## PROPERTY DESCRIPTION

The project is being built in Bursa city of Turkey. It has a land area of 5.600 sqm, and it consists of 88 flats in 8 blocks.

In this project, where housing options from 2+1 to 4+1 are offered, the flats are designed to vary between 119 sqm and 222 sqm.

*Luxury Investing*

All residences in this project are built in a position overlooking the lake view.

The project draws attention with its lake view location, which offers a high quality of life to its residents.

In this project, which will be equipped with first-class materials and high quality finishes, the exteriors of the blocks will be designed with composite coating for isolation.

*Luxury Investing*

The project includes a 3.200 square meter indoor car park, where residents will be able to park their cars safely and comfortably.

The project also has activity areas and social facilities, including a 168 sqm swimming pool, fitness center, children's playgrounds, walking tracks and areas for cycling.

Safe living environment with the gated community concept is waiting for you.

The project is ready for immediate housing.
