PROPERTY DESCRIPTION

In this project, your home will open its doors to nature. The forest, where you will take a breath, is right next to you.

This project represents a new living concept, where health is considered in each and every detail.

The project includes an outdoor swimming pool, where you can swim against the unique nature view, and a children's swimming pool are available too. Also, you can relieve the stress of the day with the fitness center, steam room and sauna in the social facilities area.

You can enjoy your days in this project with the children's playground, mini basketball court and relaxation areas.

With a total of 80 residences consisting of different apartment options from 1+2 to 1+4 and social living areas, we offer you a life beyond your imagination.

Garden duplex and roof duplex floors with unique nature views are also available in this project.

The project is located in the prestigious area of Sarıyer, on the European side of Istanbul.

Because of its location, any amenity you might need is right around the corner.

Hospitals, universities, educational institutions, recreational centers, central transit networks, and beach locations, where you may swim, will be extremely accessible to you, thanks to the project's unique location.

The proximity of the project to the city's main roads will alleviate transportation issues while also providing the freedom of being right next to nature and the pleasure of reaching the city with ease.
