PROPERTY DESCRIPTION

Located in the enchanting atmosphere of demirbuku, this project is the perfect getaway for those who wish to unwind whilst experiencing the harmony of nature and modern luxury.

Luxury Investing

A captivating setting where Bodrum's lush greenery and turquoise waters cross paths, the project is situated right in the center of this magnificent location. Designed to capture the perfect combination of opulence and serenity, this project oozes a peaceful balance between the luxurious ease of a modern villa and a secluded Aegean escape.

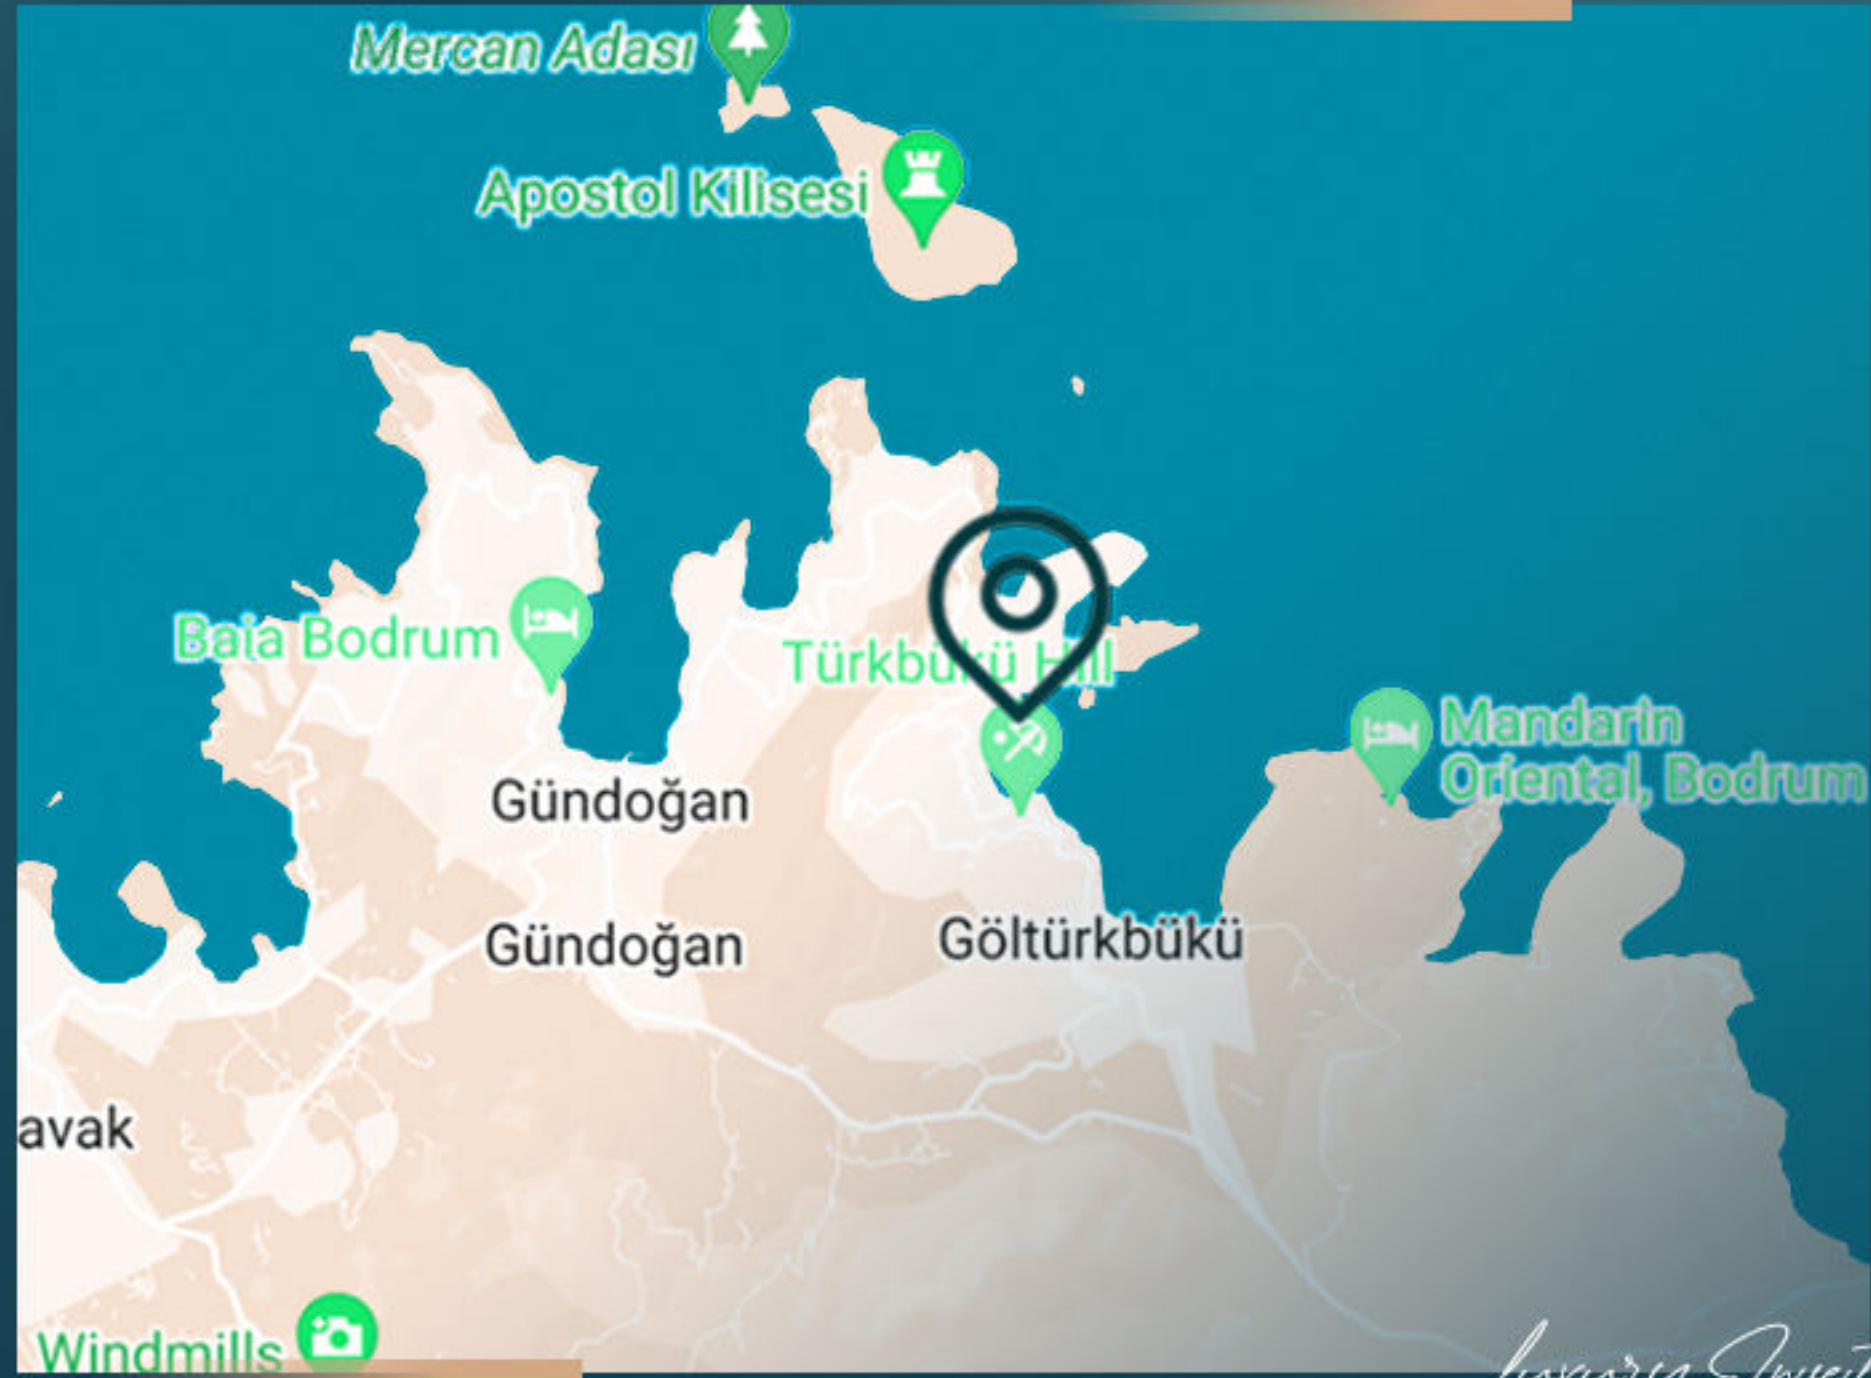

Standing out with its impeccable views of the Aegean and picturesque flora, the project's convenient location and proximity to the most beautiful coasts of Bodrum provides its residents with unmatched comfort.

Luxury Investing

With its tranquil living spaces and extraordinary natural surroundings this project offers an isolated yet connected environment.

Stretching over an area of 67 thousand square meters, this project offers its residents so much more than a gated community. The neutral tones and natural materials used in the design of the 45 villas mimic the natural habitat without sacrificing comfort and quality, creating a contemporary and luxurious interior design concept. Ideal for living all year round, this project offers its residents impeccable service standards that are combined with a matchless environment.
