PROPERTY DESCRIPTION

This is a very special life project deliberated to the smallest detail for you to enjoy life in the developing center of the Asian side of Istanbul.

It consists of 3 towers of 24 floors, each on two blocks, set on a 26.000 sqm area.

There are fitness and sauna facilities, walking tracks, playgrounds and a SPA center, as well as outdoor and indoor swimming pools for each tower in this project.

Luxury Investing

Also, a pleasant life awaits you with shopping opportunities making it available for you to fulfill all your needs without getting away from your home.

The project drew attention with its modern and modest designs, leaving a trace for the architecture of today and future, providing an ideal lifestyle with its plain and functional approach.

Considered in line with lifestyles and practical needs according to the spirit of the project, the internal architectural solutions were designed and applied.

Luxury Investing

The project is located in Fikirtepe, where you can reach the bridges, the most important point of the city and intercity transportation, at a place where you can easily reach Kadikoy, one of the most important hubs of Istanbul, and reach Avrasya Tunnel.

The project provides transportation opportunities in 4 minutes to the metrobus, one of the major mass transportation vehicles of the city, 10 minutes to the metro, and the other mass transportation vehicles are right next to the project. Also, it is located to easily reach the airports.

This project provides extra time and comfort for your professional and social lives with its close proximity to Bagdat Avenue.
