PROPERTY DESCRIPTION

A panoramic Bosphorus view in the heart of Istanbul, where this project introduces a new concept of modern living that blends rich history with contemporary design. Inspired by the spirit of a city that bridges past and present, the project offers a fully integrated residential and investment experience in one of Istanbul's most vibrant locations.

Luxury Investing

Located in a central area near the Bosphorus Bridge in Mecidiyeköy, the project places you at the very heart of Istanbul's dynamic lifestyle. This exceptional location connects business, shopping, and culture, with direct access to major transportation networks, making it an ideal choice for living, working, and investment.

The project consists of four blocks with modern architectural design, including two residential towers rising up to 42 floors with 494 apartments, an office tower with 110 offices, and a garden office block with 220 offices. It is designed to bring together living, working, and business in one integrated environment.

Luxury Investing

Unit sizes range from 97 to 574 sqm, with layouts from 1+1 up to 1+5, catering to different lifestyles. The project is ready to move in with a ready title deed, and offers a flexible payment plan with %50 down payment and installments up to 18 months.

The project delivers an exceptional lifestyle with panoramic Bosphorus-view terraces, private cinema, a food court with over 50 restaurants and cafés, MACFit fitness club, and Nuspa spa center. Lounge areas are thoughtfully designed for comfort and luxury, complemented by floor gardens and walking and running tracks.
