Luxury project in Bodrum with various housing options

LS173

Milas, Bodrum

LS LUXURY SIGNATURE

luxury living

Property Description

The project has an area of 42 decares, and it is surrounded by unique natural beauties

This project has been designed to make your dreams come true

The project offers a privileged life opportunity for everyone who wants to experience Bodrum and dreams of a better future

You can easily reach the beach, restaurants, cafes and shopping centers whenever you want, and enjoy everything Bodrum has to offer

luxury living

luxury living

The project gives importance not only to today's needs, but also to the future

Built with sustainability and environmentally friendly design principles in mind, this project offers many innovative features to protect nature

Equipped with environmental sustainability solutions such as solar energy systems, energy efficiency and water recycling, our project aims to offer you a clean future

The project consists of 119 modern and spacious 2+1 flats, 60 commercial units, and stylish 3+1 twin villas, and 20 4+1 villas with private pools

Each unit has been carefully designed and equipped with details reflecting your taste

luxury living

One of the fascinating features of this project is that it offers the opportunity to discover the unique beauties of Bodrum

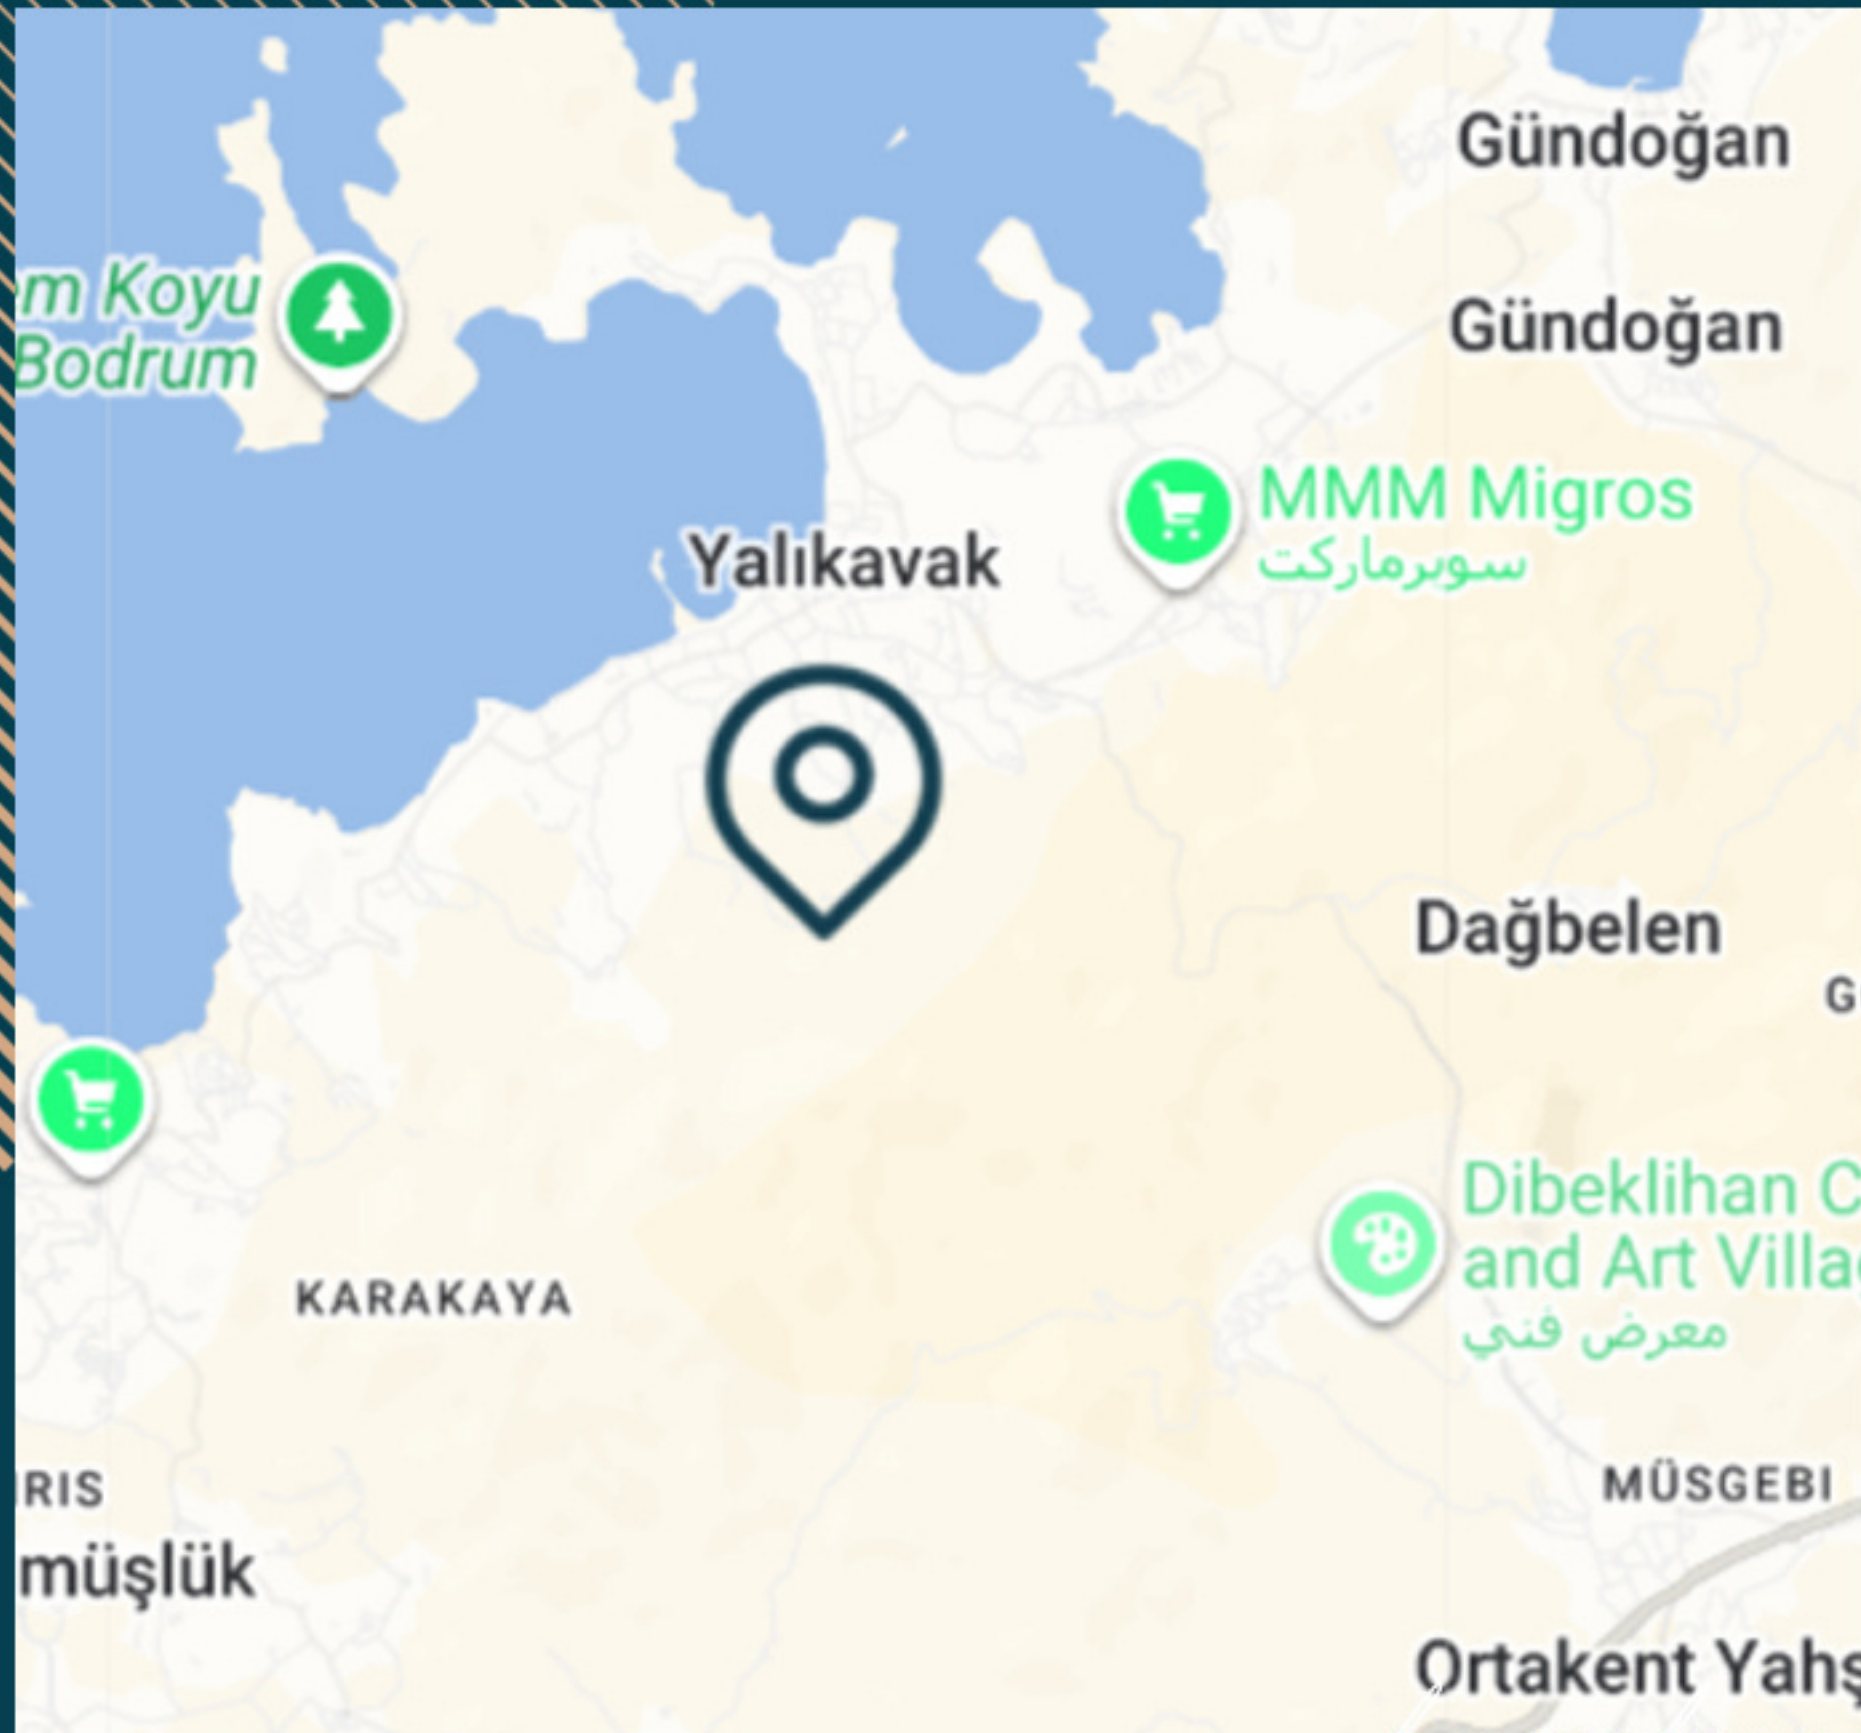

Famous for its unique sun, deep blue water, and historical heritage, Bodrum offers a lifestyle that will fascinate you

The project stands out not only with its perfect location, but also with the privileges it offers

Each villa was built with modern and stylish designs, quality materials and meticulous details

Large balconies and terraces allow you to enjoy the unique view of Bodrum

The project includes a number of facilities, such as swimming pools, children's playgrounds, green parks and recreational areas, that offers you a pleasant life with your loved ones

Property Location

During the last few years, Milas has become one of the most attractive areas for real estate investment in Bodrum, especially with the urban expansion that has taken place in the area and the new residential projects that meet various needs, from small apartments to independent villas
