## PROPERTY DESCRIPTION

A new luxury project rises in Nisantasi area in Sisli, one of the first districts that come to mind when talking about the center of Istanbul.

Located in the heart of the city, it is a luxury comprehensive project comprising residences, offices, a hotel, and a shopping mall.

Aiming to add a new color to Nisantasi, the city's most prestigious neighborhood, it is spanning 9.000 square meters, and has a total construction site of 97.000 square meters.

Consisting of the renovation of the historical heritage in its site, the project was designed to be in harmony with this historic district's traditional architecture.

One of the highlights of the project is Lotus Walk which offers a brand-new shopping and living experience.

*James Hardie*

With the above-the-line and luxury design using various materials, meticulous landscaping, and vast social spaces, Lotus Walk offers a modern and creative interpretation of the courtyard concept which provides an opportunity to relax and socialize in the city.

The project includes 62 residences, 99 offices, a hotel with 146 rooms, and a parking space for 600 vehicles.
