PROPERTY DESCRIPTION

This project is the largest privately developed urban regeneration project in Turkey.

The project of houses, residences, office and a hotel and a shopping avenue that we have been longing for is coming to life in Piyalepaşa district, in Beyoğlu area.

This project is promising you an active life full of happiness in the heart of the city of Istanbul.

It is the ideal project for housing and investment, that it contains all the elements for a lively social life that will take the quality of your life to a very high level.

Istiklal street with its stores of famous international brands is waiting for you, just a few minutes away from your home.

Also, you will be in a close distance to the highway, connecting roads and tunnels, and the districts of Beşiktaş, Karaköy and the high-end Nişantaşı will be your neighbours.

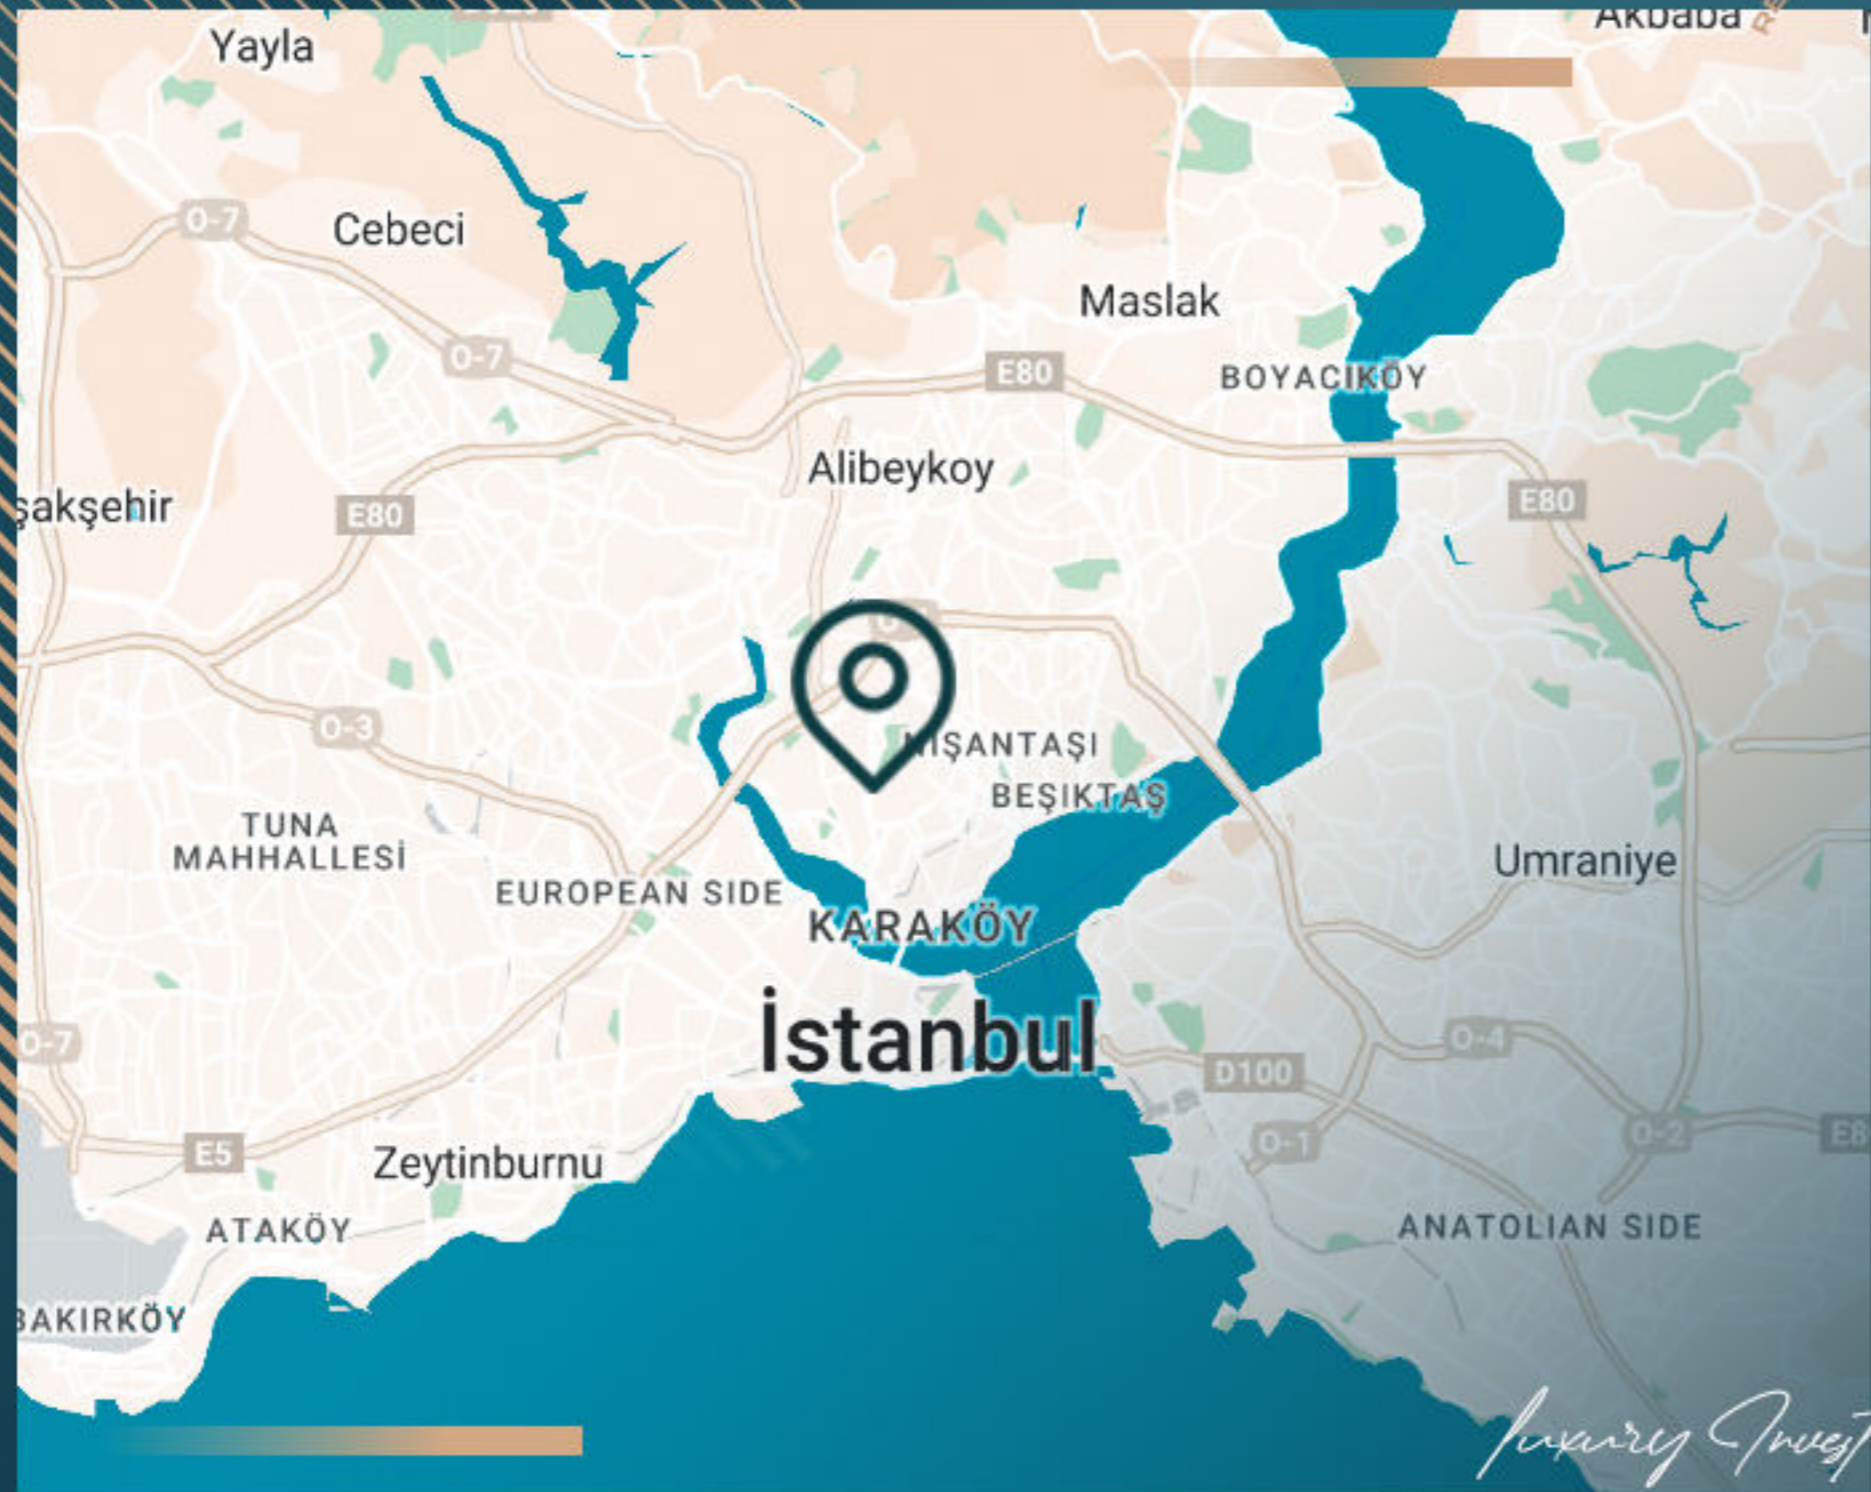

Luxury Investing

This project represents real luxury!

The new Istanbul Court House and Perpa trade center also will be in a close proximity to your home.

The joy of shopping will be easier and available all the time, where 550 meters long shopping street with 120 stores within the project that collects a number of stores will be under your home. Also, You can enjoy your break time in one of the restaurants and cafe within the project with your loved ones.

You can meet your daily needs easily with the grocery, greengrocer, and the butcher shops alongside a wide range of local and international brands.
