PROPERTY DESCRIPTION

A residential project built on a land area of 36.750 square meters, consisting of 11 buildings, 935 apartments and 18 commercial units.

The project offers different apartment options, including 1+0, 1+1, 2+1, 3+1 and 4+1.

The project is located on the TEM highway in Seyrantepe near the Bosphorus Bridge and Turk Telekom Stadium.

The location of the project is very valuable near the important central areas such as Sariyer, Maslak and Levent.

In this project, our goal is for you to live happy, as within the project there are walking paths, gardens, outdoor sports fields, children's playgrounds and many more, so that you can spend quality time with your loved ones in the social facilities and enjoy life.

The project overlooks the Belgrade Forest, which is one of the beautiful green areas in Istanbul.

The project contains 18 stores and shops, where you can shop in stores or have a good time in cafes. You will live the luxury of having all your needs met close to your home.

This project is a residential project, therefore, it is designed with a horizontal architectural approach, which is more suitable for housing. Everything was planned with residents' comfort in mind.

The project is located in Seyrantepe district, one of the valuable neighborhoods in Istanbul, in the heart of the city. So it is very close to the important Istanbul roads and public transportation. This feature is one of the most important features of the project.
