## PROPERTY DESCRIPTION

The project is located in one of the most popular locations in Istanbul, in the real center of the city, where you will not only live in Istanbul, but you will experience Istanbul.

If you are one of those who want to live to the fullest in a unique location with a view of the Bosphorus and the historical peninsula, social life, in the center of transportation, you are invited to an exclusive life in this project.

*Luxury Investing*

A brand new life is waiting for you in this project, where you will start each new day by greeting the most valuable asset of Istanbul, namely the Bosphorus.

With its deep blue Bosphorus, its facade opening to the historical peninsula, and the city view that stretches as far as the eye can see, you should also experience the unique beauty of Istanbul to the fullest in this project.

The project offers the most special design residences of Istanbul with all its details, equipped with unlimited luxury.

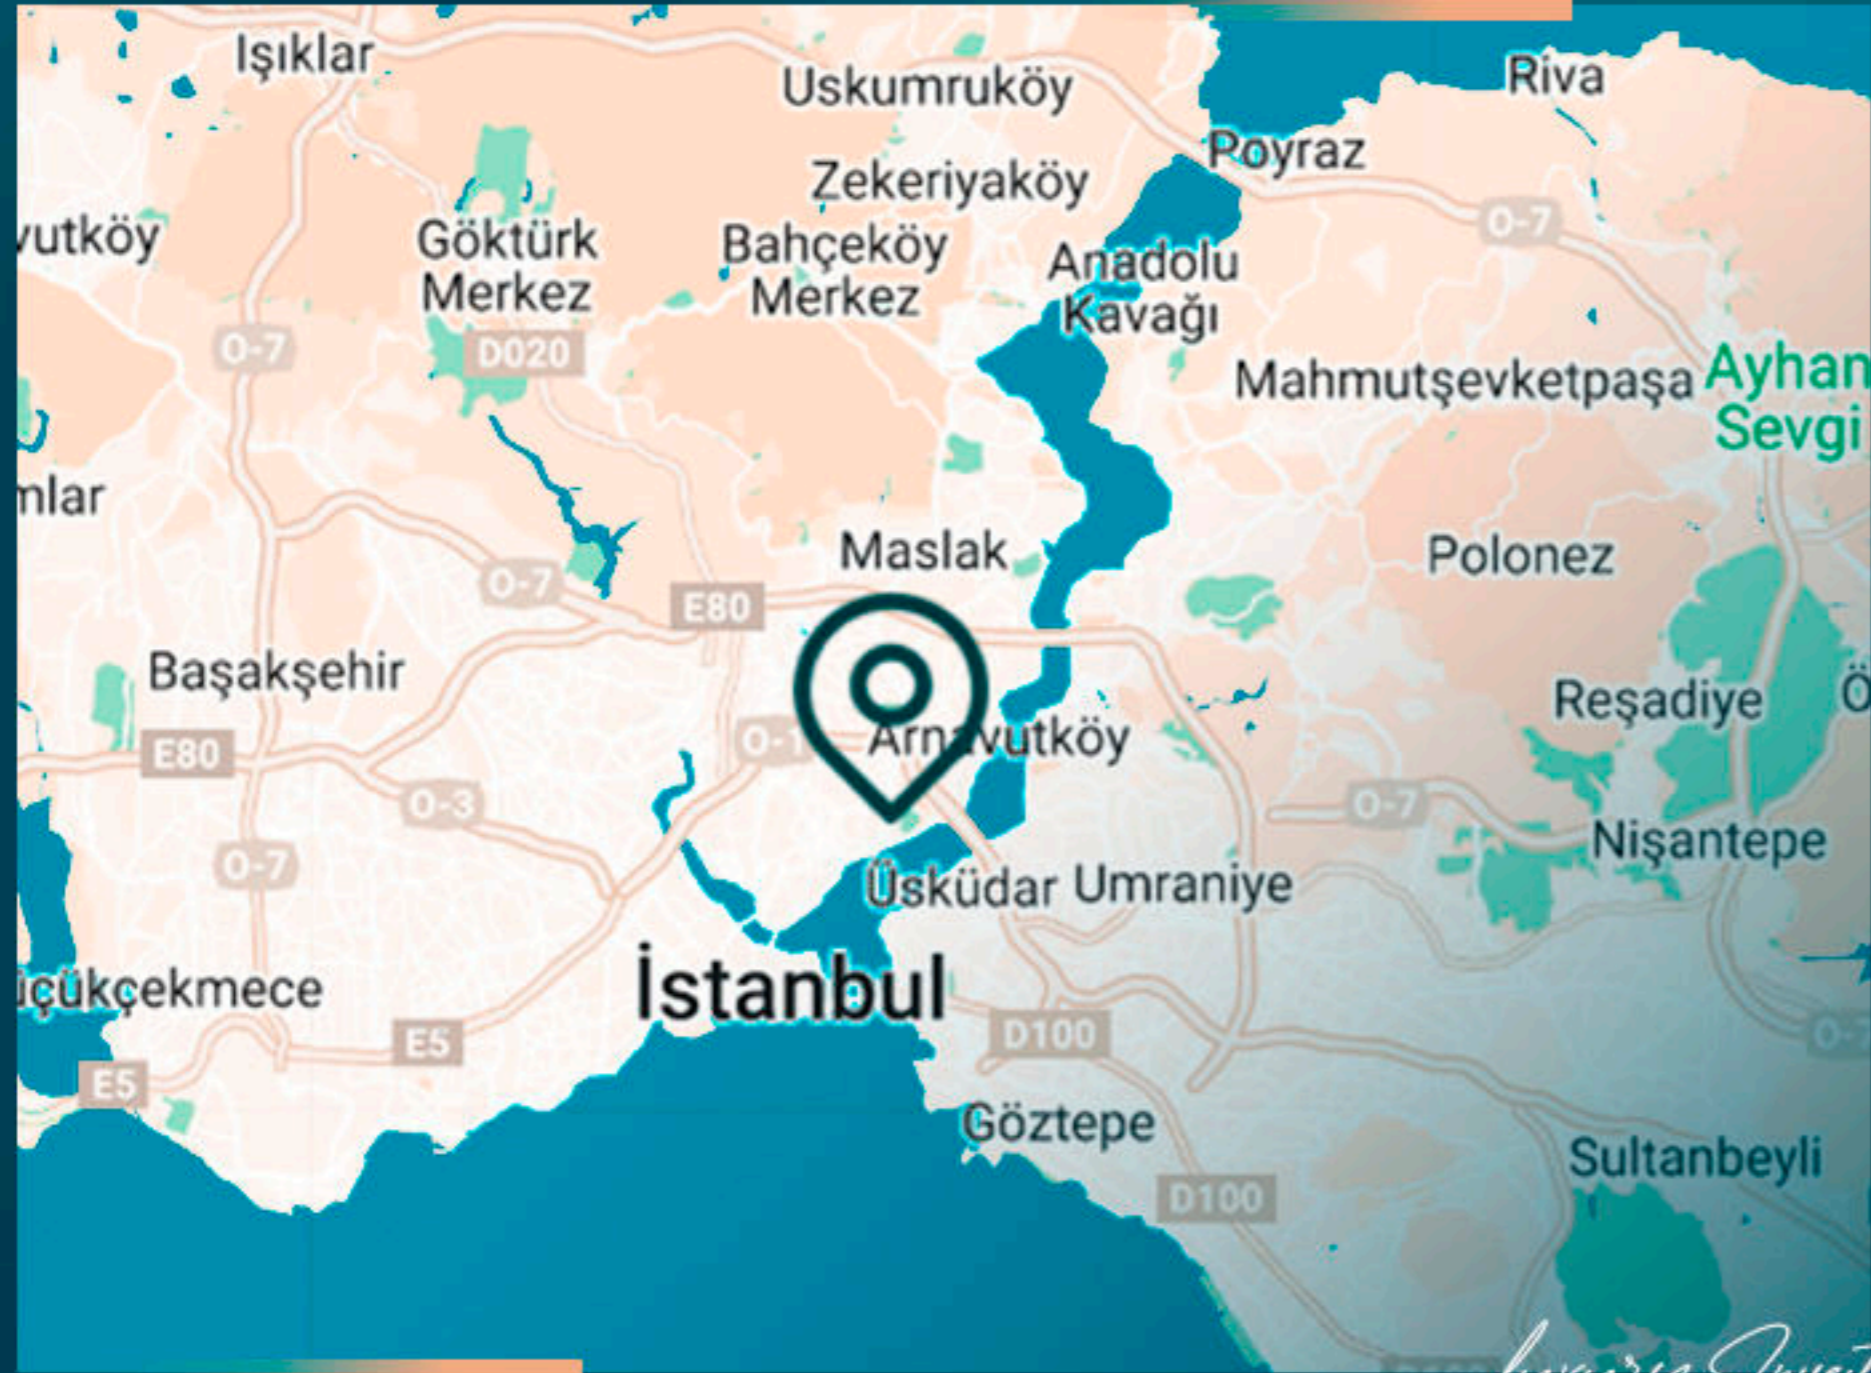

*Luxury Investing*

The project includes a terrace cafe where you can enjoy life with every sip of your drink. It also includes a garden, located on the terrace, in the most valuable location of Istanbul, for you to live life in the most beautiful way.

With its effective usage areas, high ceilings and plenty of light, it reflects the peace to the interiors of the apartments.

The exterior of the project; by integrating with trees, plants and curved lines designed with every detail in mind, allows both the city and the residents to breathe.
