PROPERTY DESCRIPTION

An exclusive view of the Sea and Prince Islands is available to you in these apartments.

The project presents a luxurious life with three towers independently located. It corresponds to different tastes and needs with alternative flat choices varying from “1+1” to “5+1” types while promising its residents a spacious, calm, and comfortable life.

Luxury Investing

This project is the choice of those who want to watch the immense scenery of Istanbul, and is the new star of the city.

The project offers its residents a pleasing and tasteful life with its social activities from health to sport, resting to entertainment by taking every age group into account.

The project promises a high-quality life thanks to its location at the junction of highways connecting European and Anatolian sides and its proximity to public transportation like subway and buses.

Luxury Investing

In this project, which is at the heart of the city, you are only one step further from anywhere you wish to go.

The project provides an unparalleled socialization opportunity to your children with its delicately designed playgrounds. It is the choice of the parents who want their children to grow with delightful memories.

You can breathe both the smell of the greenest grass and the captivating scent of the flowers in the center of Istanbul. All the beauties of nature are available to you in this project.
