The project will certainly touch your life in many ways. It will add great value not only to your life but also to Kagithane district.

Leave behind the overwhelming thought of long driving distances that comes automatically with busy city life. Your life will cheer up as the project rises in Kagithane, the most central location of the European side of Istanbul.

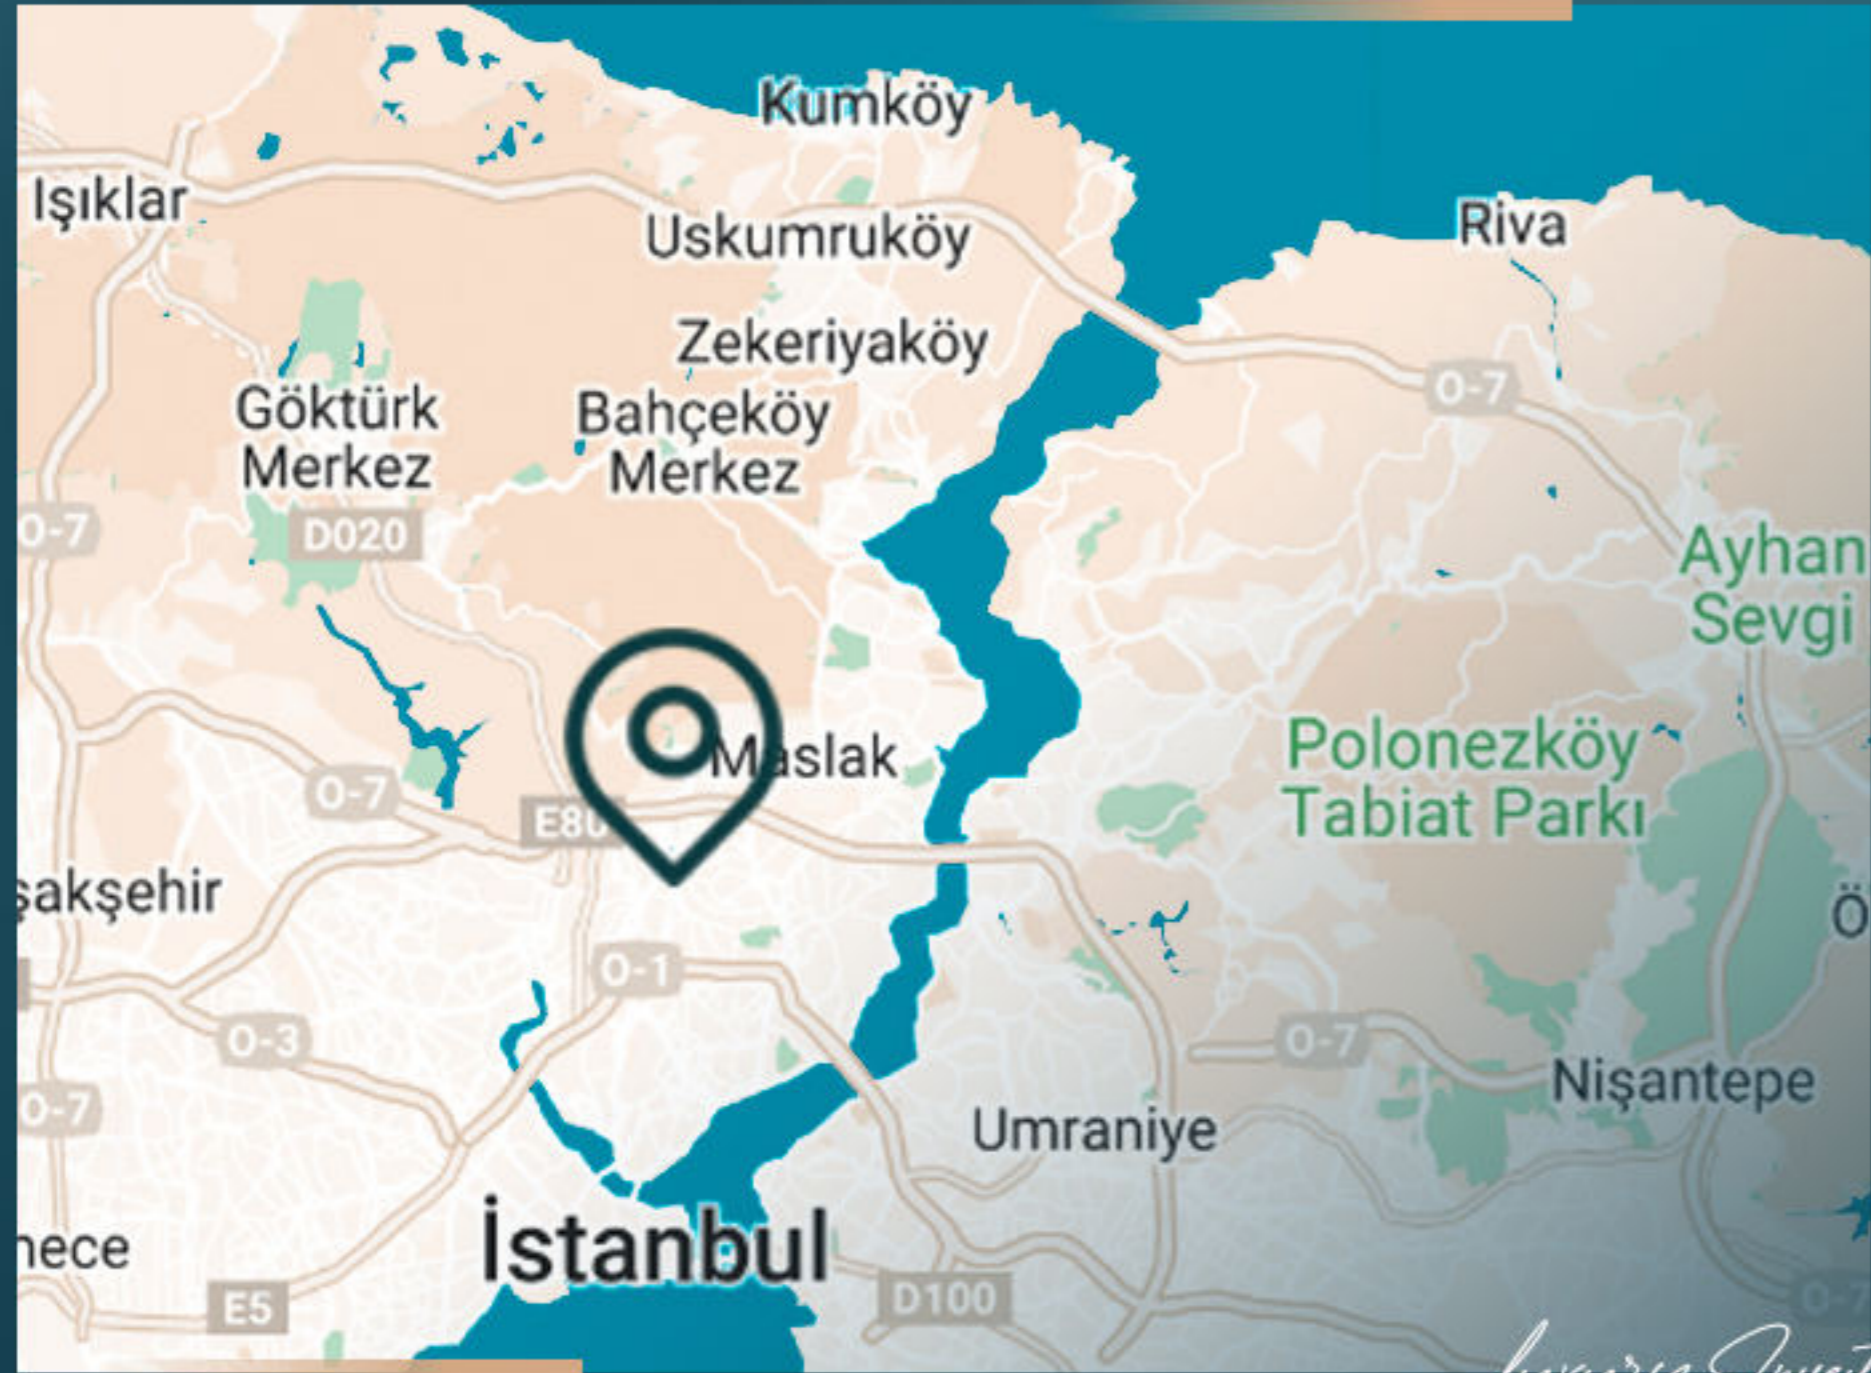

Situated near Taksim-Sariyer metro line, it offers easy access to the business and entertainment centers of the European side within minutes. It is also only 5 minutes away from Levent and Mecidiyekoy.

The project will release the energy of life in front of you as it is located in the center of Istanbul, next to Maslak, which is surrounded by shopping malls, restaurants, and business centers.

In this project, you will enjoy living here as it offers you the life you are looking for and you will feel yourself belonging to the most special spot of the city.

The time will no longer be spent on the roads! With all these privileges offered to you, the project will open the door to a life you have never experienced before.
