PROPERTY DESCRIPTION

It is a residential project that includes 80 flats of the types 2+1 and 3+1, in addition to 20 offices and 16 commercial units.

In this project, residents can enjoy access to a wide range of social and commercial facilities designed to improve the quality of life, including many shops, restaurants, supermarkets, and other daily amenities located on the ground floor of the building.

Luxury Investing

It also offers walking trails, relaxation terraces, and children's playgrounds in open spaces. It is designed for you to have a pleasant time with your family.

The apartments have a modern open-plan interior design, with airy spaces and a large residential area benefiting from natural sunlight.

All properties within the scope of the project have balconies that will amaze you with the natural grove scenery in the surrounding areas where residents can relax.

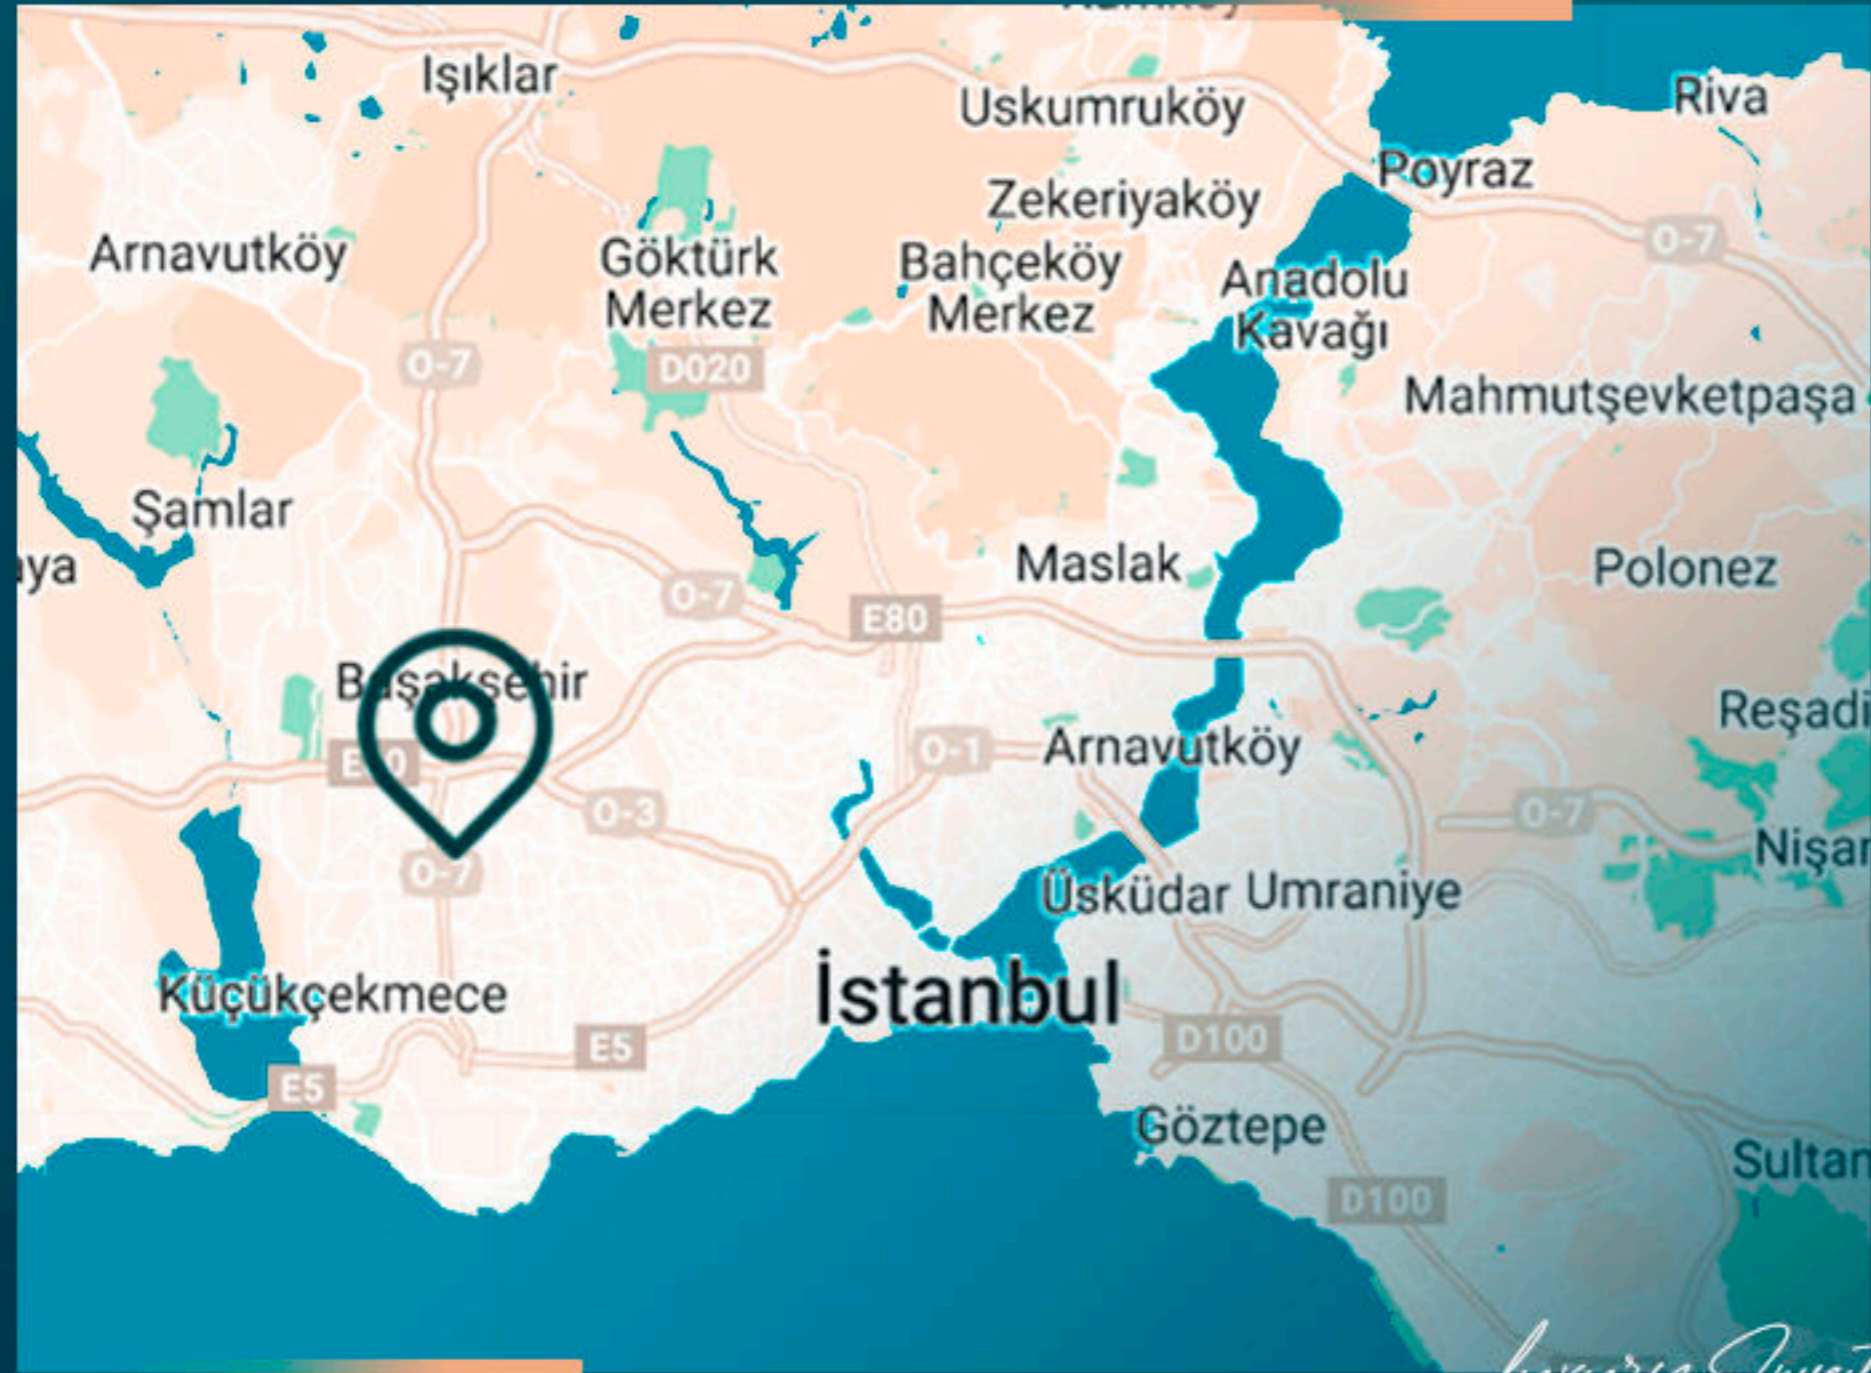

Luxury Investing

These properties are oriented to family life, there is no one-bedroom residence in this project. Buyers can choose from two to three-bedroom units that meet their needs.

The apartments are designed with modern life in mind and offer open-plan interiors, inviting the family to spend time together in the living room and dining area, and equipped with large bedrooms.

The project is under-construction, and it will be delivered in October 2023.
