PROPERTY DESCRIPTION

A dream-like life for those who want to live life to the fullest, awaits with options to suit every need in this project.

Bringing prestige to residence in the heart of the city, the project expands Istanbul under your feet with its 360° view.

A different fairy-tale life in each unit, unique experiences, comfort and technology in all!

Luxury Investing

All the features of a privileged life, from concierge service to swimming pool, fitness center and wellness center are at the project.

In addition to social facilities, such as a concierge, a fitness and wellness center, and a swimming pool, a fascinating view of Istanbul awaits you in this project, which offers a variety of amenities ranging from studio apartments to 4+1 apartments.

The 4+1 apartments, a combination of comfort and pleasure, present terraces and spacious living areas with a ceiling height of 7 meters, and are preferred especially by large families.

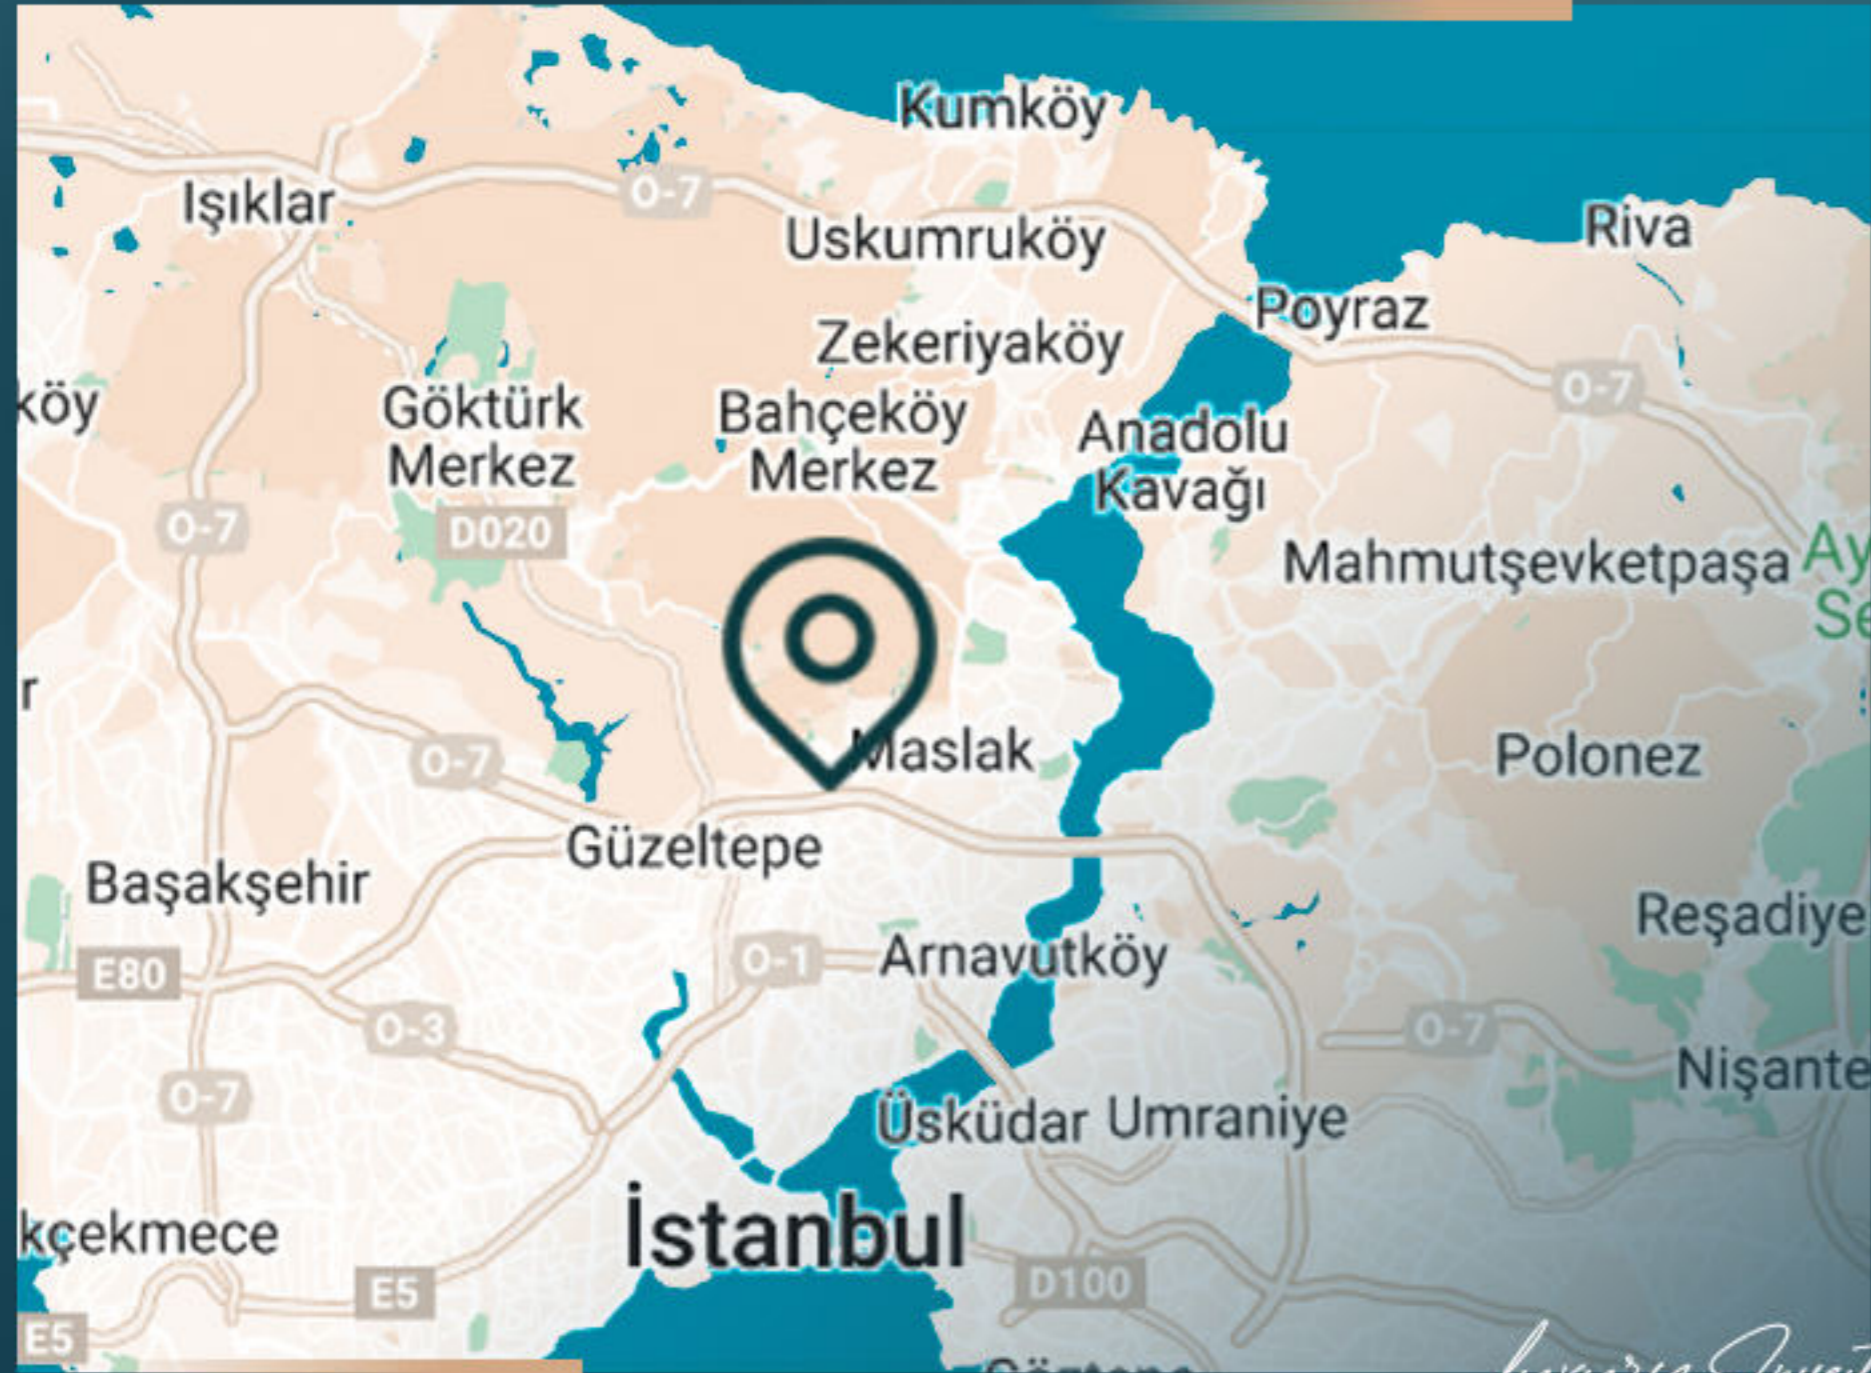

Luxury Investing

Its elegant, quality and functional interior architecture aims to make your dreams come true.

Everything will be at your fingertips with smart home technology. Besides smart home technologies, the city's largest oxygen source, the Belgrade Forest, is located right next to the project.

This project, which has windows and balconies that can be opened for you to enjoy your freedom to the fullest, brings the vitality of the city into your home.
