Luxury Investing

Keeping the standards high, offering wide opportunities and attracting attention with its magnificent view, this project has created a safe living space for you by blending the beauties and comfort of Istanbul.

132 boutique living spaces were built on a land area of 7.380 sqm.

Residents of the project can enjoy amenities such as a closed swimming pool, gym, and a restaurant seamlessly integrated with the project's exclusive landscape.

Those who seek a break from the hustle and bustle of Istanbul will find solace here in the project.

Luxury Investing

Positioned far from earthquake-prone regions, it provides a secure living environment for buyers and their families, offering peace of mind.

The project boasts magnificent valley views, proximity to Istanbul Airport, easy access to the ring road, and it has a green energy certification.

Additionally, it enjoys close proximity to Basaksehir Cam and Sakura City Hospital, the largest medical city in Europe.

Finding the best and right place in Istanbul and having a house designed with the most ideal standards in that most beautiful place is actually a miracle.
