PROPERTY DESCRIPTION

The project consists of three towers with one for offices and two for residences and garden offices.

The project is preparing to bring a new aspect to the area by changing the appearance of Mecidiyekoy with its different office alternatives, rich residence life and modern city square.

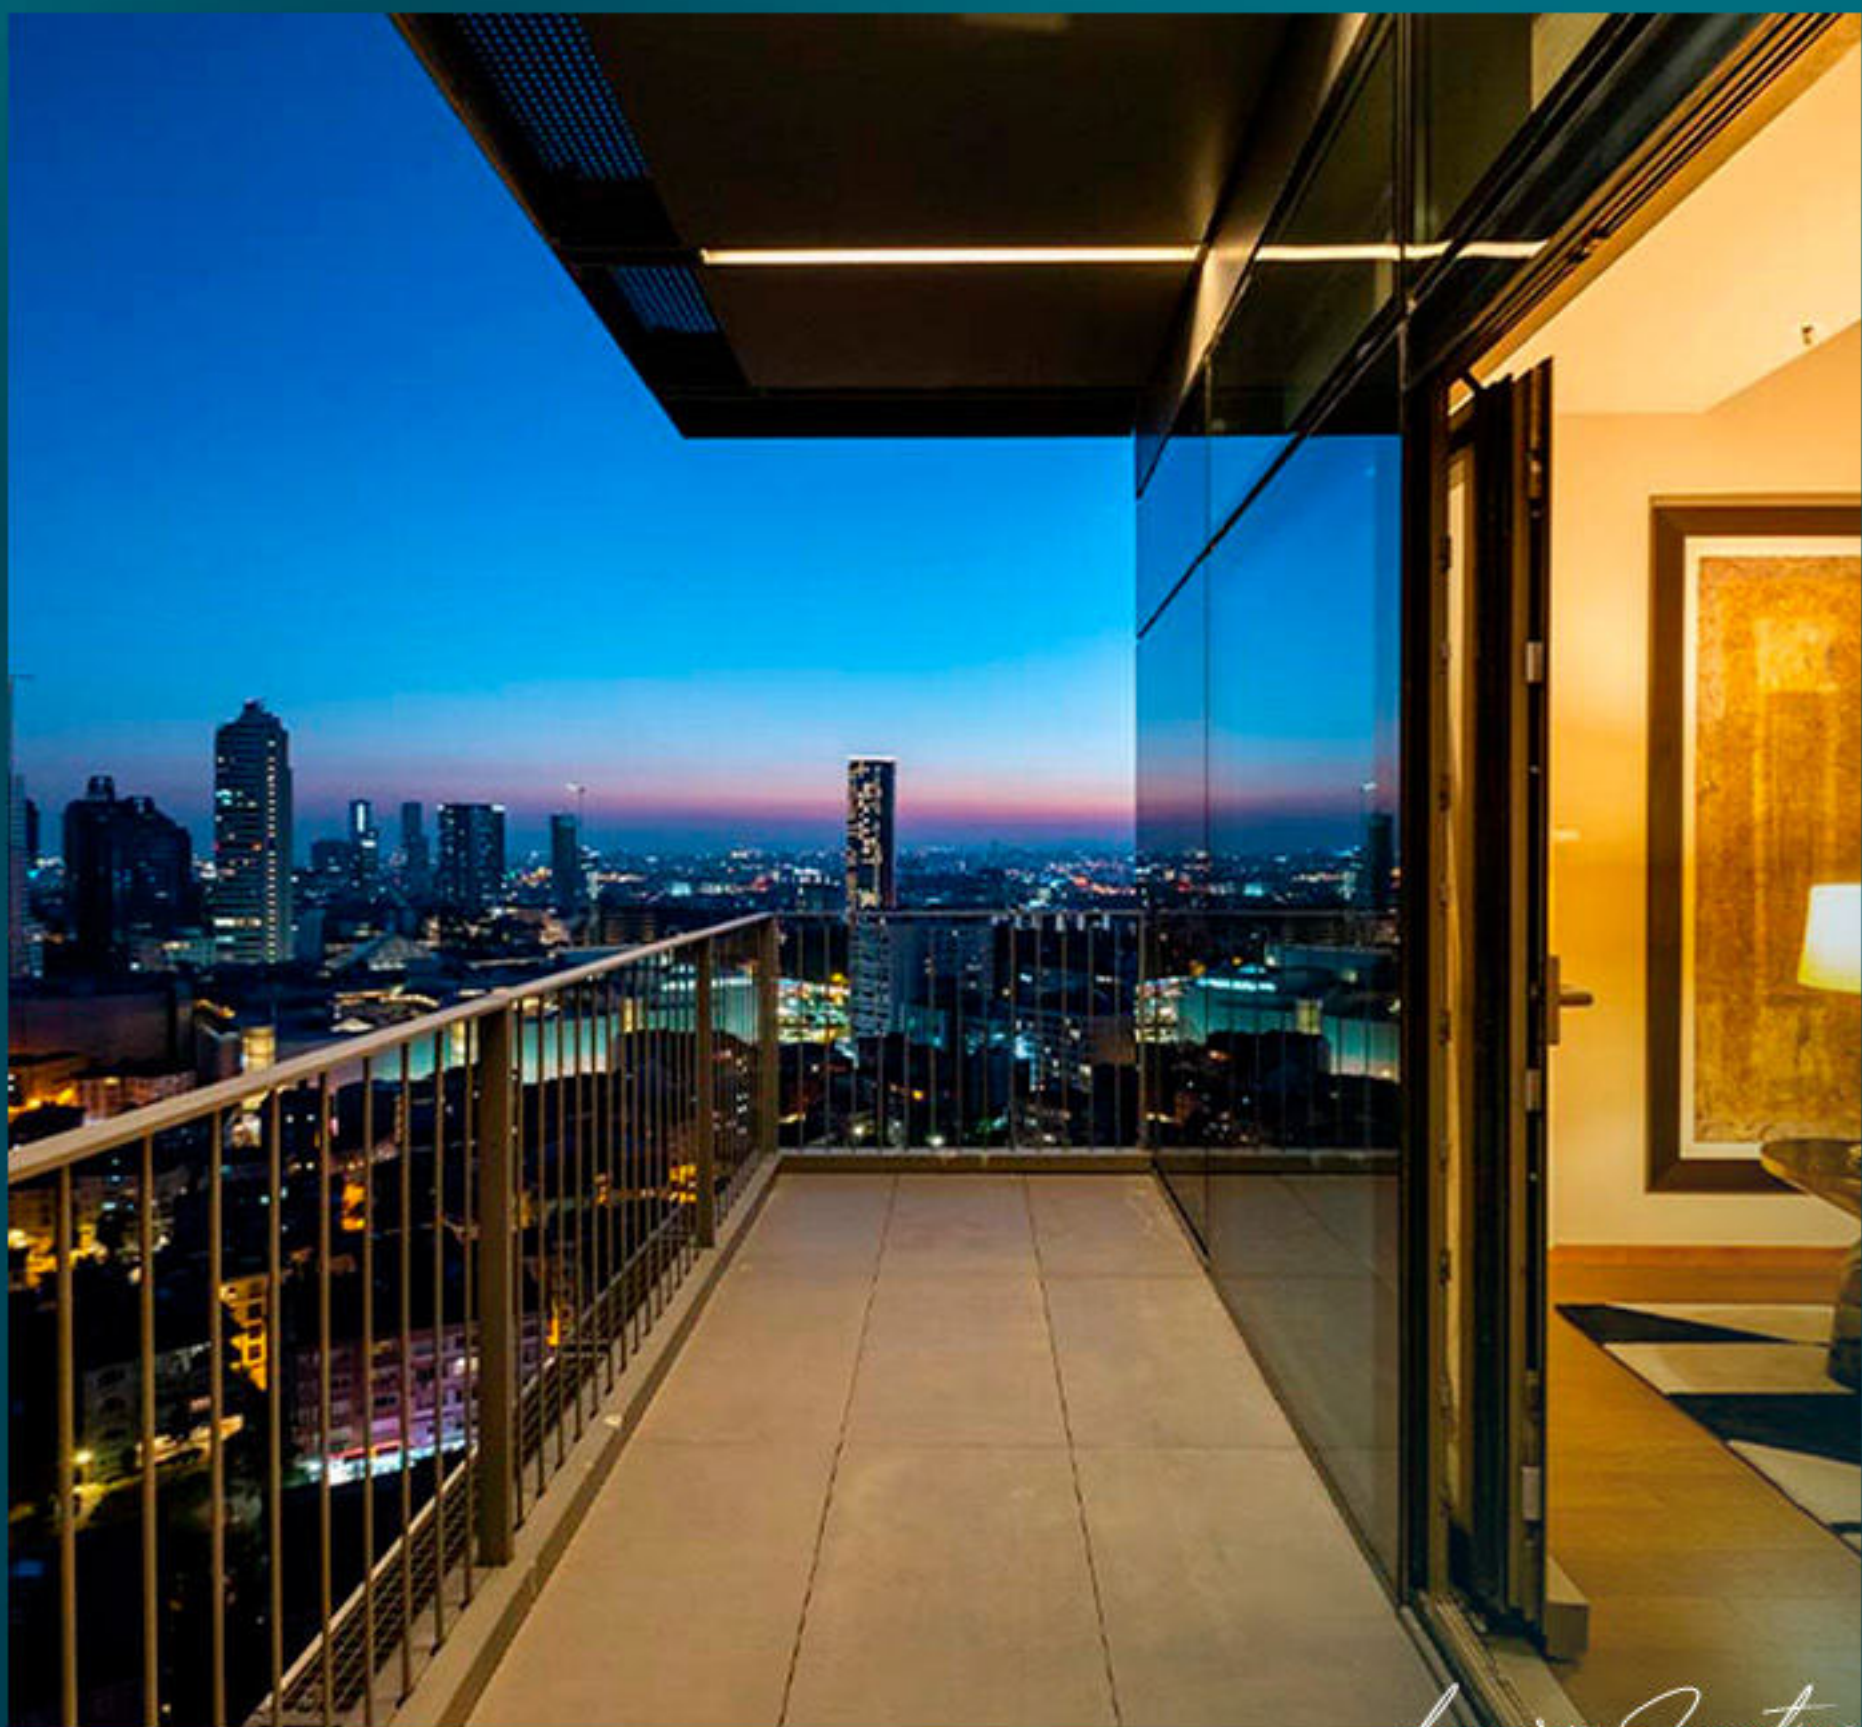

Luxury Investing

The towers display the distinctive panoramic scenes of the city reaching out for the Marmara Sea and particularly the Bosphorus with all its facades thanks to this design.

This project is located just beside Bosphorus Bridge in Mecidiyekoy district, the new axis of the business world.

It is collated with life, prestige and luxury in the real center of Istanbul city, where millions meet every day.

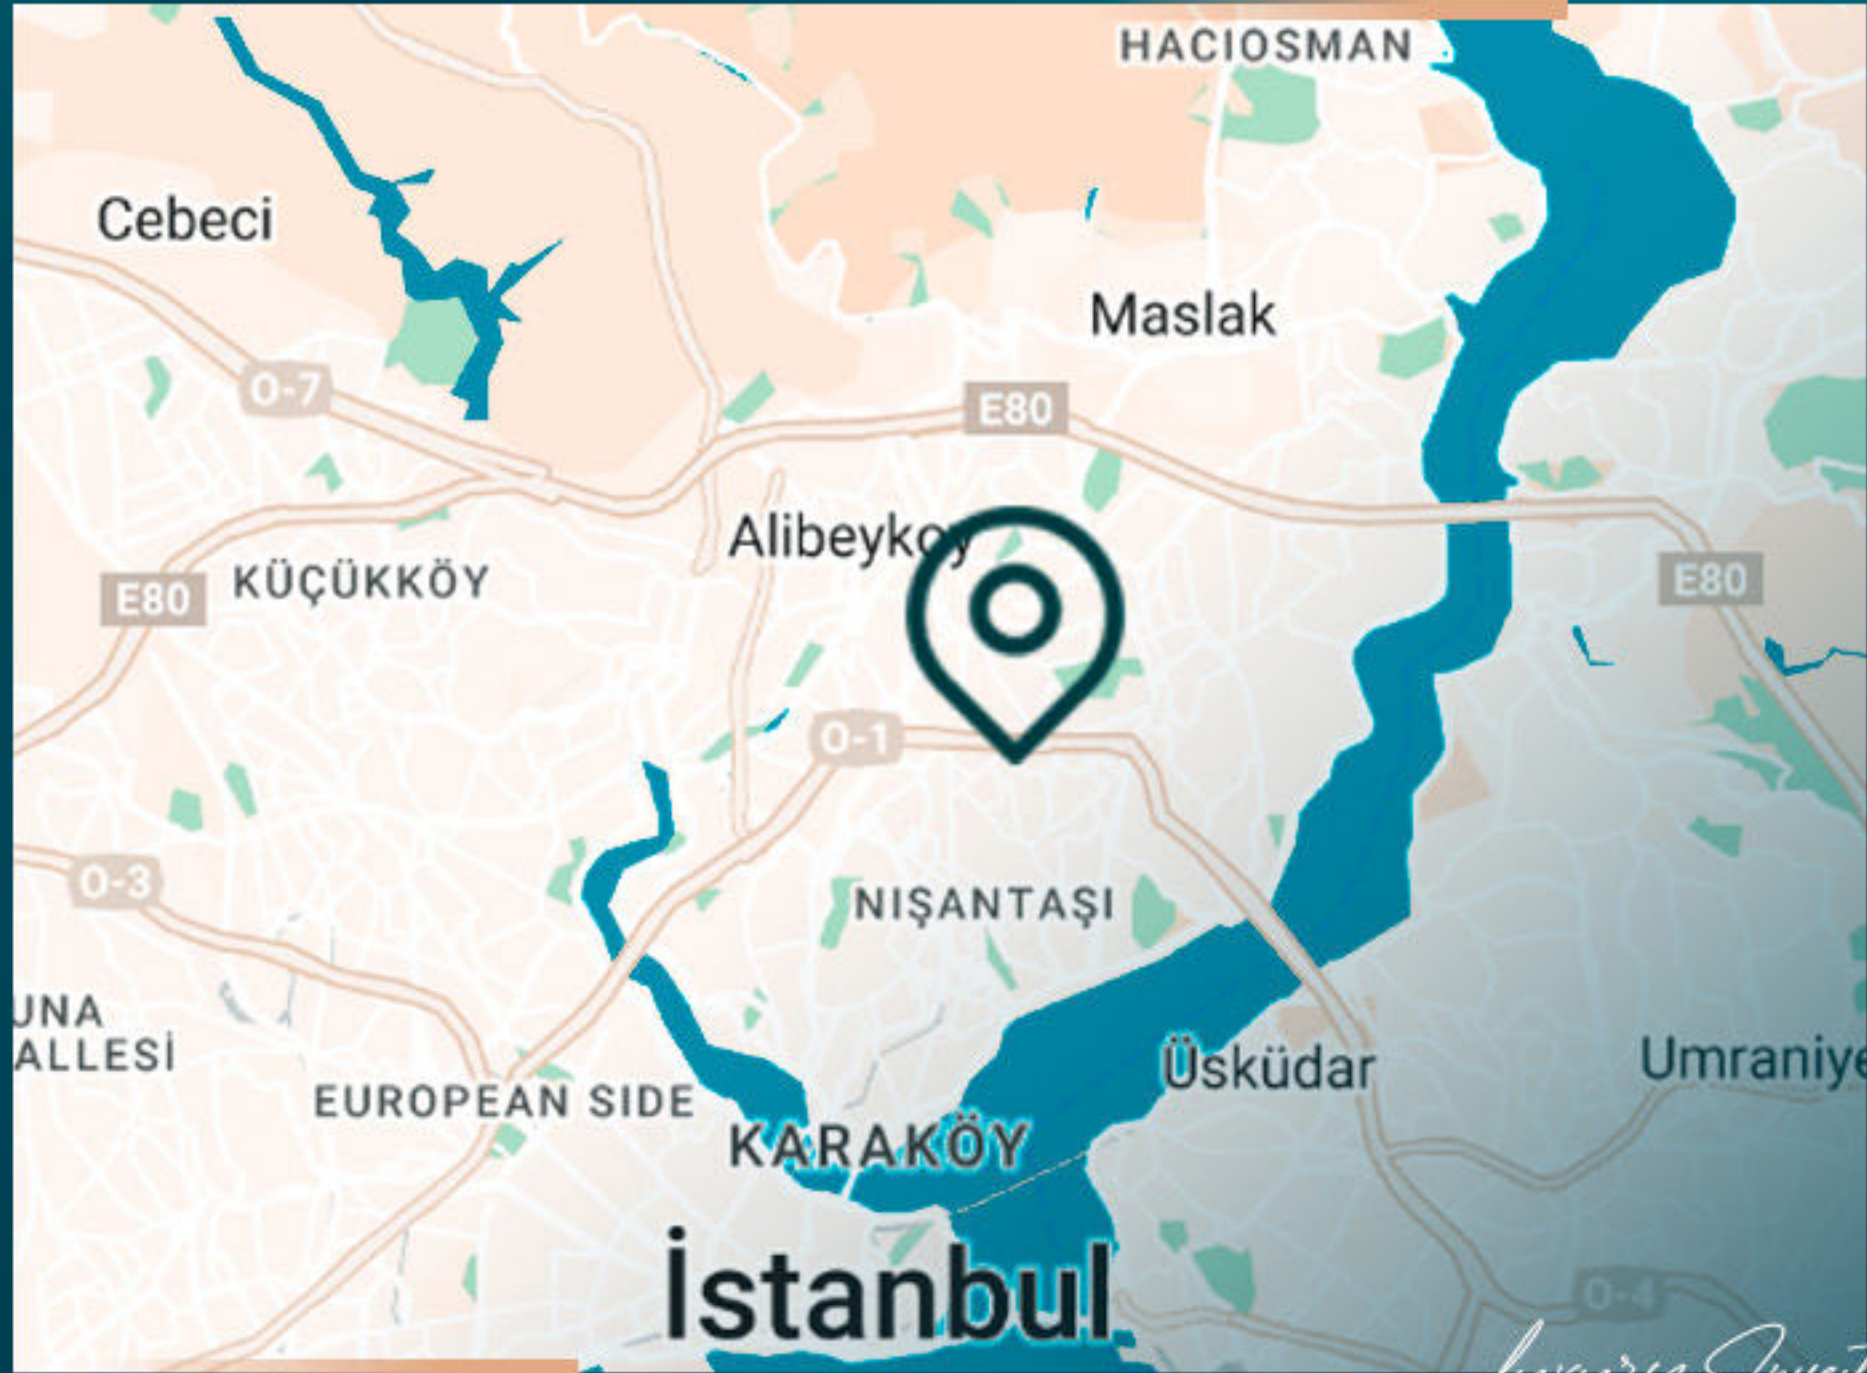

Luxury Investing

The project offers easy accessibility with its location that is within the walking distances to Metro and Metrobus.

Imagine yourself in the place where Istanbul's vivacity is sensed in its most intensive form.

A unique architecture which has turned to light and at the heart of a life with all the details planned.

Now all you need is just more time, because in this project, you will enjoy life much more.
