

LS269: MODERN PROJECT
LOCATED IN THE CENTER OF
IZMIR CITY
Izmir, Turkey

REAL ESTATE INVESTMENT

Luxury Investing

PROPERTY DESCRIPTION

The project is rising in the heart of the city of Izmir and in a distinguished location, at a point where transportation axes such as land, sea and rail system intersect.

The project offers easy access to every corner of Izmir, just opposite the Regional Administrative Court, 300 meters from the metro stop and Izban stop. It offers all the comfort expected from a metropolitan city with its proximity to important points such as transportation, education center and shopping center.

Luxury Investing

Everything you expect from a working environment is here with large and spacious home offices!

The project was designed as a living center that gathers all the needs of business life in a single location.

Consisting of 136 offices in total, this project offers a perfect environment for those who place their work at the center of their lives.

The project consists of 226 housing units and 9 stores.

The project offers apartment options of 1+1, 2+1 and 3+1.

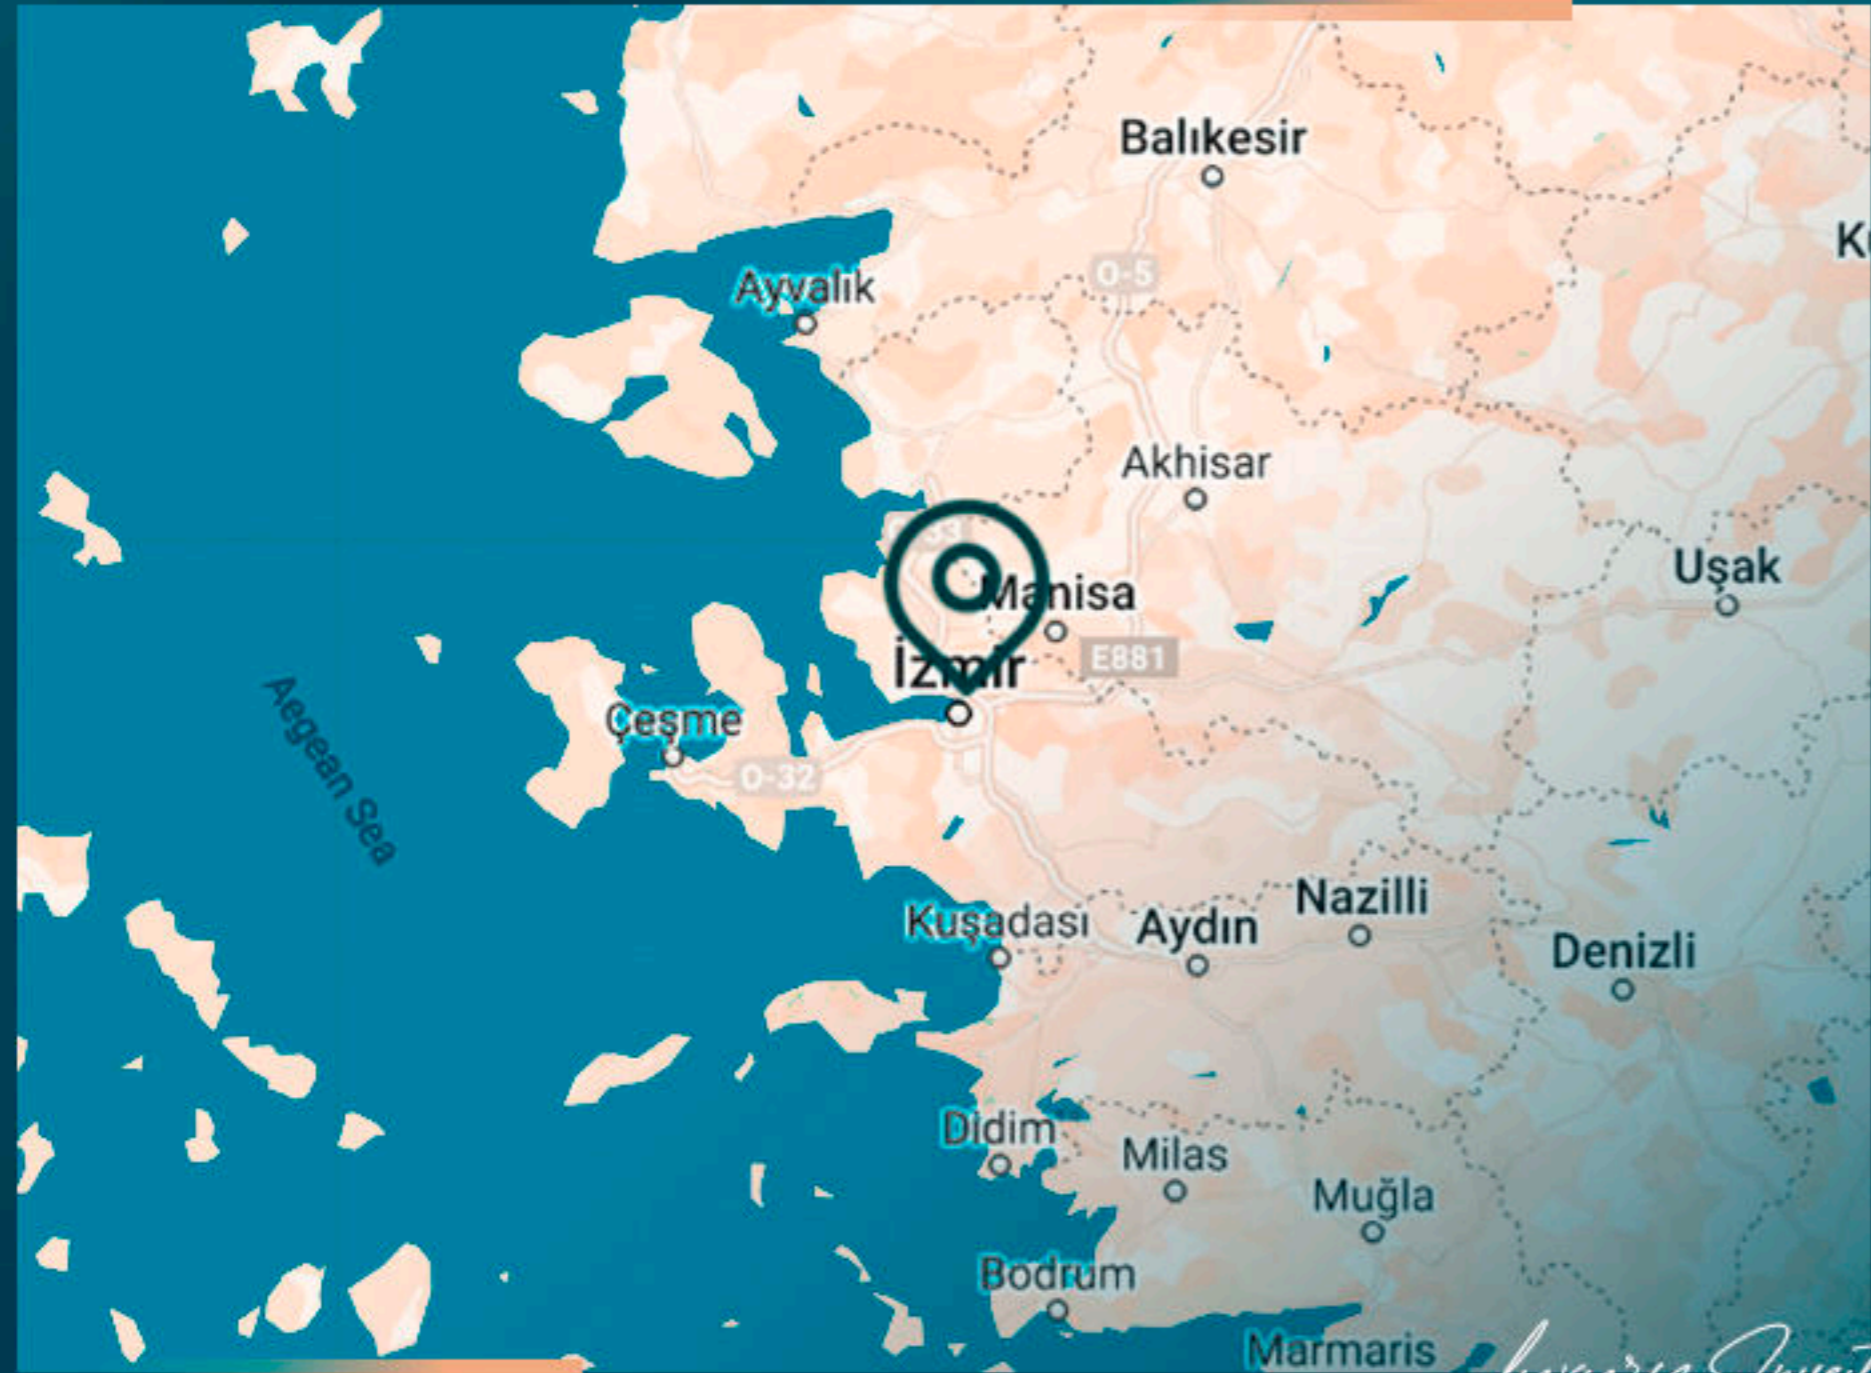

Luxury Investing

The project has been built according to the earthquake regulation, providing durable structure.

The project, with leading brands that are well-known in street stores, does not only offer you the metropolitan life, but also adds the city to the social areas of your home. All your needs are located under your home.

A project located in the center of the city with no parking problems. The indoor car park offers a safe space for your vehicle and a comfortable living detail.
