PROPERTY DESCRIPTION

This project represents a place where history, lake, sea and nature are seen and experienced as a whole in Istanbul.

The project has a land area of 40.964 sqm, and a construction area of 16.333 sqm.

The total number of villas in the project are 32 villas, of the type 4+1, 5+1 and 6+1.

Luxury Investing

The project offers a private social area for each villa, including outdoor swimming pool, auxiliary building and parking garage. In addition to that, there is a 350 sqm closed social area in the project, including a Turkish bath, sauna, pilates hall, restaurant areas and children's play area.

These social areas are carefully designed to provide ideal environments for common hobbies and activities, while also contributing to community relations, which are an indispensable part of our culture.

The project is located in Buyukcekmece district on the European side of Istanbul. It has a special location close to the E5 highway, Tem highway and Istanbul Airport. It eliminates the limitations of transportation.

In this project, a clear blue where you will reach the peak of serenity, all shades of green, and nature, will be part of your daily life.

This project will conquer first your eyes and then your heart, with its calming landscaping and modern interior architecture.

This project, with its single storey structure and the use of a pile system in its formation, it eliminates the risk of earthquake and any possible negativities with its high level security, promises a safe and peaceful life.
