PROPERTY DESCRIPTION

The project has a special location in the heart of the city that is becoming more and more valuable every day.

Welcome to your life in Istanbul, with the sense of quality standards and trust.

All this has been brought together at the same address to offer you everything you expect from Istanbul in the best way.

Luxury Investing

The project is located in the most rapidly developing and improved district of Istanbul, in Kagithane.

Kagithane, which has become the rising value of Istanbul with the projects and investments implemented recently, is developing and becoming valuable every day. It is becoming one of the indispensable points of Istanbul with its location providing direct and fast access to the most important elements of Istanbul's daily, social and commercial life through the main arteries.

Luxury Investing

The project, rising with 4 blocks in a total construction area of 105.000 square meters on Cendere Street in the center of Kagithane, is relining its quality and living standards.

The project consists of 108 residences and 11 executive apartments in 12 different types, offering its residents an efficient and quality daily life.

The project, which includes office, residence, hotel, food and beverage and shopping functions, which are the most important elements of our daily lives, takes the region to the next level in the Istanbul real estate market.
