PROPERTY DESCRIPTION

Luxury Investing

Cennet Koru is one of the distinguished residential projects in Küçükçekmece, Istanbul, combining a strategic location, extensive green spaces, open lake views, privacy, and a complete range of social facilities.

Designed to offer a refined lifestyle within the city, the project provides residents with a peaceful living environment while maintaining easy access to Istanbul's key business districts, transportation networks, and essential services. This makes Cennet Koru an attractive choice for both comfortable family living and long-term real estate investment in Istanbul.

A Luxury Residential Project in Küçükçekmece

Cennet Koru is located next to one of the largest green forest areas in the region and offers impressive views of Küçükçekmece Lake.

The project brings together modern architecture, landscaped gardens, water features, and spacious residential units to create a calm and healthy environment away from the noise of the city.

It was developed by Keleşoğlu Holding, one of Turkey's established real estate developers, with experience dating back to 1979 and a strong portfolio of successful residential, commercial, and mixed-use developments.

Project Specifications

Cennet Koru is built on a total land area of approximately 30,328 square metres, with around 21,000 square metres dedicated to landscaped gardens and green areas.

The project includes:

- 408 residential units
- 25 commercial units
- Parking capacity for approximately 700 vehicles
- Extensive landscaped gardens
- Social and recreational facilities
- Sports areas
- Walking and relaxation spaces

The low-density layout and generous landscaping create a private residential atmosphere with plenty of open space for residents.

Why Invest in Cennet Koru?

Cennet Koru brings together many of the factors international and local property buyers look for when purchasing real estate in Istanbul:

- Strategic location in Küçükçekmece
- Views of Küçükçekmece Lake
- Easy access to Marmaray and Metrobus
- Extensive green areas
- Family-friendly residential environment
- Comprehensive social facilities
- Spacious apartment layouts
- High-quality construction and finishes
- Strong developer reputation
- Potential rental demand
- Suitable for residence and long-term investment

The combination of transportation access, lake views, social amenities, and a large landscaped setting can support both quality of life and future property value.

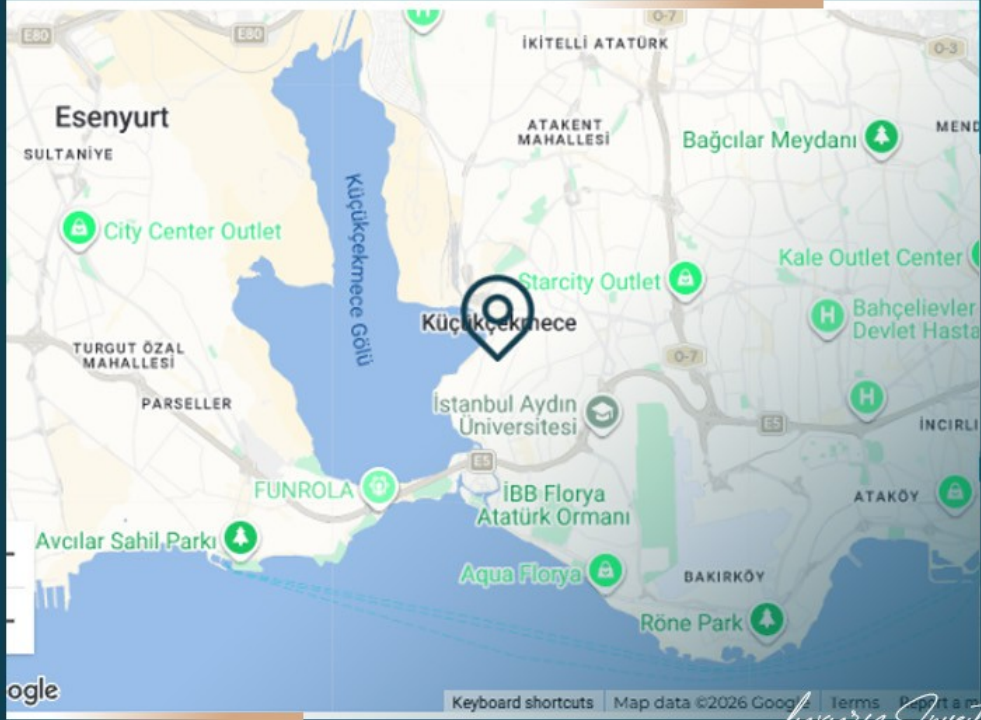

A Refined Lifestyle and Valuable Real Estate Opportunity

Cennet Koru is more than a residential complex. It is a complete lifestyle project combining modern homes, natural surroundings, family-oriented facilities, and a connected Istanbul location.

Whether you are searching for a luxury apartment for sale in Istanbul, a lake-view property in Küçükçekmece, a comfortable home for your family, or a promising real estate investment in Turkey, Cennet Koru offers a balanced combination of lifestyle, accessibility, and investment potential.
