PROPERTY DESCRIPTION

These houses come to add joy to your life with its architectural concept that inspires the region it is located in, its integrated central location and prestigious comfort.

Every detail has been considered for a comfortable life in this project, which will offer "brand new" ideas to the region, comfort and architecture in which it is located.

Luxury Investing

The total land area of the project is 4.004 sqm. It consists of 3 blocks of 9 floors, and contains 96 apartments and 20 commercial areas.

The total apartments offered by the project is 96 apartments as we mentioned before, 84 of the type 1+3.5 and 12 of the type 1+5.5, suitable for different lifestyles.

The project offers its residents a variety of social facilities to enjoy their residence, including a closed swimming pool, fitness center, cafe, children's playground, mosque, in addition to a closed car parking area, and security services.

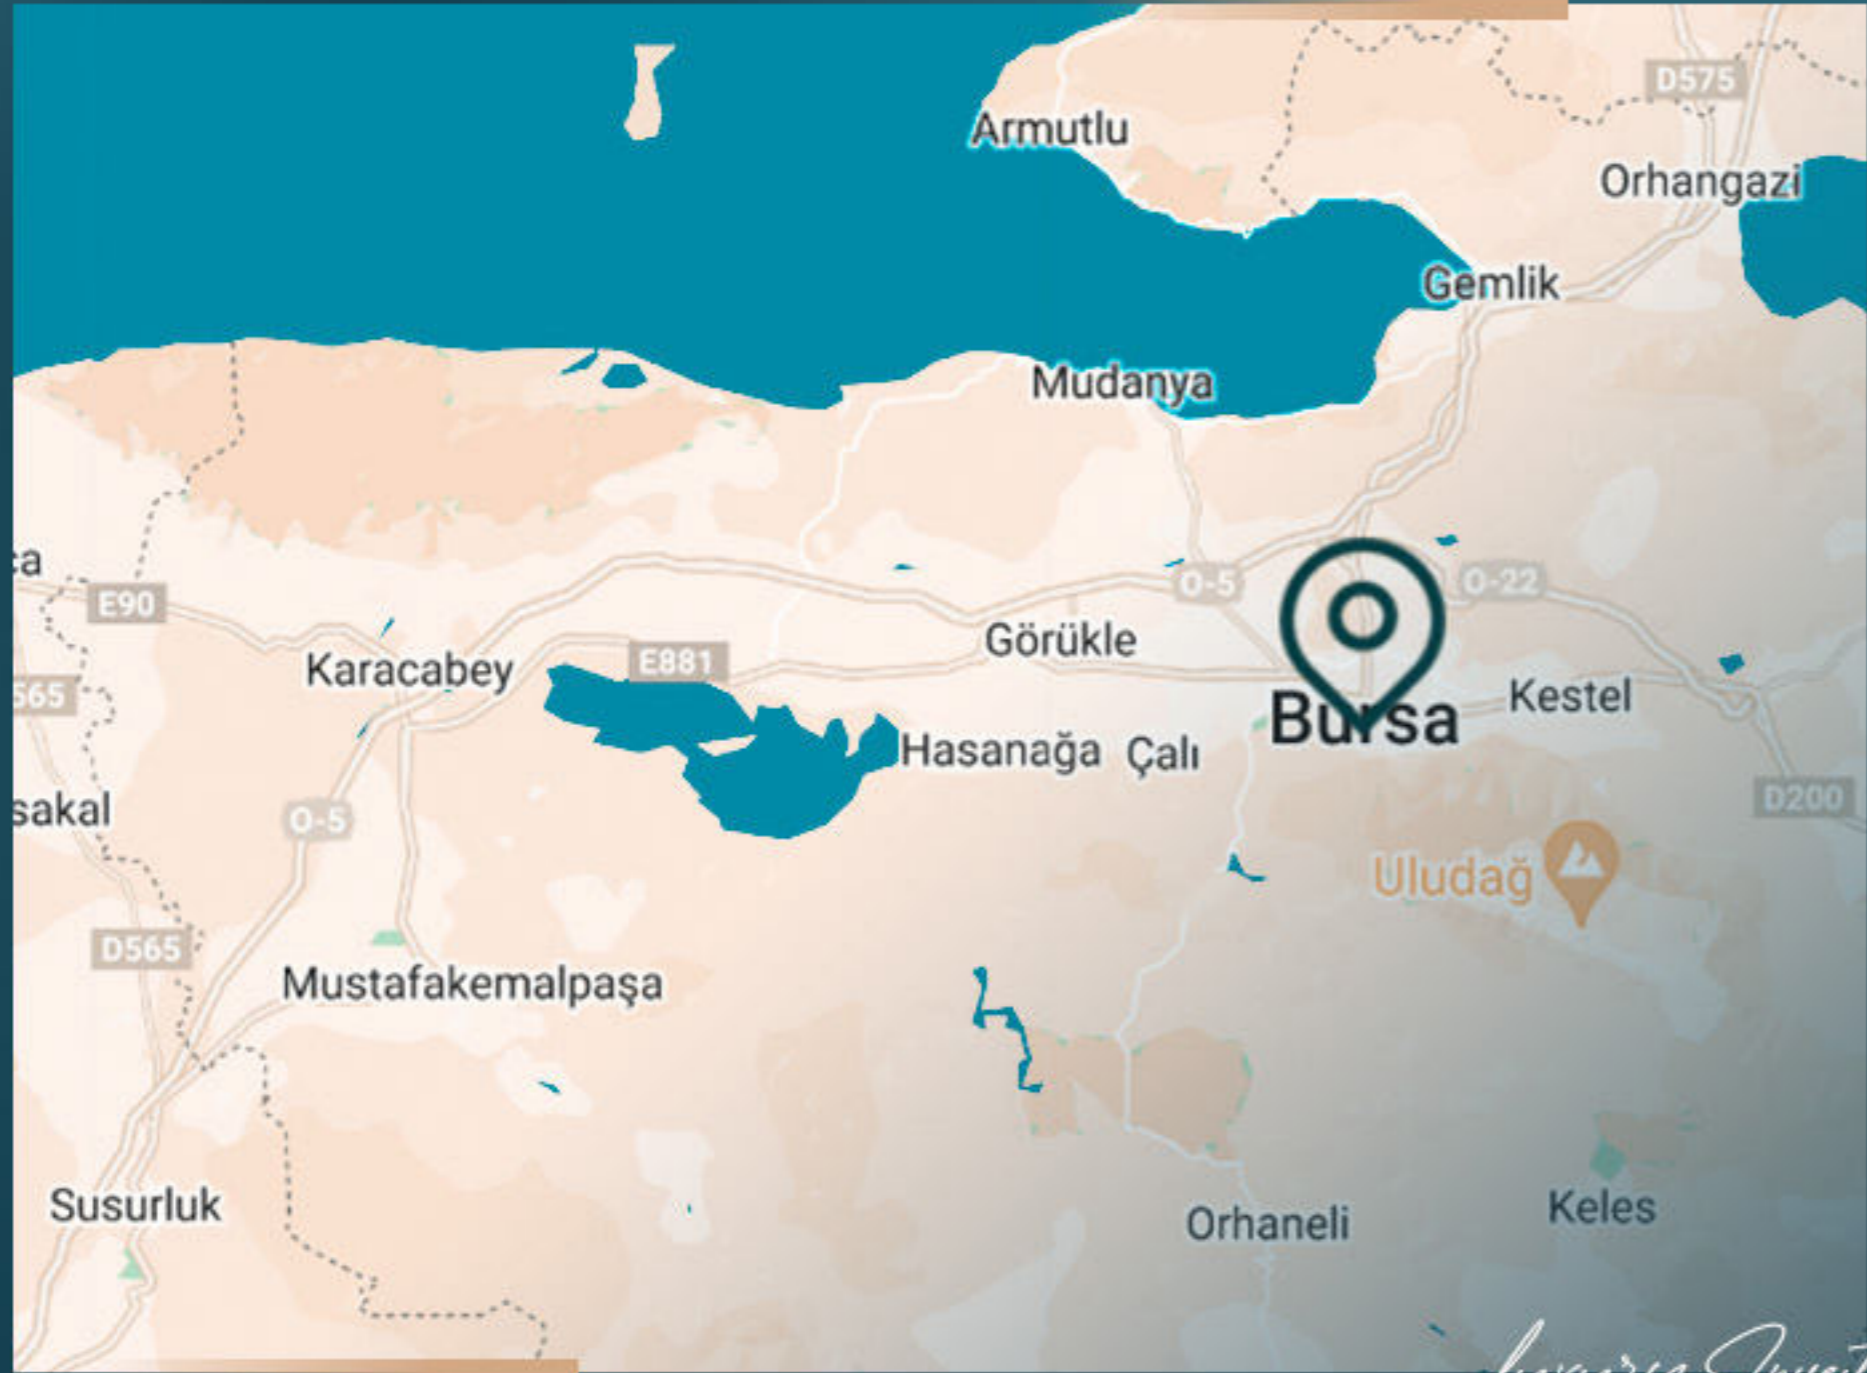

Luxury Investing

You can reflect your own style with useful space solutions. In this project, where we design your dream homes with high-level materials and workmanship, you will feel comfort and quality in every detail you use, from the apartments to the common areas, from the social facilities to the parking lot.

Combining innovative and modern architecture with earthquake-resistant building design, the project offers every detail for comfortable life.
