PROPERTY DESCRIPTION

The developer of this project is one of the most famous and reliable construction companies in Turkey.

In this project, a commercial part is built for your work, and a residential part has been designed for your prosperous life.

The total area of this project is 6000 square meters, which includes 1 block and 7 independent villas. This single block includes 54 residential units, and 41 offices, in addition to 5 shops.

Luxury Investing

Residential units in the project have different types of 1+1, 2+1, and 3+1. All units have balconies and terraces, and of course different plans.

Life in this project has been designed for you to fulfill all your needs.

The project offers spectacular views of the Kagithane river.

A luxury riverfront apartment thoughtfully designed inside and out.

With spacious interiors, top notch services and a prime downtown location overlooking the Kagithane river, this project enables you to live and work in a very comfortable atmosphere.

Luxury Investing

The project is under construction and it will be delivered by the end of 2024.

The project is located in the rising area of Kagithane. Kagithane is an up and coming district that has attracted increasing property demand, easily topping the list as one of Istanbul's most gentrified districts.

The project has a strategic location with access to all major transportation in the city.

Hospitals, educational institutions, shopping malls and other facilities are located in the project area.
