PROPERTY DESCRIPTION

A new project added to the unique projects of Istanbul.

It is rising in the heart of Istanbul, you will have a unique living space that you have dreamed of for years.

The project, which consists of 3 blocks, has a total of 201 flats, consisting of 2+1 and 3+1 flats.

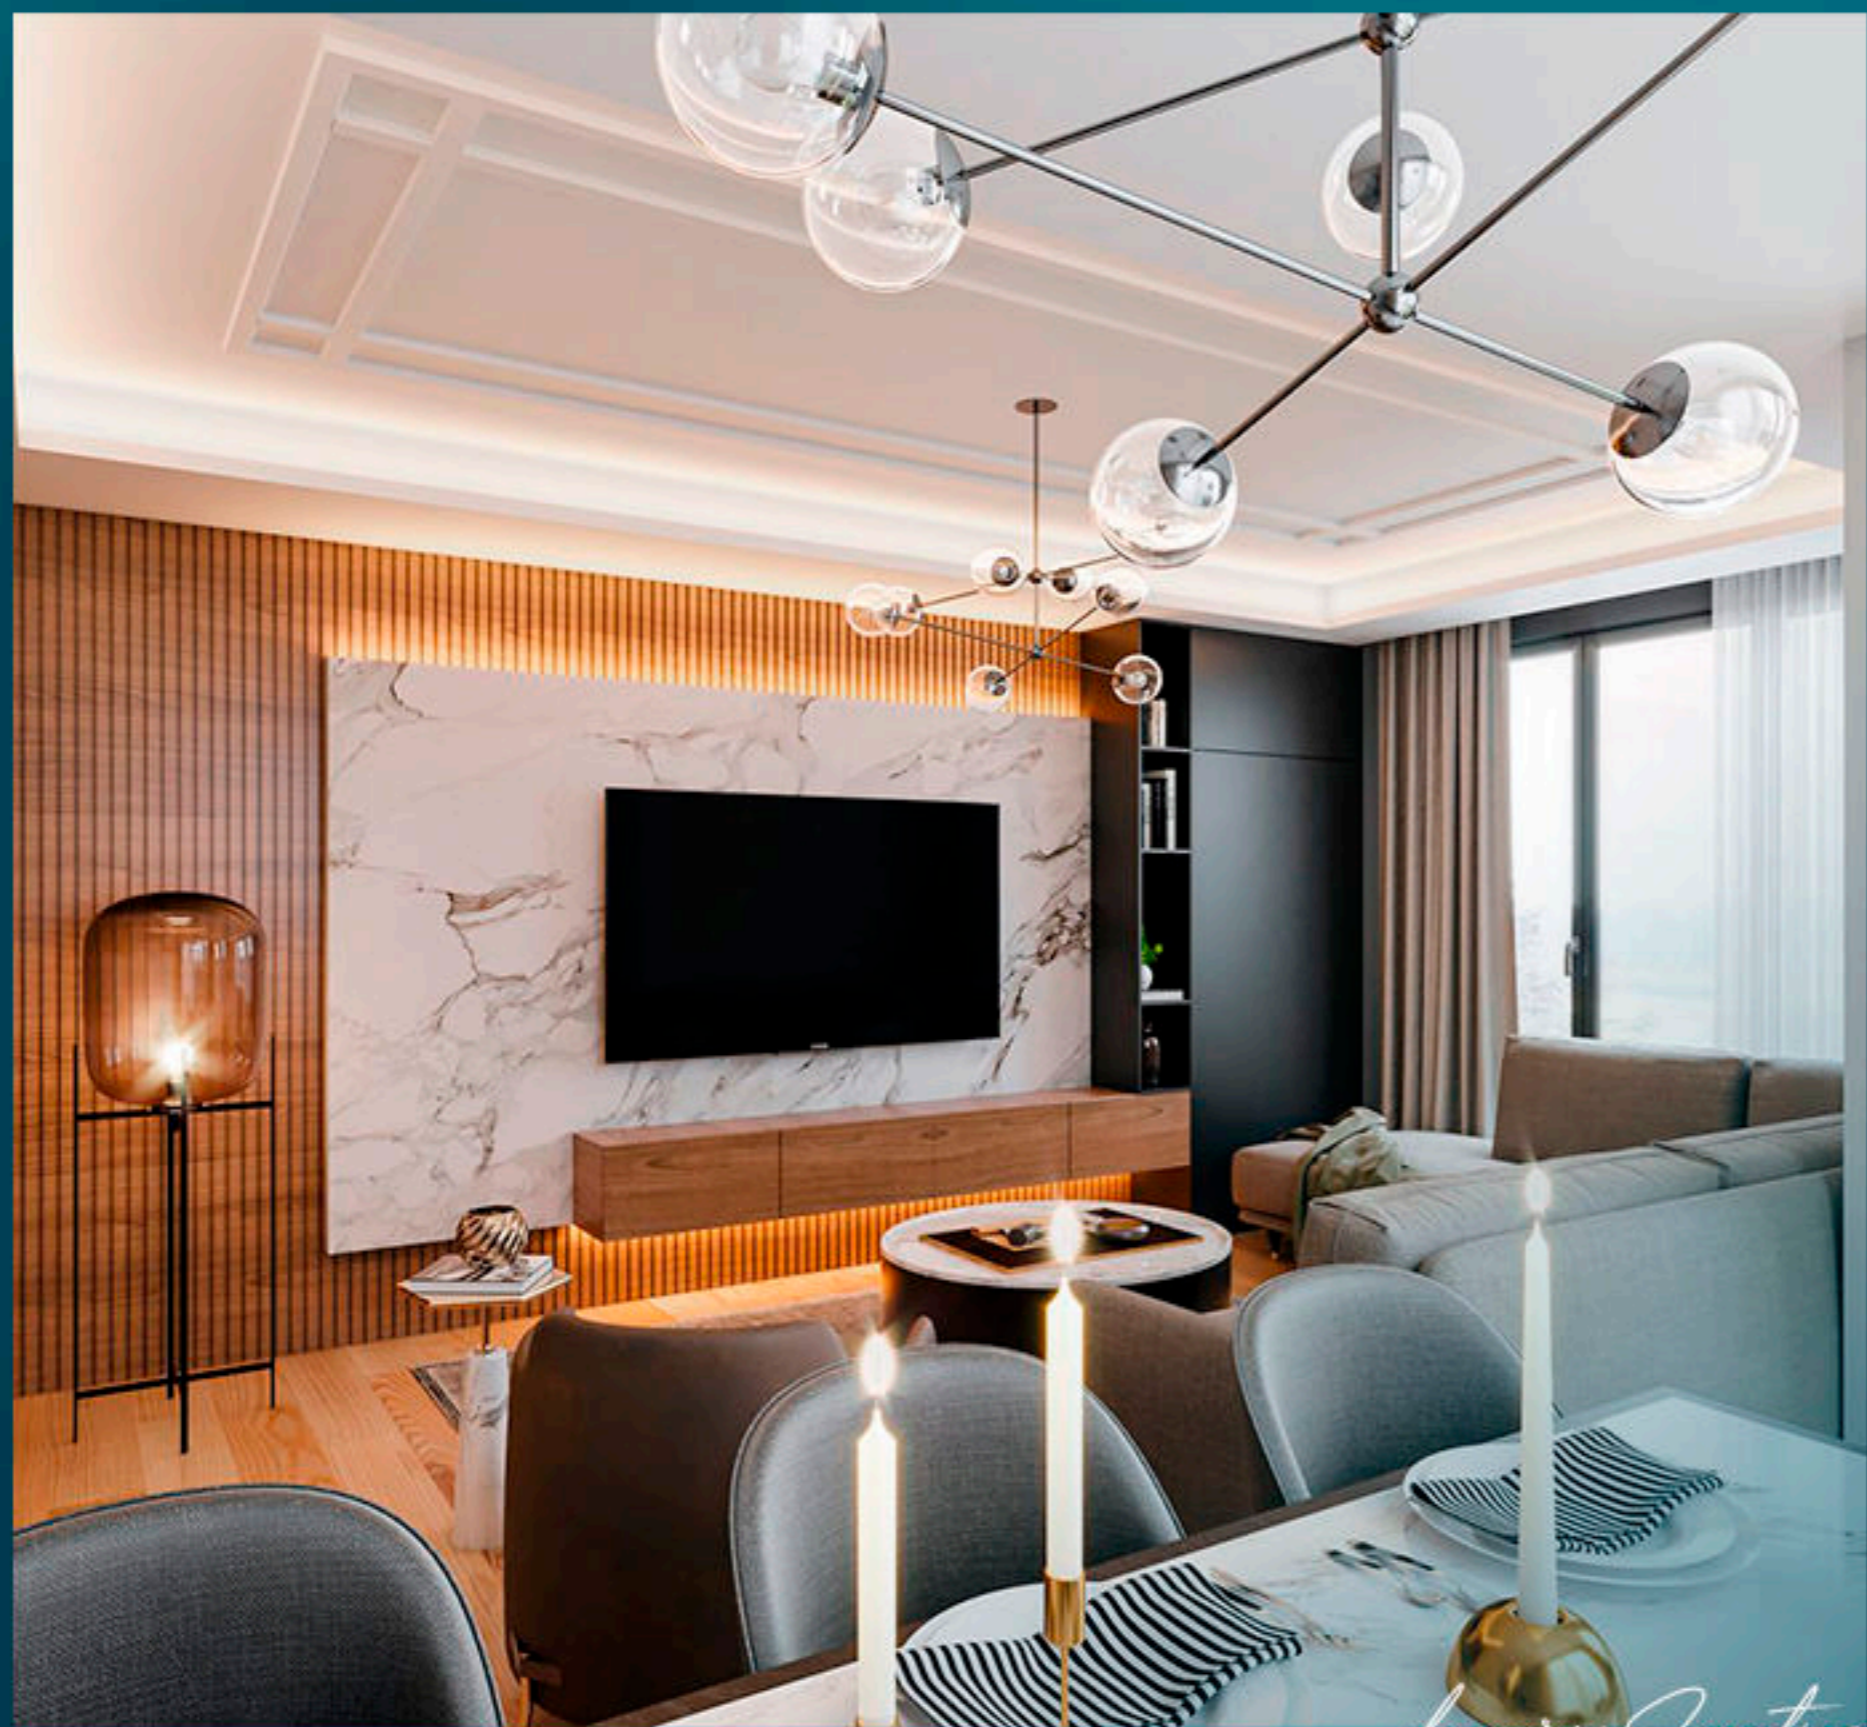

Luxury Investing

Landscape areas, which are designed in accordance with modern architecture, have opportunities such as camelias, ornamental pools, and playgrounds, where you and your children can spend quality time.

The project has been designed for those who want to have a prestigious and comfortable living space that will be considered modern even after 50 years.

Functional and aesthetic interiors were designed by considering the standards of the modern age.

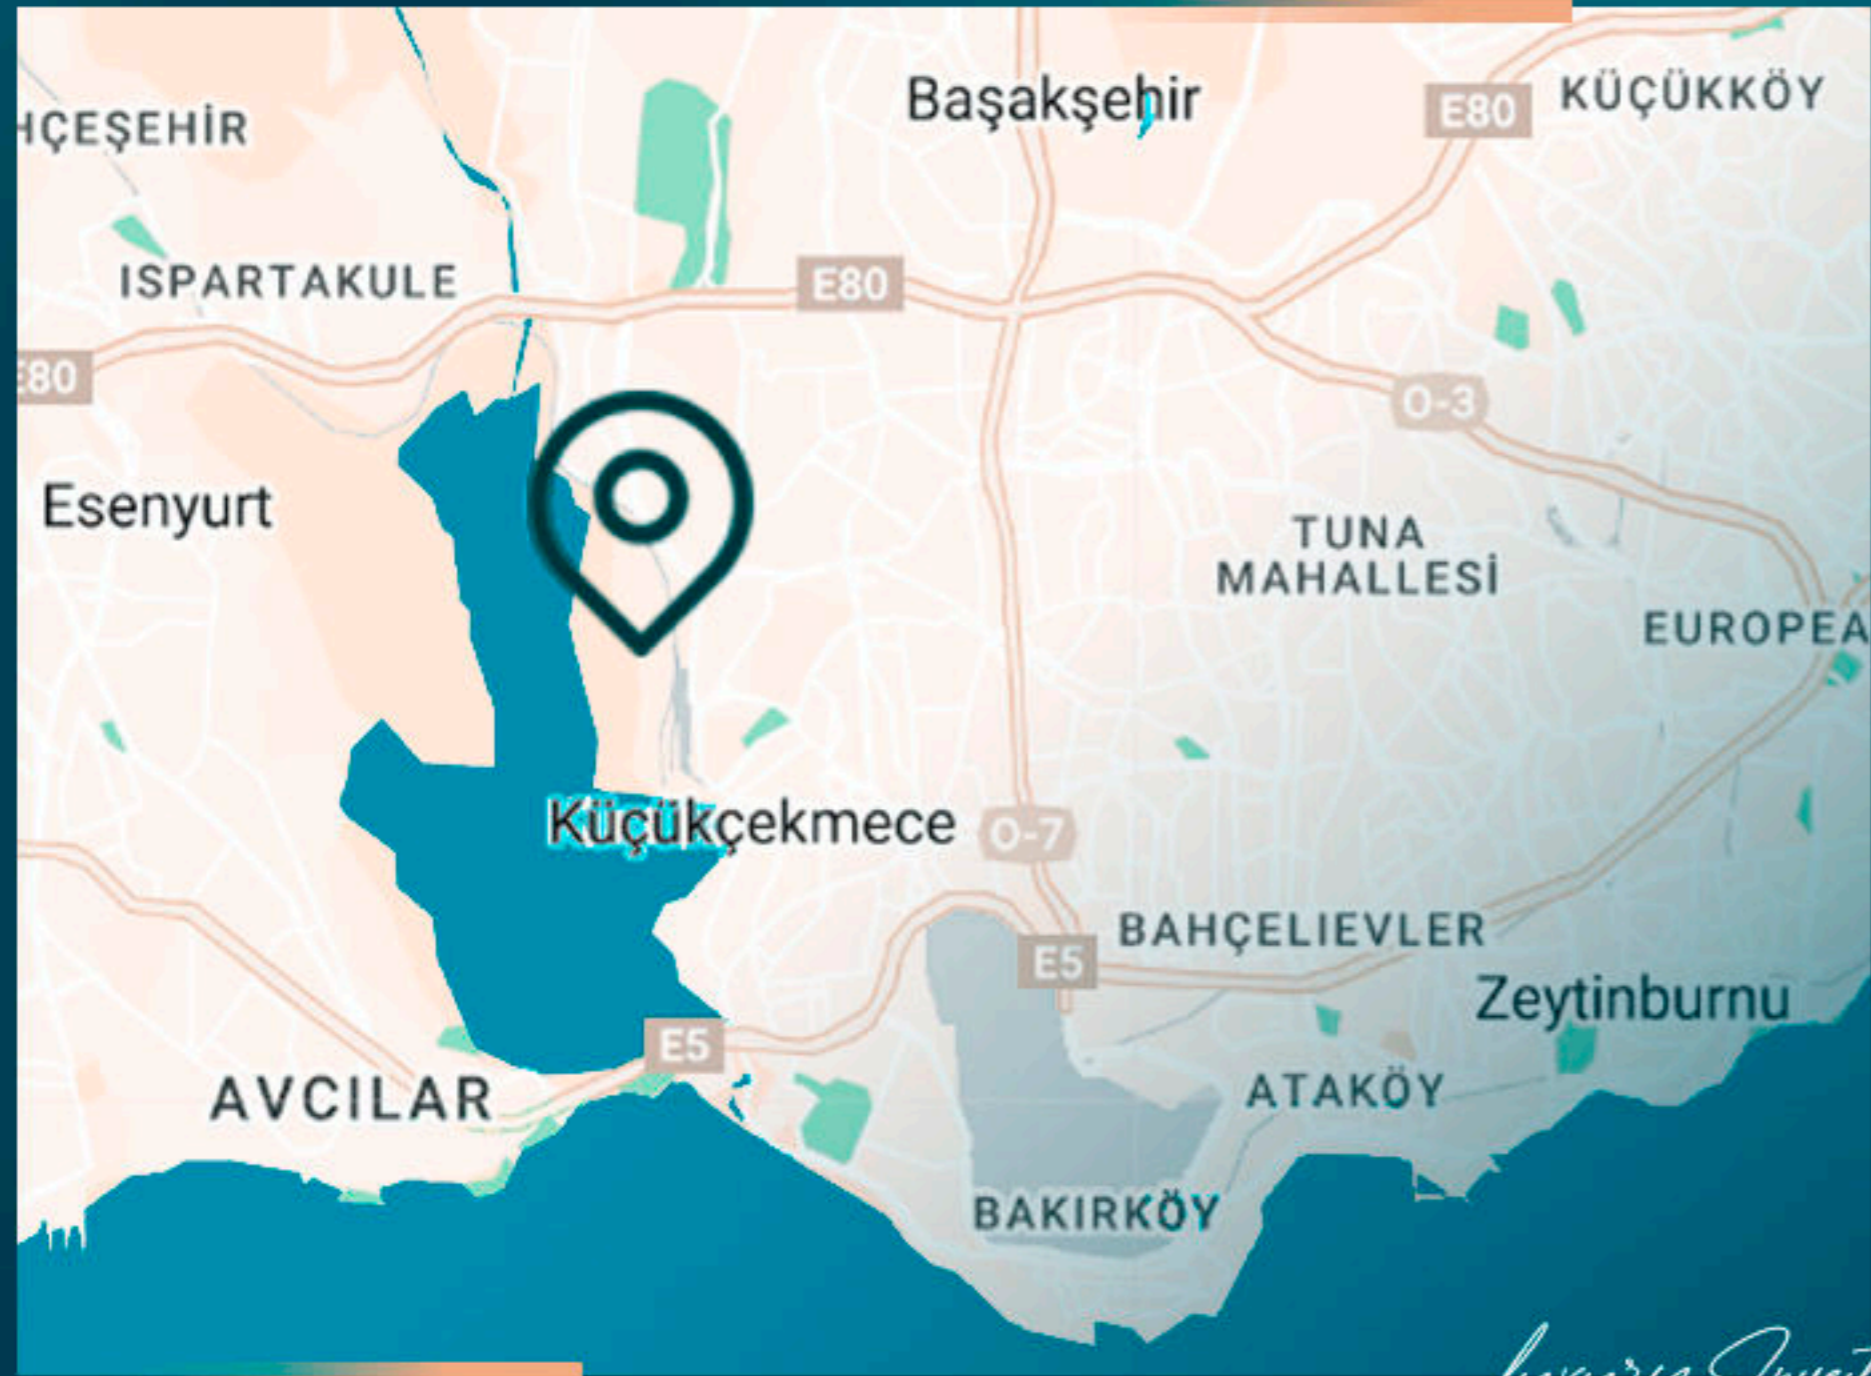

Luxury Investing

Living rooms, bed rooms, children's rooms, kitchen, bathrooms... every square meter of your house has been taken into consideration thoroughly.

Different types of flats for large families, useful flats to attract nuclear families.

Flats that appeal to every budget and lifestyle are available in this project.

The project has the quality and brand value that will enable the redefinition of Kucukcekmece's most popular and peaceful neighborhood with its architecture and prestige.
