## PROPERTY DESCRIPTION

The project is being built on an area of 58.710 sqm and designed in the best way.

The project is 1.300 meters long and has its own transportation system, making it a hotspot for both you and all of Antalya.

The Tramway line passes through the project, and it is also one of the best investment sites, which has both residential and commercial offices.

*Luxury Investing*

The project consists of 26 blocks of 8 floors, and includes 2.012 units as follows: 923 residences, 842 home offices and 247 stores.

The units in the project are of the types 1+1 and 2+1, with square meter ranges of 50 - 125 sqm.

The brand new center of finance, commerce and social life, offers you everything you are looking for.

In addition to business life with its offices, the heart of shopping and entertainment beats in this project.

This project constitutes the largest housing project in Turkey.

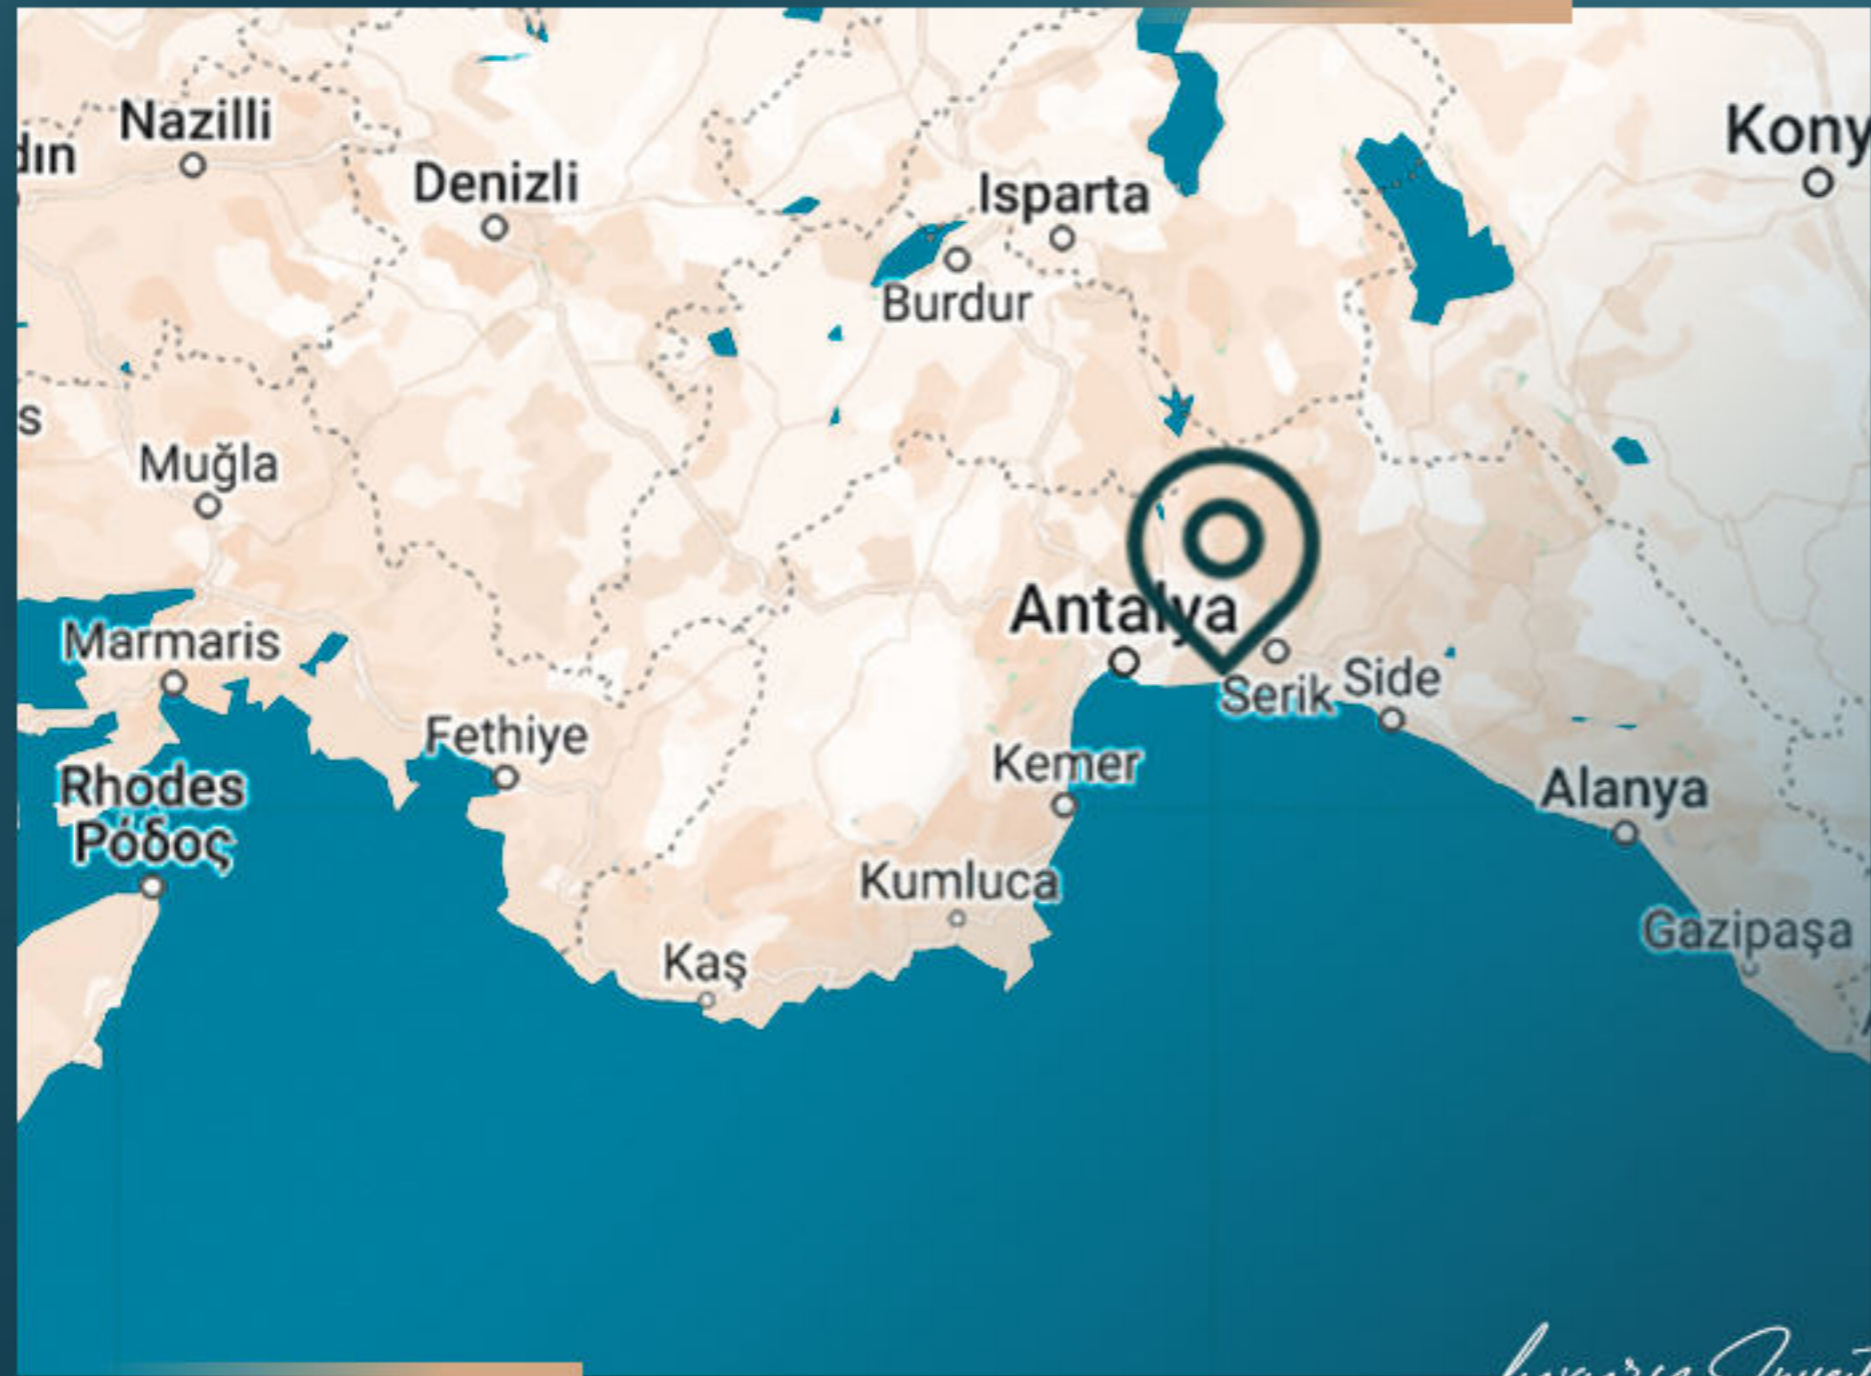

*Luxury Investing*

This extensive project offers a diverse range of amenities, including residences, retail spaces, home offices, and various other conveniences, ensuring your every need is met during your stay in Turkey.

Within this grand project lies the opportunity for a life of opulence within an expansive residential complex.

Notable for its exceptional attributes, it stands out due to its prime location, a variety of unit sizes and choices, exclusive services, and distinctive designs.

As the most exclusive and modern residential complex in Antalya, this project offers a unique living experience.
