PROPERTY DESCRIPTION

The project has been constructed by a well-known company, with more than 40 years of experience in the real estate sector.

This project adds value to both life and investment with its valuable location.

It is ideally located in Halkali district, the heart of professional life, as well as a prestigious educational institution, to meet the needs of all family members.

Luxury Investing

Meet modern architecture that will make you and your loved ones feel valued in this special project.

This project represents a new generation for living spaces, where residence, offices and commercial blocks will be located together.

This project will take its place among Istanbul's signature projects.

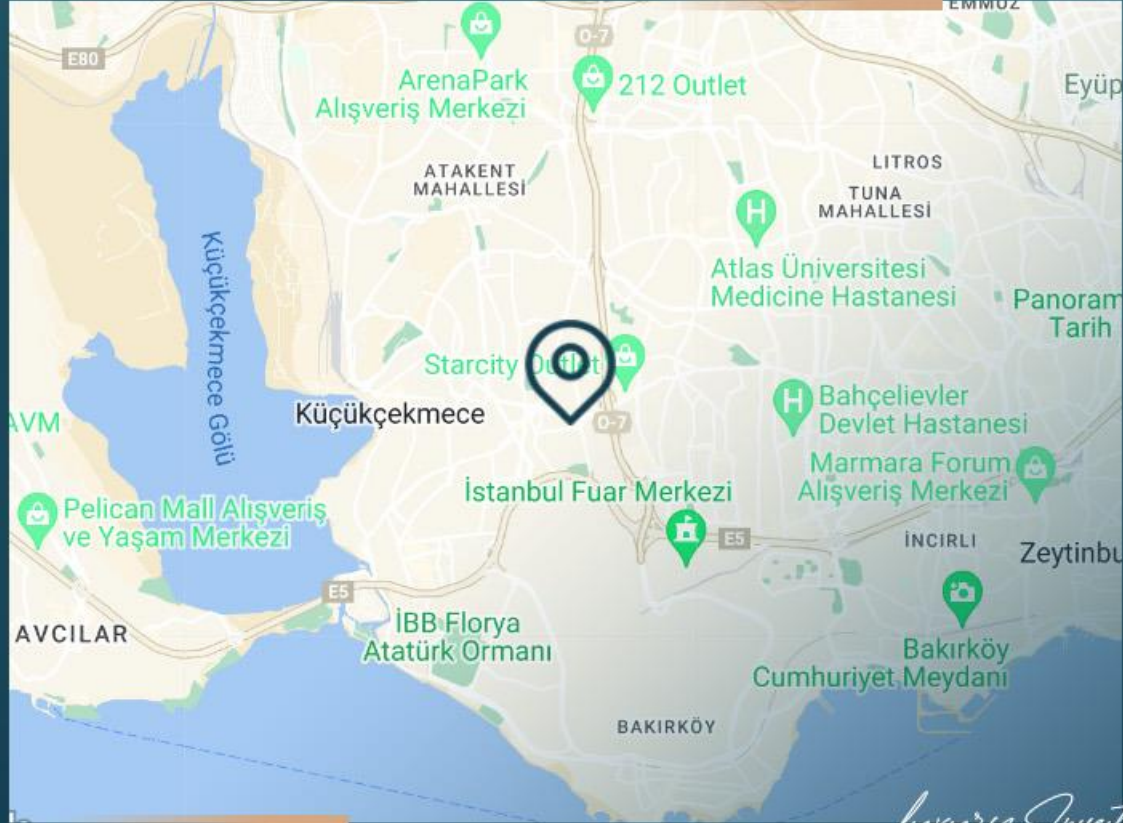

Luxury Investing

A carefully designed apartment option suitable for your family is waiting for you in this project.

Large and spacious living spaces, quality materials, quality construction and investment value that increases day by day, all of these advantages and more only offered by this project.

The project also offers delightful and full social life for you and your family.
