PROPERTY DESCRIPTION

This project exceeded all expectations, redefining comfort, normalizing privileges and giving prestige a whole new dimension.

It depicts a fairy-tale life in its most realistic way, with residences sized for every taste, architecture embracing the Belgrad Forest, central location and a shopping street that brings the world to your feet. This project is the one that fascinates Istanbul.

Luxury Investing

The project contains 142 residences with different types of 1+1 to 8+1, in addition to 7 detached villas.

Windows that wink at nature, doors to prestige, social areas enjoying new friendships, stores offering the world's fashion to your liking, and endless privileges are waiting for you in this project.

A unique design that incorporates all the technological possibilities required by the age and brings modernism together with nature.

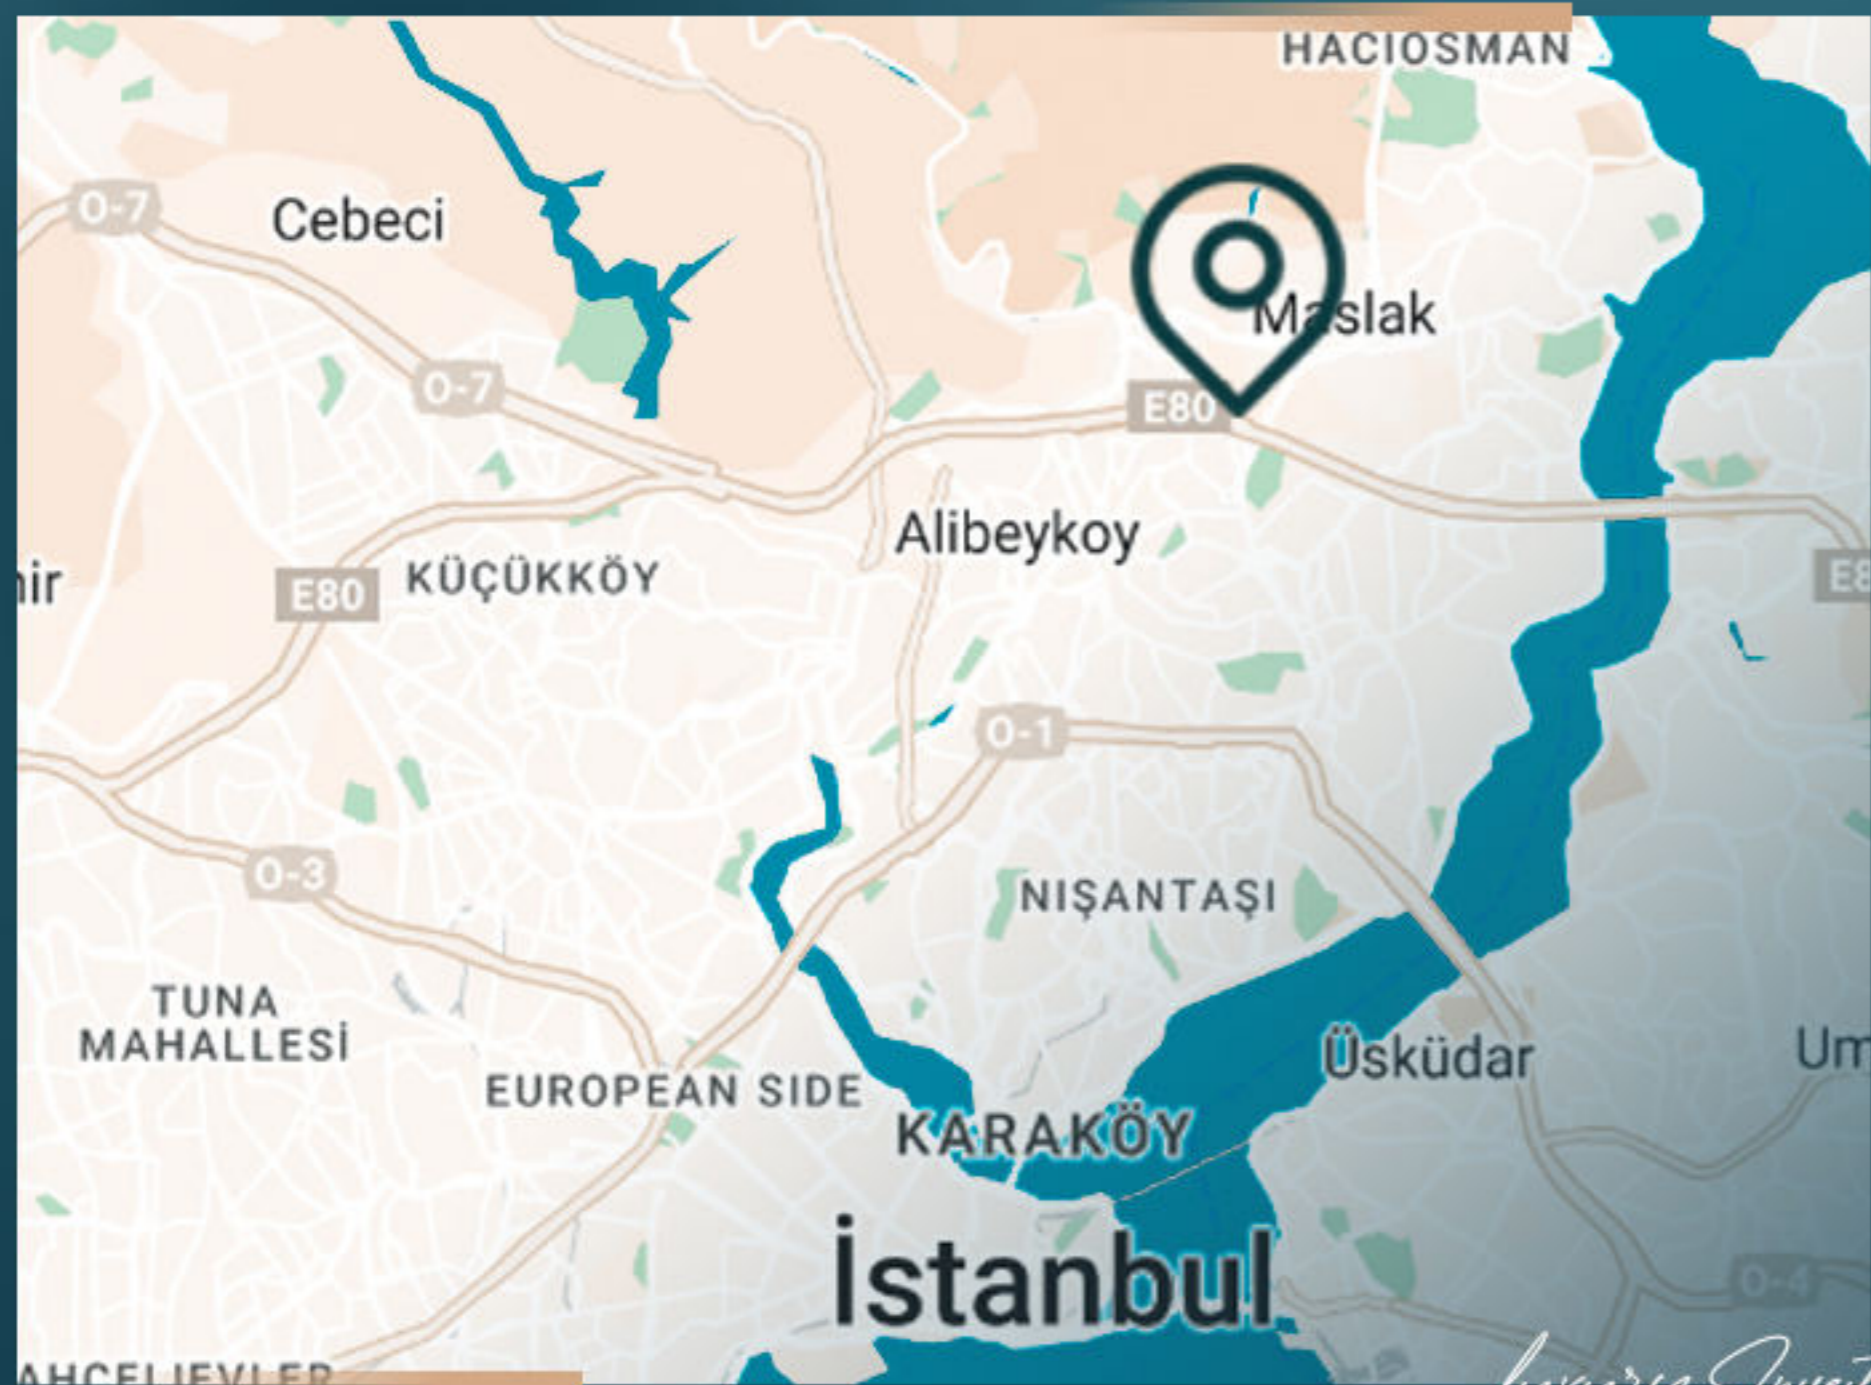

Luxury Investing

A unique life created by a well-known construction company. Much more than seen and experienced so far.

The unique Belgrad Forest is right in front of you, and the freshness that fills you every moment you breathe. The sounds of our little, cute friends accompanying your children's games in your ears.

The halls filled with peace are a unique combination that blends the energy of the city with the tranquility of nature.
