PROPERTY DESCRIPTION

The four keys to a good life: the neighborhood culture that nurtures social life, easy and quick access to transportation, a marvelous sea that will always be part of your days, and the green playgrounds that will allow your children to enjoy the time of their lives. These all come together in this project.

The neighborhood culture that you have missed has been revived in the (Stone Square) in this project. The historical buildings that bring Istanbul's urban fabric are becoming a part of daily life with cultural and social events.

The historical buildings in this project were restored to their original design. They include a culture and arts center, fashion design workshop, music school, kids' club, restaurants, design boutiques and lofts.

The lofts in this project, which earned the best interior architecture award in Europe, offers the comfort of a detached home.
