These villas are suitable for acquiring Turkish citizenship.

Tourist guides in Turkey position Sarigerme as an original place of beach vacation with an emphasis on silence, peace and excellent ecology. Not so long ago the local beach received the "Blue Flag" award for coastal cleanliness. And don't let the proximity of the airport bother you: the local wind is arranged in such a way that no particles of combustion products fly here. And the densely forested mountain range separating the resort from Dalaman creates an additional barrier.
