Luxury Investing

The small resort village of Sarigerme is located in the southwest of Turkey just 15 km from Dalaman International Airport. It is surrounded by picturesque cliffs with islands of pine forest, mandarin orchards and olive groves. The main attraction of this place is a gorgeous sandy beach washed by the warm waters of the Aegean Sea.

Luxury Investing

In the past Sarigerme was a tiny fishing village, which in recent years has turned into an excellent resort. One that, however, most people have never even heard of. As a rule, tourists "skip" it, going from Dalaman to Marmaris, Fethiye or Oludeniz. Also, it is very close to the main air harbor of the Turkish province of Mugla.

In this private project in Mugla, you will be close to markets, hospitals, schools, coffee shops, restaurants, and the sea.
