A Future-Proof Investment

The growing demand for villas in Bodrum — especially those near the airport and natural surroundings — makes this project a highly attractive investment. Whether for short-term rental income or long-term appreciation, the combination of luxury, prime location, and integrated services ensures sustainable returns.

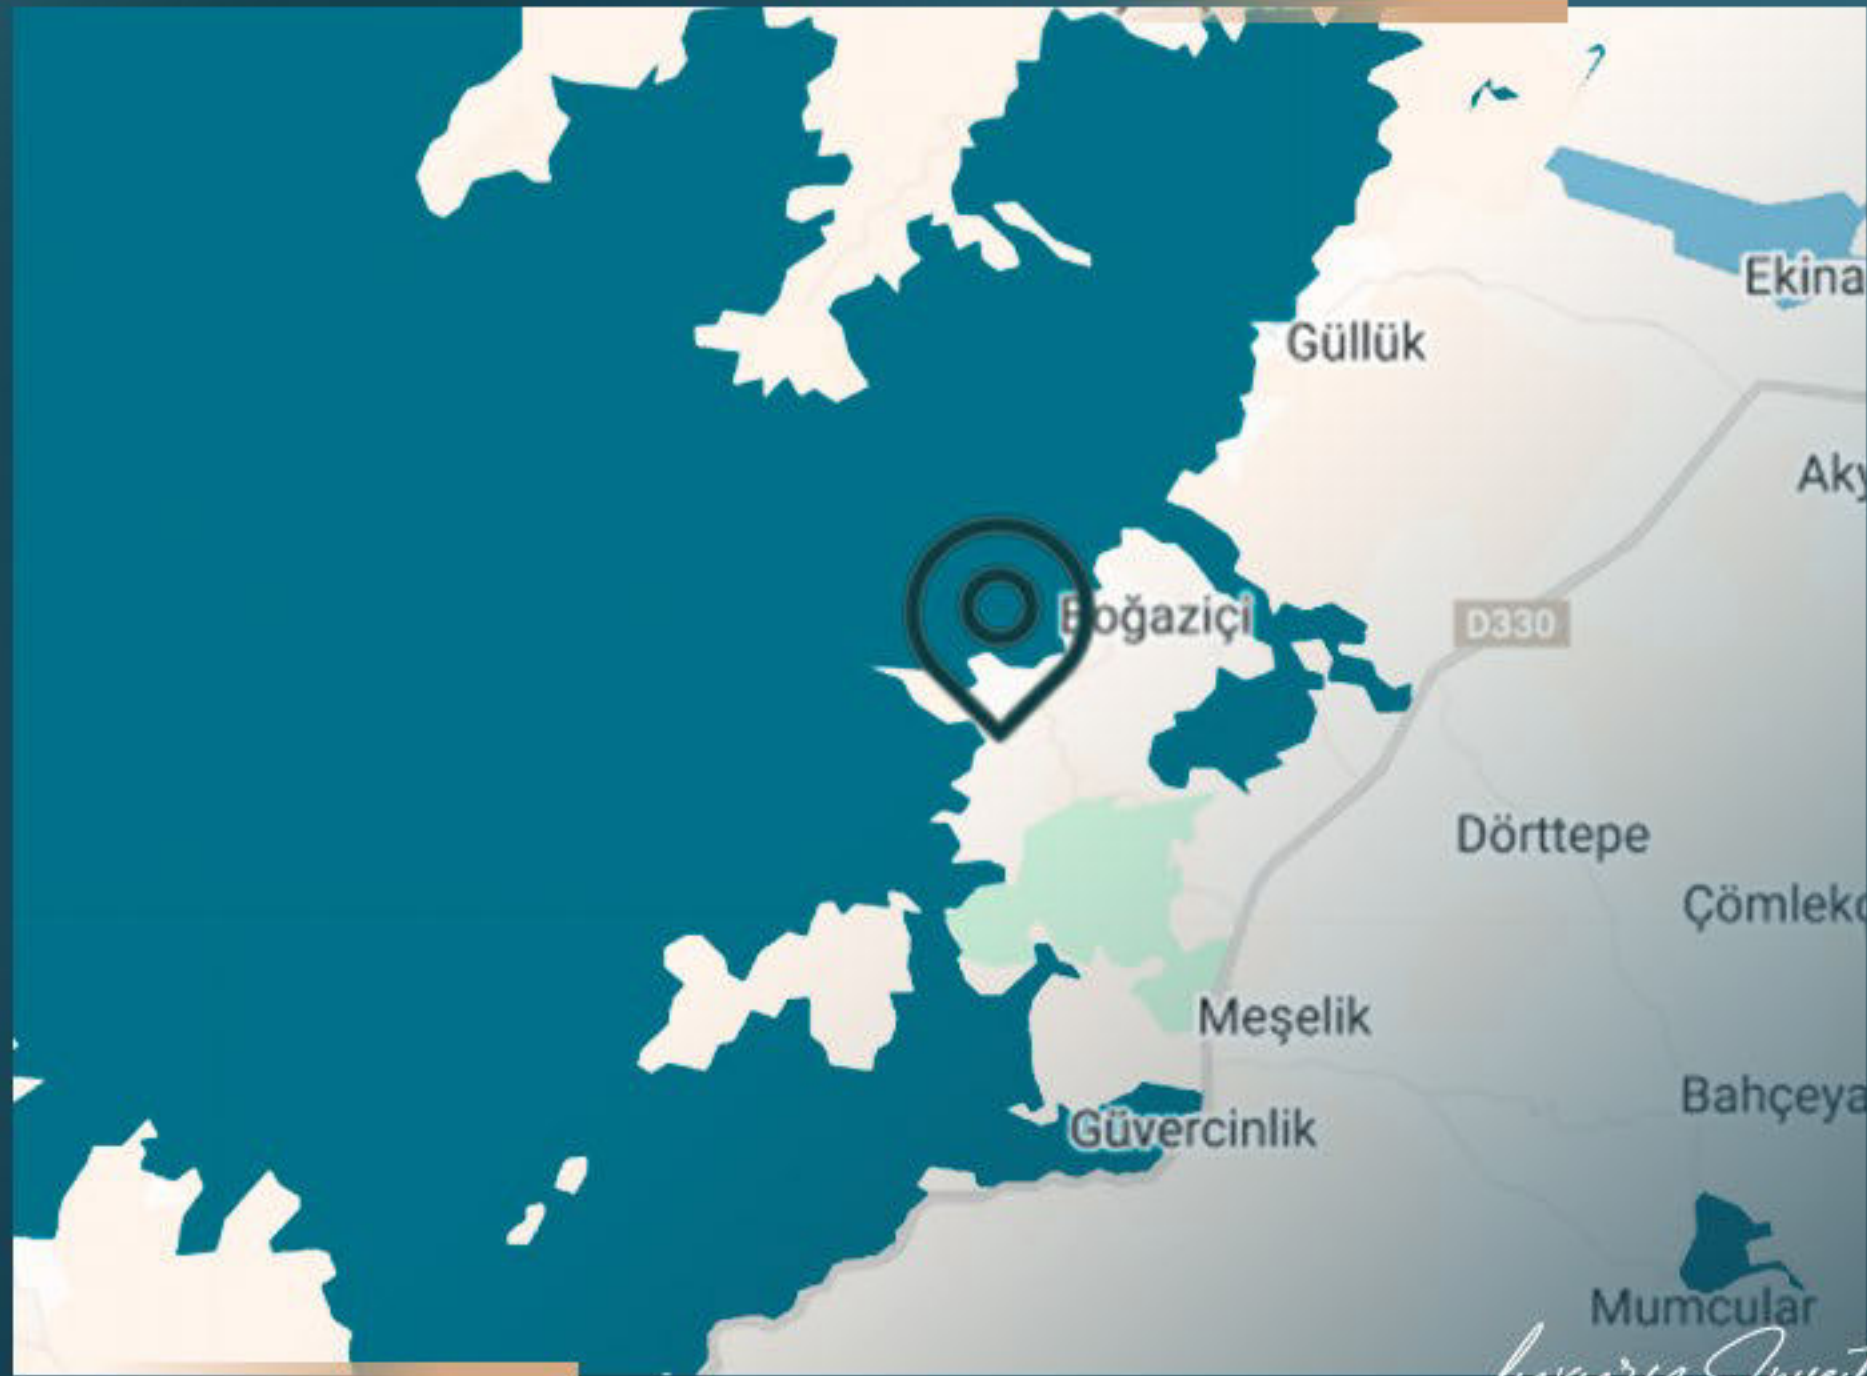

Spanning 20.000 square meters, the project consists of 100 standalone villas featuring elegant architectural design that blends modern aesthetics with local character.

80 Duplex Villas

20 Triplex Villas

Each villa is carefully positioned to maximize panoramic views of nature, with many enjoying direct vistas of the serene nearby lake — creating a unique sense of privacy and peace.
