PROPERTY DESCRIPTION

Live your life at home with the privileges of a 5-star hotel in Bodrum.

Cruises await you to escape the chaos of life at this project.

Luxurious interiors that meet your personal preferences await you in this project.

The project's land area is 30.0000 square meters, and it is located in the center of Bodrum.

Luxury Investing

The project includes 55 residential units, including apartments, duplexes, and villas with different sizes ranging from 90 square meters to 558 square meters.

The project has a range of different house types including simple 1-room houses to independent 5-room triplex houses to meet different expectations.

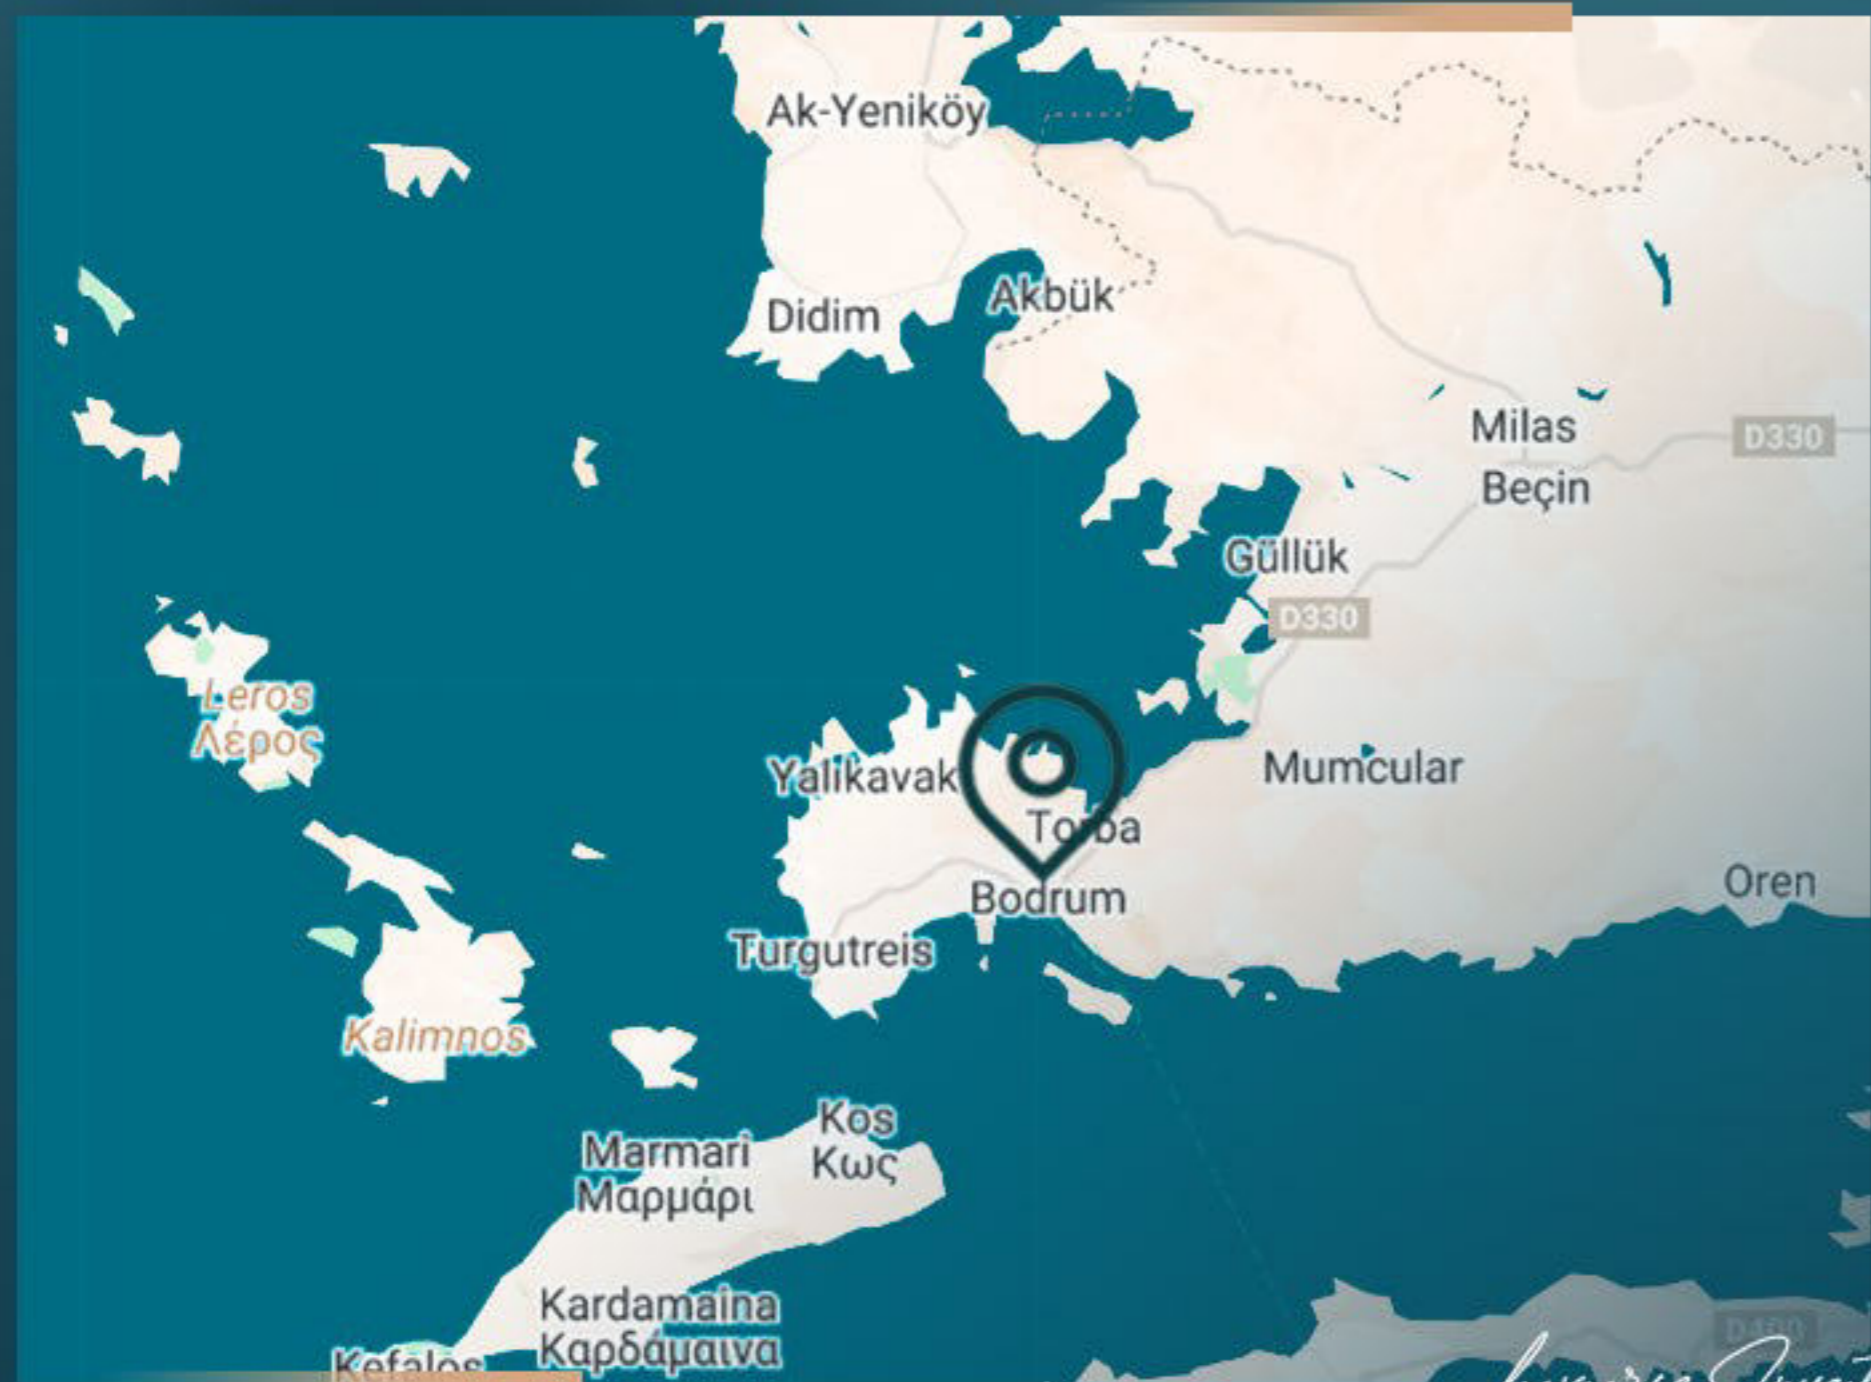

The project was created in a minimalist style where modern exterior architecture in harmony with nature meets comfortable aesthetic details.

The construction company of this project has made an impressive impression in many projects in Bodrum. Its design approach combines function and aesthetics and meets the most sophisticated details in interior architecture. Quality is at the forefront in material selection and workmanship. Every detail of the interior architecture of the distinctive homes has been planned for your comfort.
