PROPERTY DESCRIPTION

This project stands out with its great earning potential for both residence and investment purposes.

By adding value to Istanbul with its innovative design and quality construction principles, the project is waiting for its new home owners.

Luxury Investing

It is rising on an area of 8.207 square meters, where living spaces aiming to integrate with nature and exist in harmony were designed.

It is a new project close to the center of European Istanbul, consists of 3 blocks and contains 264 apartments, in addition to 23 commercial units.

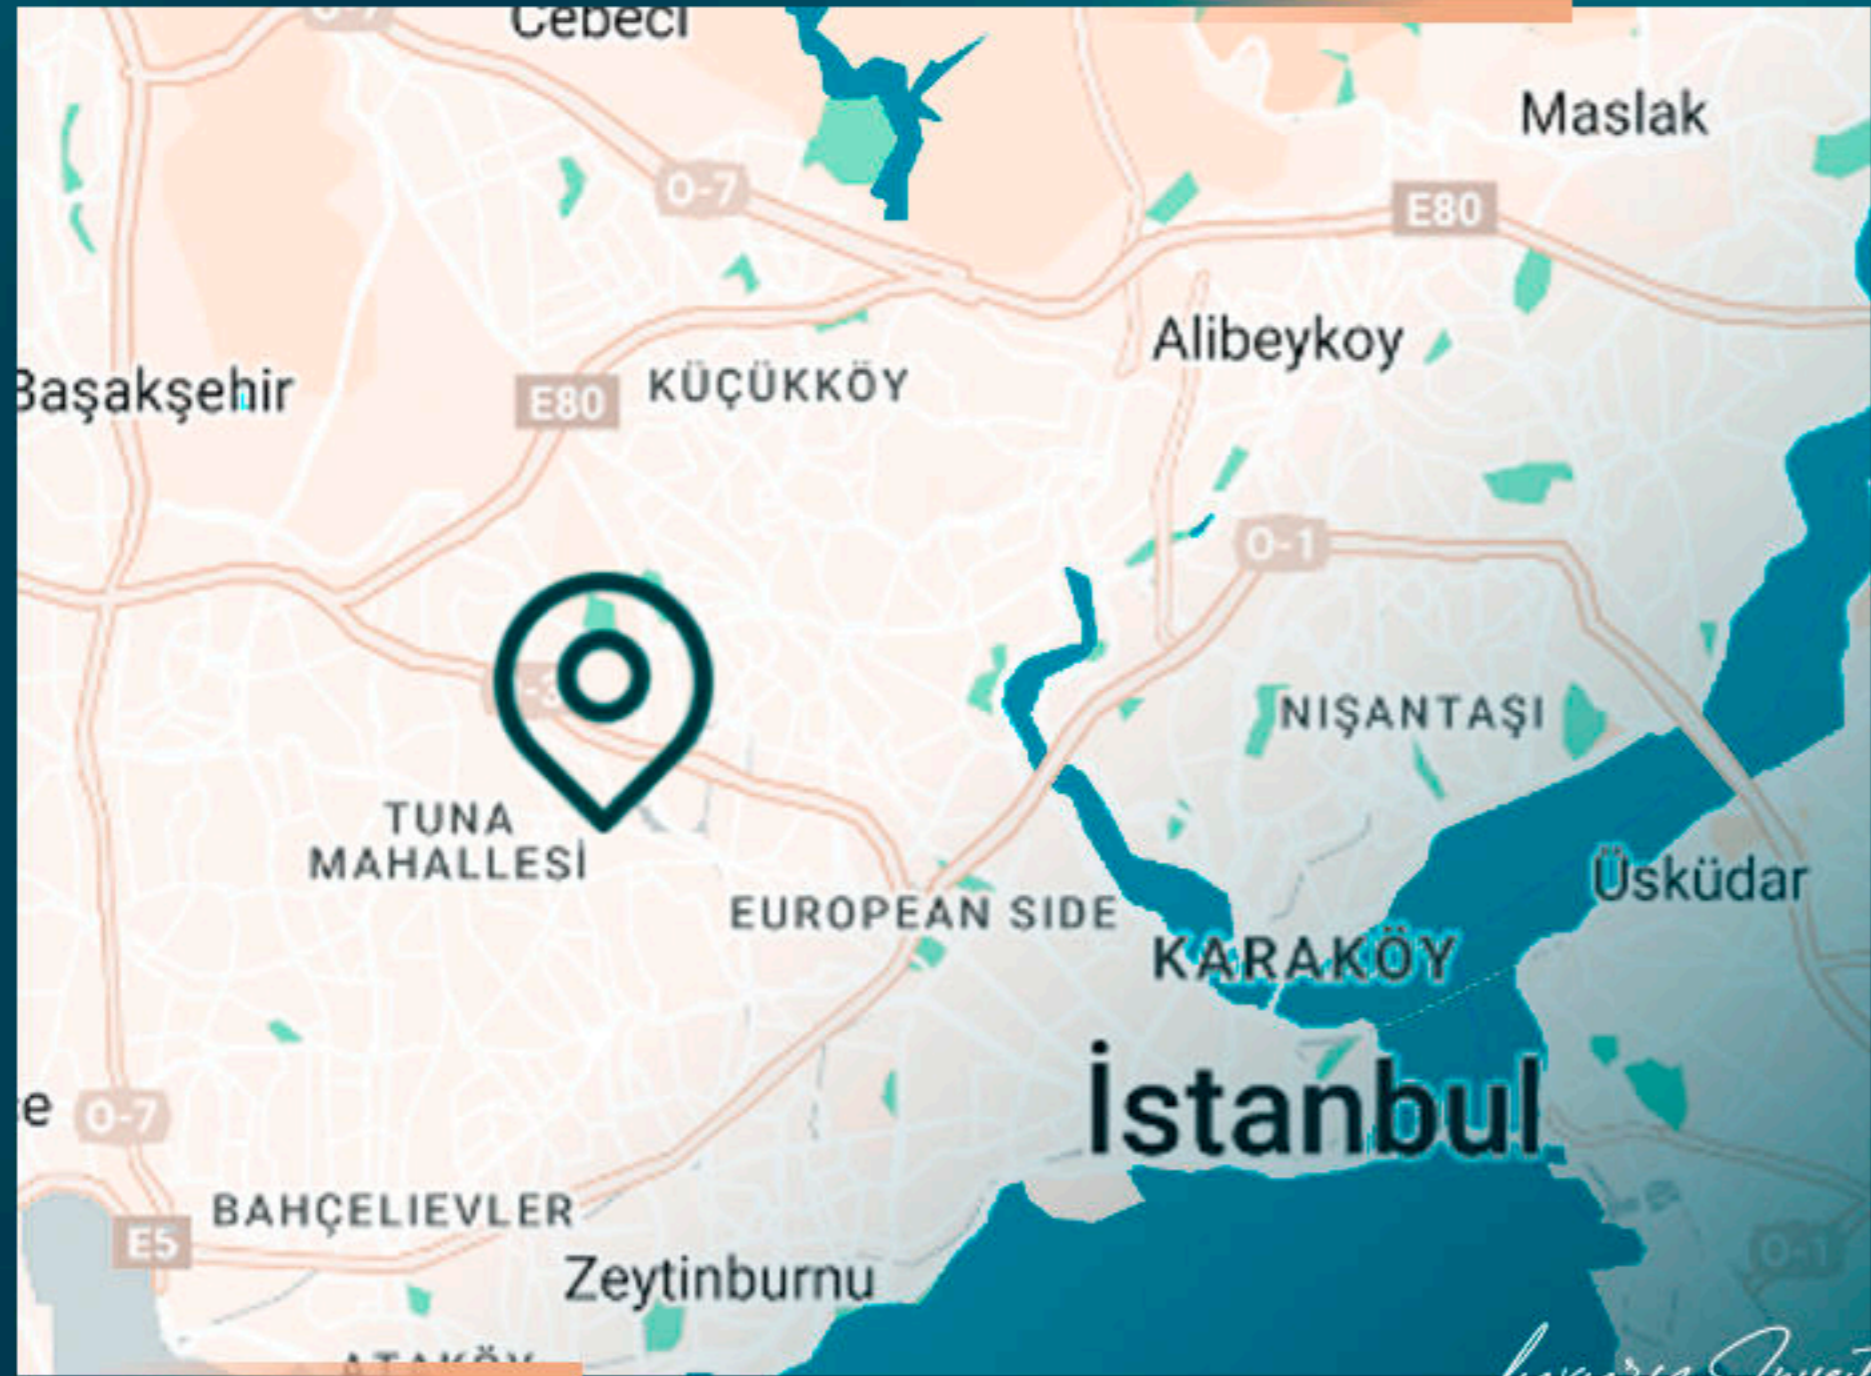

The green area and landscape areas of 3.750 square meters allow you to take a deep breath away from the congestion of the metropolis, feeling the freshness of nature at home every time you open your door.

Luxury Investing

It offers you the privilege of touching nature in the heart of Istanbul.

The project offers extensive social opportunities to add value to the lives of home buyers. Facilities such as sauna, swimming pool, Turkish bath, hobby and Playstation rooms have been developed for you in the social living areas of 1000 square meters. The residents of the project will live their best time.
