PROPERTY DESCRIPTION

The project is located in the busiest and most lively area of the Turkish city of Izmir, and it reflects all the energy of the city and heralds calm and tranquility with its natural landscape and unique design.

The project was built under the signature of one of the most promising brands in the world of construction in Turkey, which has unique qualities, high quality and unprecedented luxury.

Luxury Investing

The project area is 8.412 square metres, and the green areas in the project are 5.000 square metres. The project consists of two buildings.

The spacious and comfortable apartments in the project that suit different lifestyles have been designed with great taste.

The project, which consists of 450 apartments and 26 shops, was designed taking into account all the residents' needs, from security services to green areas, from the mini bazaar to the outdoor swimming pool.

Luxury Investing

You can relax whenever you want in the outdoor swimming pools within the project, which sparkle in all shades of blue, meet your loved ones and create unforgettable memories in the social facilities area.

You don't have to go far to take a pleasant break from life and go on a trip to distinctive restaurants and cafes, everything you are looking for is right next to you with 26 stores ranging in size from 40 square meters to 600 square meters.

The project is located just a few minutes away from Karsiyaka-Konak-Bayrakli, thanks to its location close to Ankara Street and its adjacent ring road and metro connections.
