PROPERTY DESCRIPTION

The project is located in Buyukcekmece district on the European side of Istanbul, the area of Istanbul that is gaining value day by day.

This is a project that keeps life right next to you with its location, that is located close to the main roads of the city which will eliminate the transportation problem.

The project's location offers you the freedom of being next to nature and the sea and giving you the pleasure of reaching the city in one step.

Luxury Investing

The project is located on an area of 8.200 sqm, and has a construction area of 22.500 sqm, and a green area of 5.300 sqm, and has 102 residences of 4 different options, in addition to 9 commercial units.

The project offers apartments of the types 2+1, 3+1, 4+2 and 5+2.

It is a comprehensive project with whole living spaces and social facilities such as swimming pool, green areas, gym, sport courts, playground in addition to security services.

This project is aimed to make your life easier with every detail.

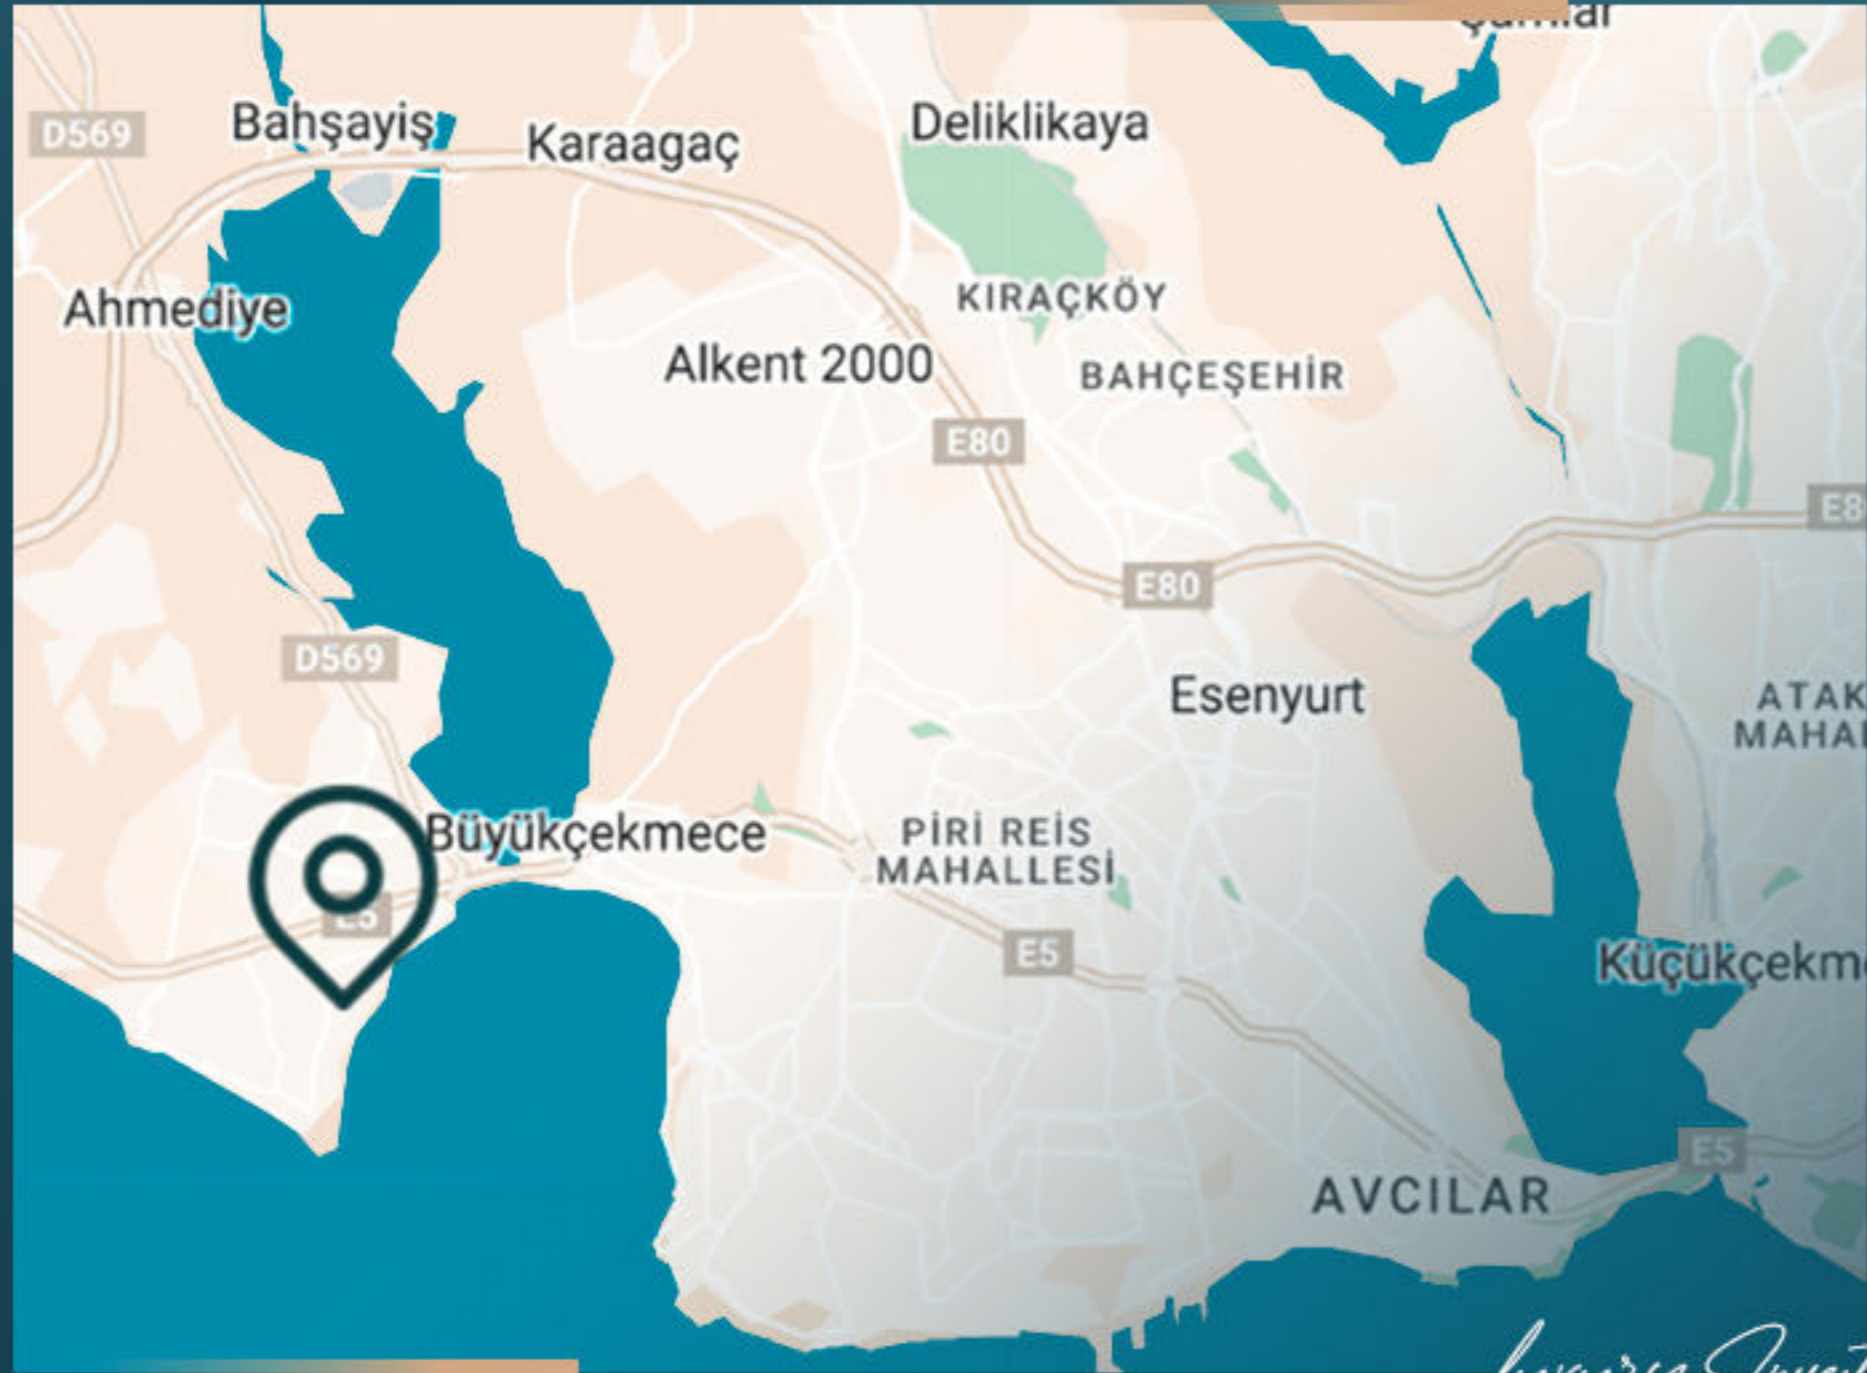

Modern and functional living spaces add maximum comfort to every square meters of your home.

Owning your apartment in this project is the key to a comfortable life with its special location, social facilities that promise what you dream of, and superior quality.

In this project, quality brands were worked on for interior and exterior decoration. All the items that suit your lifestyle are brought to your home.

In addition to high life comfort, this project will also be a solid assurance and a valuable inheritance for your future with its high investment value.
