In addition to that, there is 975 sqm of indoor social facilities and 1.600 sqm of commercial units.

The project took its place in Alanya city of Turkey, one of the most favorable tourist destinations in the world.

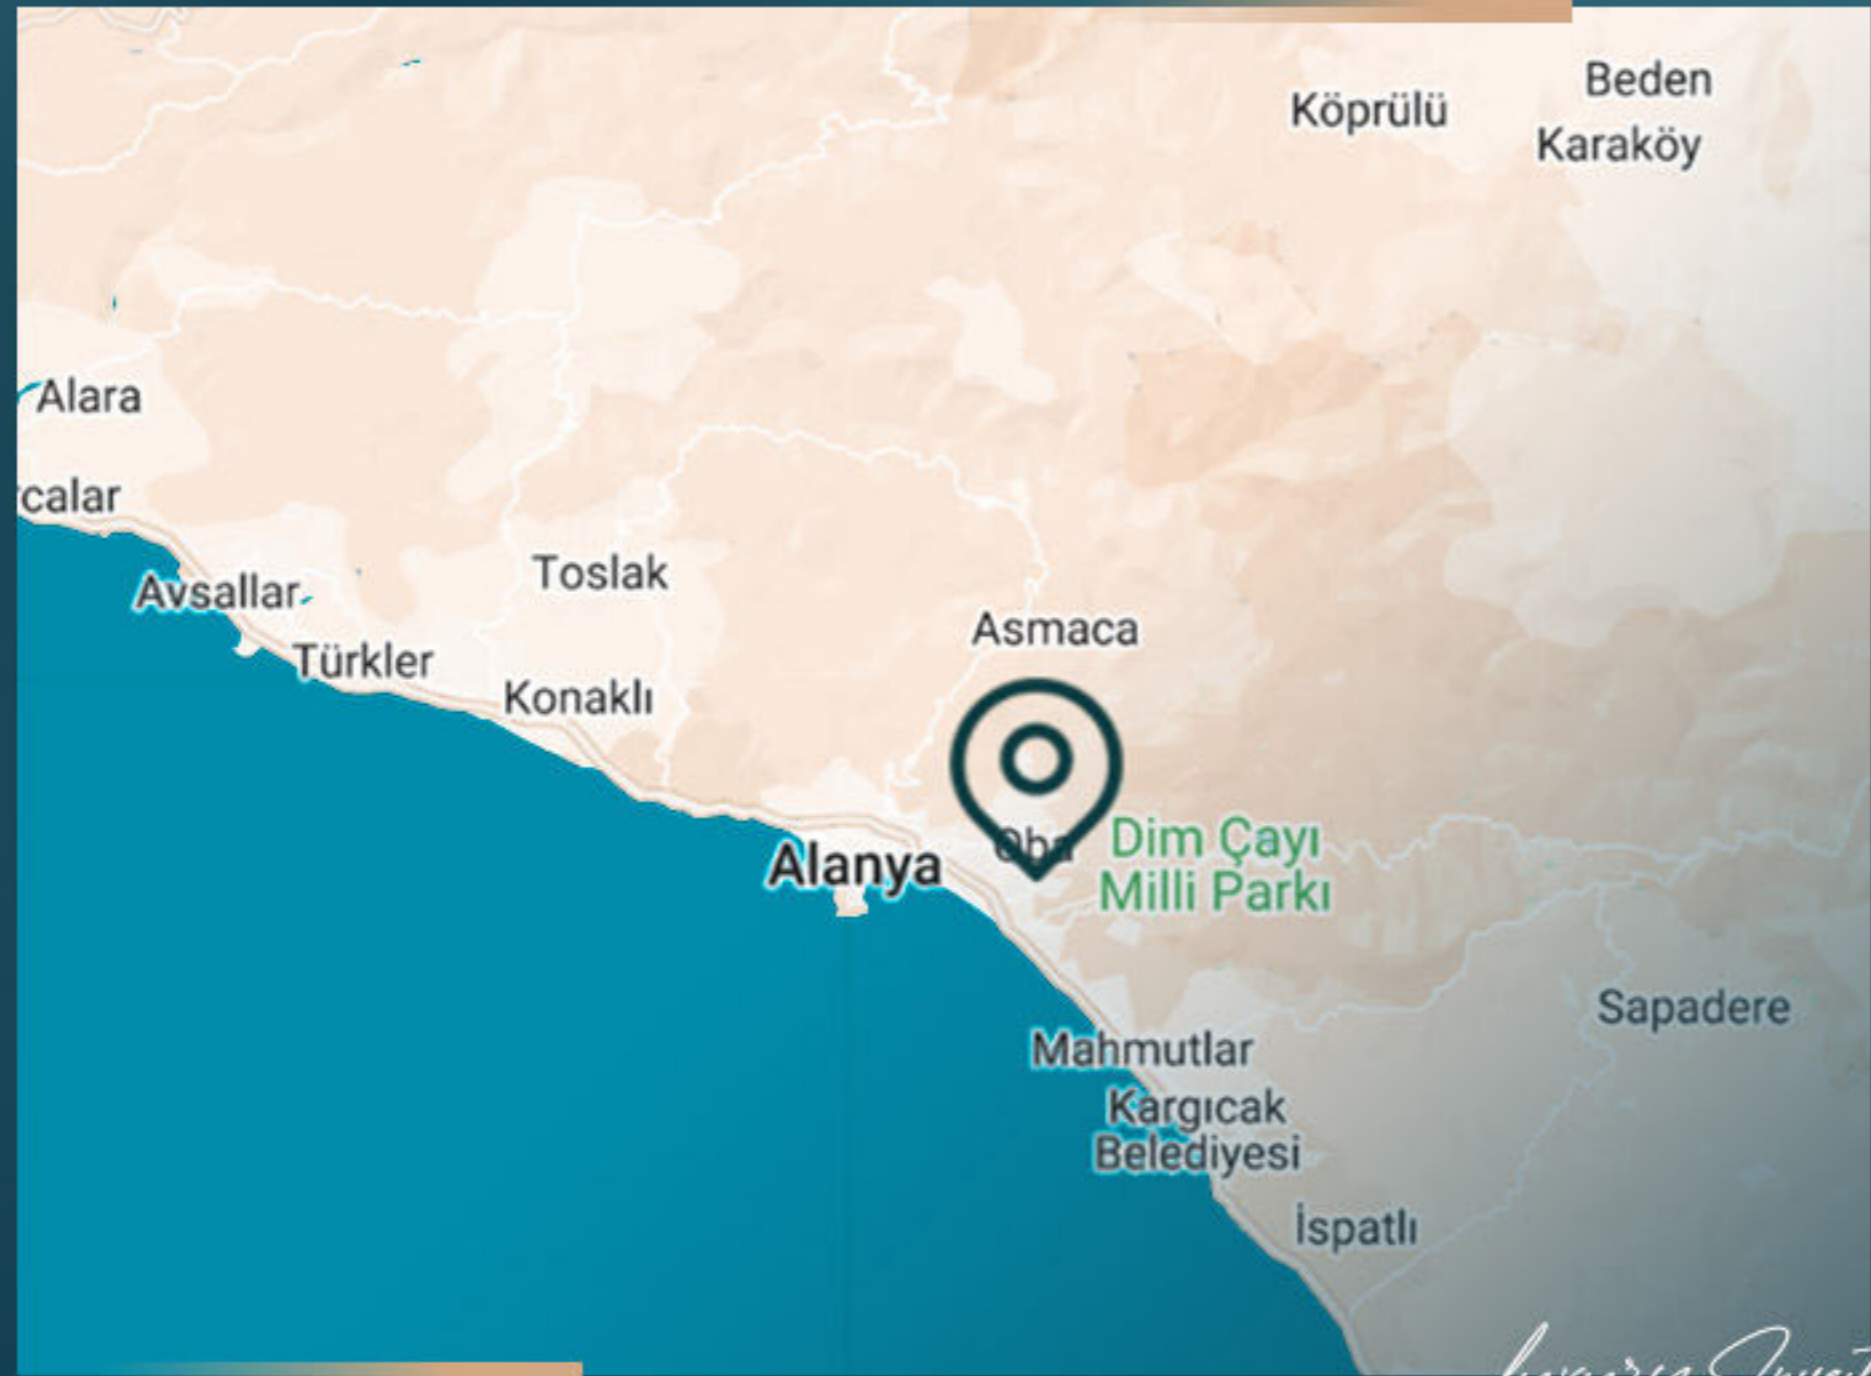

The Mediterranean is best experienced through Alanya, and the ultimate Alanya experience resides in this project.

While enjoying the taste of greenery, blue seas, and sunshine, you will experience the privilege of being right in the center of the city of Alanya in this project.

With its meticulously planned architecture, functional living spaces, production quality, and social amenities, this project is the first address where you can fully experience Alanya.

The project is under-construction, and it will be delivered in December 2025.
