a wide range of needs.

Taksim area, which is home to Istanbul's oldest educational institutions, museums, and exhibitions, is also rich in cultural values.

The project consists of 9 blocks and 918 units.

This residential living experience full of stylish design elements and luxurious details will exceed all your expectations.

New boutiques and coffee shops are part of the view you see when you look down from the windows of your living room.

The project is surrounded by culture, history, art, and life to enable you to have a different experience with a very rich culture of life in this oldest and most renowned center of Istanbul.

Luxury Investing

From restaurants and cafés offering the leading delicacies of world cuisine to museums and art galleries within walking distance, the project is full of details that enrich life.

Our success in enabling you to find what you need in this project immediately defines the standards of comfort that we offer you.

You can find the luxury and material quality of a five-star luxury hotel in the doors and corridors of residences, which are designed with a holistic approach and design language.
