PROPERTY DESCRIPTION

The project has been constructed by TOKI, one of the key players in the construction sector in Turkey.

Owning a unit in this project is not just a financial investment, it's an opportunity for a tranquil, community-centric lifestyle.

The project has been constructed to meet the latest, world-class earthquake and disaster resistance standards.

Luxury Investing

The project has been constructed and completed on an area of 16.131 square meters. The project is located 200 meters away from the Halic coastline in the center of Istanbul.

The project consists of 16 blocks, of 7-4 floors, and it includes 418 apartments and 20 commercial units.

The apartments offered by this project are of the types 1+2 ,1+1 and 1+3.

A stunning view of the Halic (Golden Horn), right from the comfort of your home.

The project is ready to move and it is suitable for Turkish citizenship.

The project has been designed with family at its core, fostering connections and creating lasting memories. It is suitable for families as it includes social facilities such as a swimming pool, fitness center, sauna, Turkish bath, massage salon, walking paths, children's playground, in addition to security services and a closed car parking area.

The project is located in the center of European Istanbul, in Beyoglu district.
