# PROPERTY DESCRIPTION

It is located in one of the most special locations of modern areas in Beylikduzu district, on the European side of Istanbul.

The project is located close to West Istanbul Marina, one of the most modern and luxurious marinas in Istanbul.

The project draws attention with its proximity to the sea, the public gardens and the highways.

The project is located directly on the side of the Vadi Yasam Park, which is one of the largest parks in Istanbul.

This project has a land area of 6.000 sqm. It consists of 9 buildings, each of 3 floors, and includes 104 apartments of the types 1+1, 2+1, 3+1 and 4+1.

Some apartments in the project have balconies, where you can enjoy the charming views of Marmara sea.

The project includes social facilities such as car parking, sauna, sports club, games yard, indoor swimming pool, in addition to the security services.

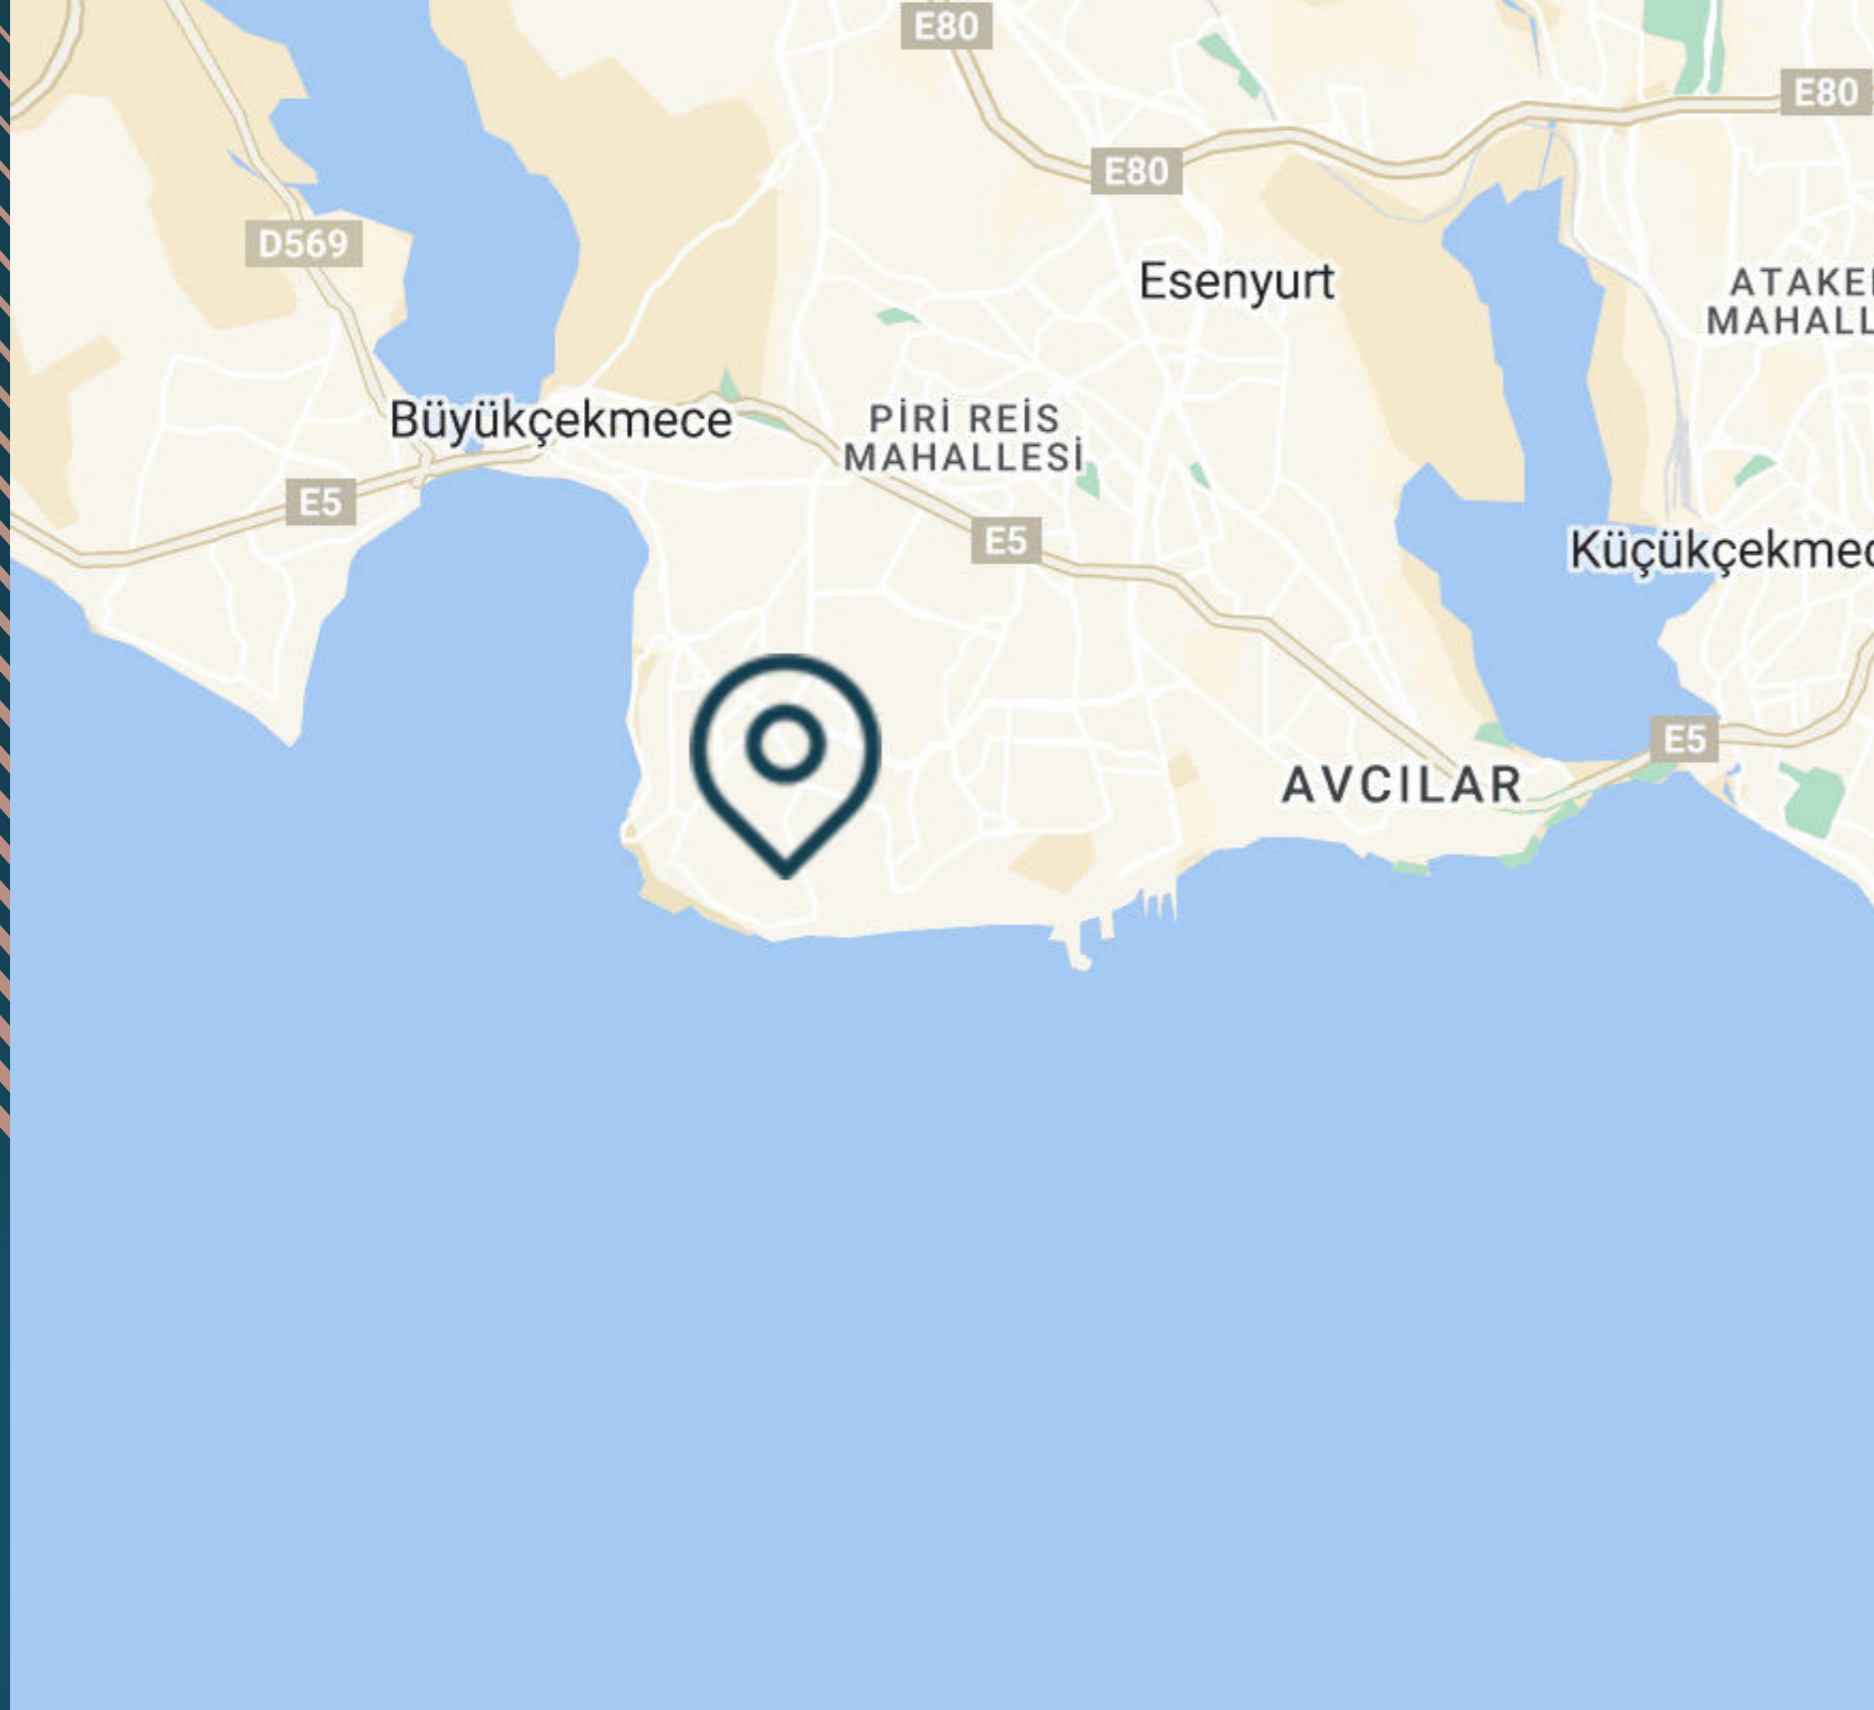

With its landscaping areas that host the most beautiful form of green, its indoor full social facility and living areas, this project represents the common address of pleasant moments.

In this full of life project, every moment is very special, and every moment is beautiful.

The project has a modern architecture style, where you will live in safety with your loved ones and feel the difference in every detail.

The project is under construction, and it will be delivered on 12/2024.
