PROPERTY DESCRIPTION

It is a modern project that has been built compatible with urban aesthetics in the most popular districts and most beautiful locations of Istanbul.

The project is located in the center of Uskudar district, on the Asian side of Istanbul.

The project took its place in Cengelkoy, the cornerstone of the Bosphorus with its magnificent mansions.

Get ready for a boutique project where you will live with your family and loved ones in trust and peace. Right in front of you the deep blue sea will add value and pleasure to your life.

Feel comfortable having made a wise investment while living a privileged luxury life.

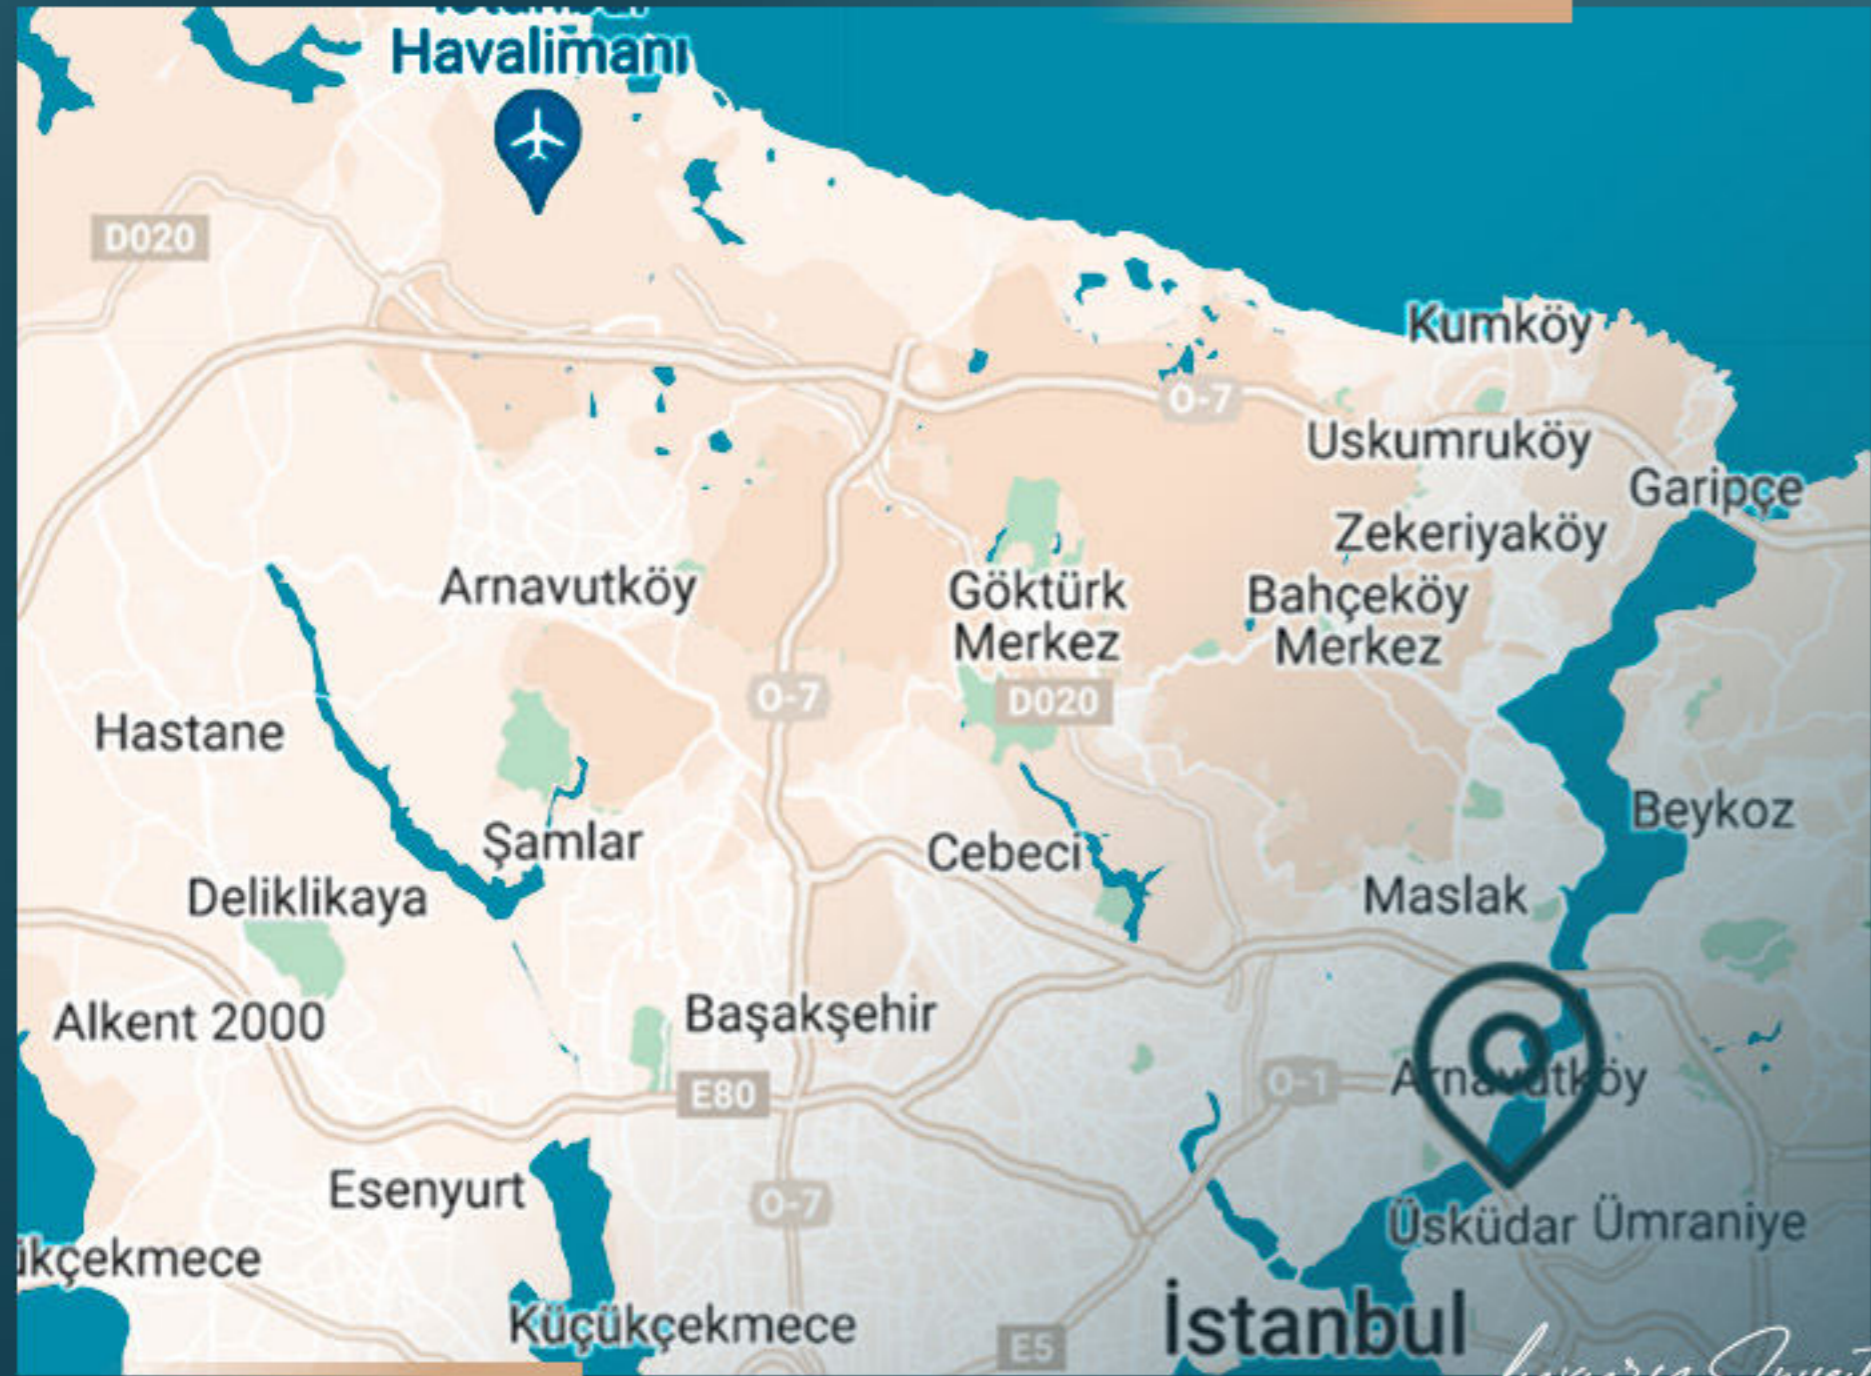

Besides making a good investment, a unique project is waiting for you, where you will also own a house.

The project offers a private storage space for each apartment.

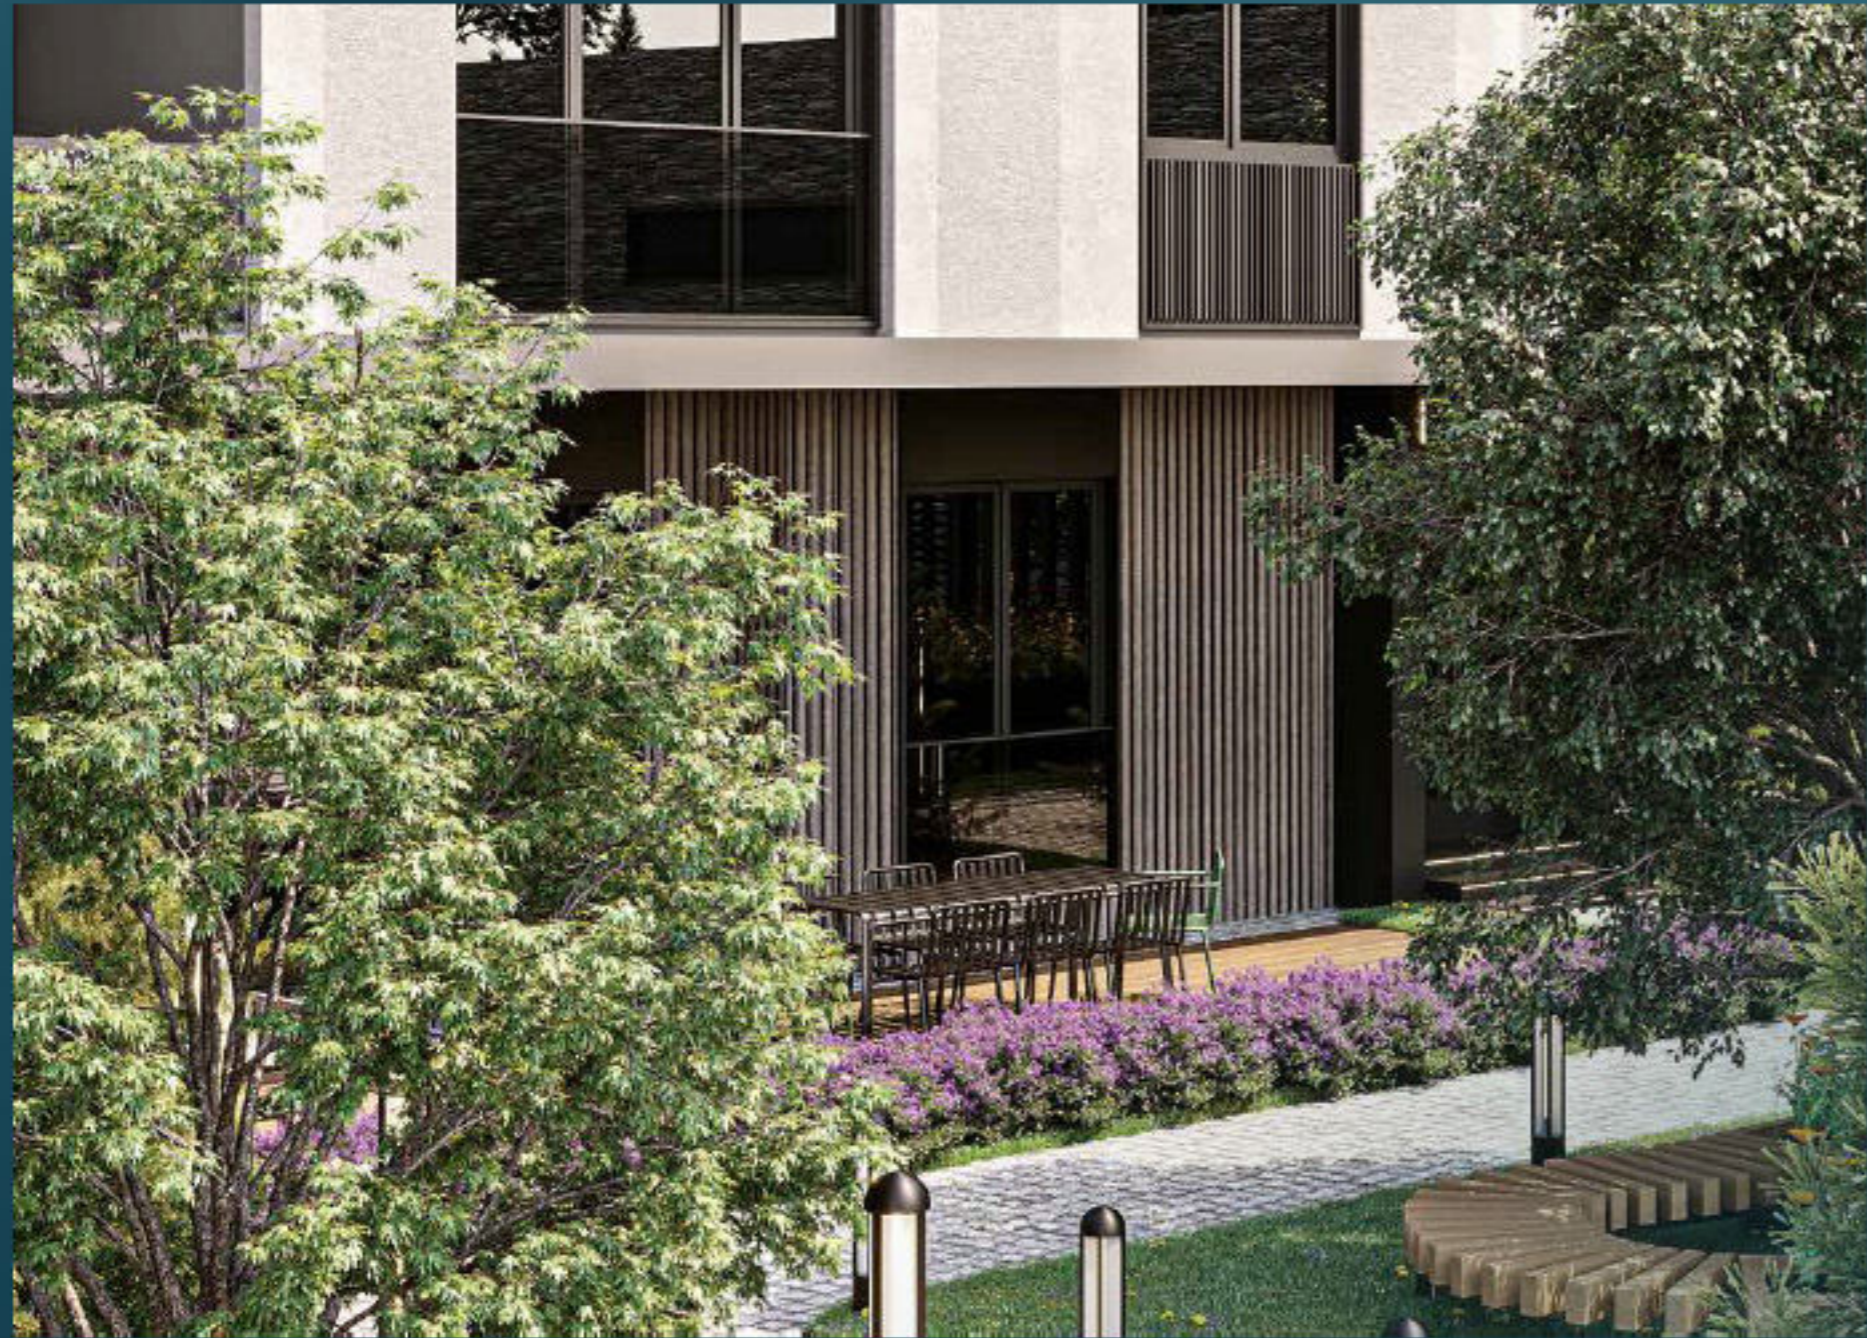

This project has a land area of 32.000 sqm, and it consists of 7 blocks that include 129 pieces of spacious boutique apartments of different sizes.

The project is perfect for families, for the social facilities it has, such as outdoor sitting areas integrated with the landscape, lush gardens, sports field, fitness center, indoor swimming pool, sauna, in addition to security and camera recording system.
