THE MAIN SERVICES

Topkapi, Istanbul

REAL ESTATE INVESTMENT

PROPERTY DESCRIPTION

Live in luxury in the heart of European Istanbul, specifically in the Topkapi neighborhood of the municipality of Zeytinburnu, the ancient region with its tourist and archaeological attractions.

From the first moment you step into this project, you will encounter a pleasant melody about Istanbul in your ears, a pleasant breeze on your skin, and a magnificent and elegant view of the life you miss in your eyes.

Luxury Investing

The project offers living spaces built with all today's facilities and interpretations and shaped with traditional architectural touches.

The project is being built on a land area of 7.662 square meters, with a construction area of 36.000 square meters.

The project consists of 4 blocks with a height of 12-13 floors. One floor includes only 2 or 4 apartments.

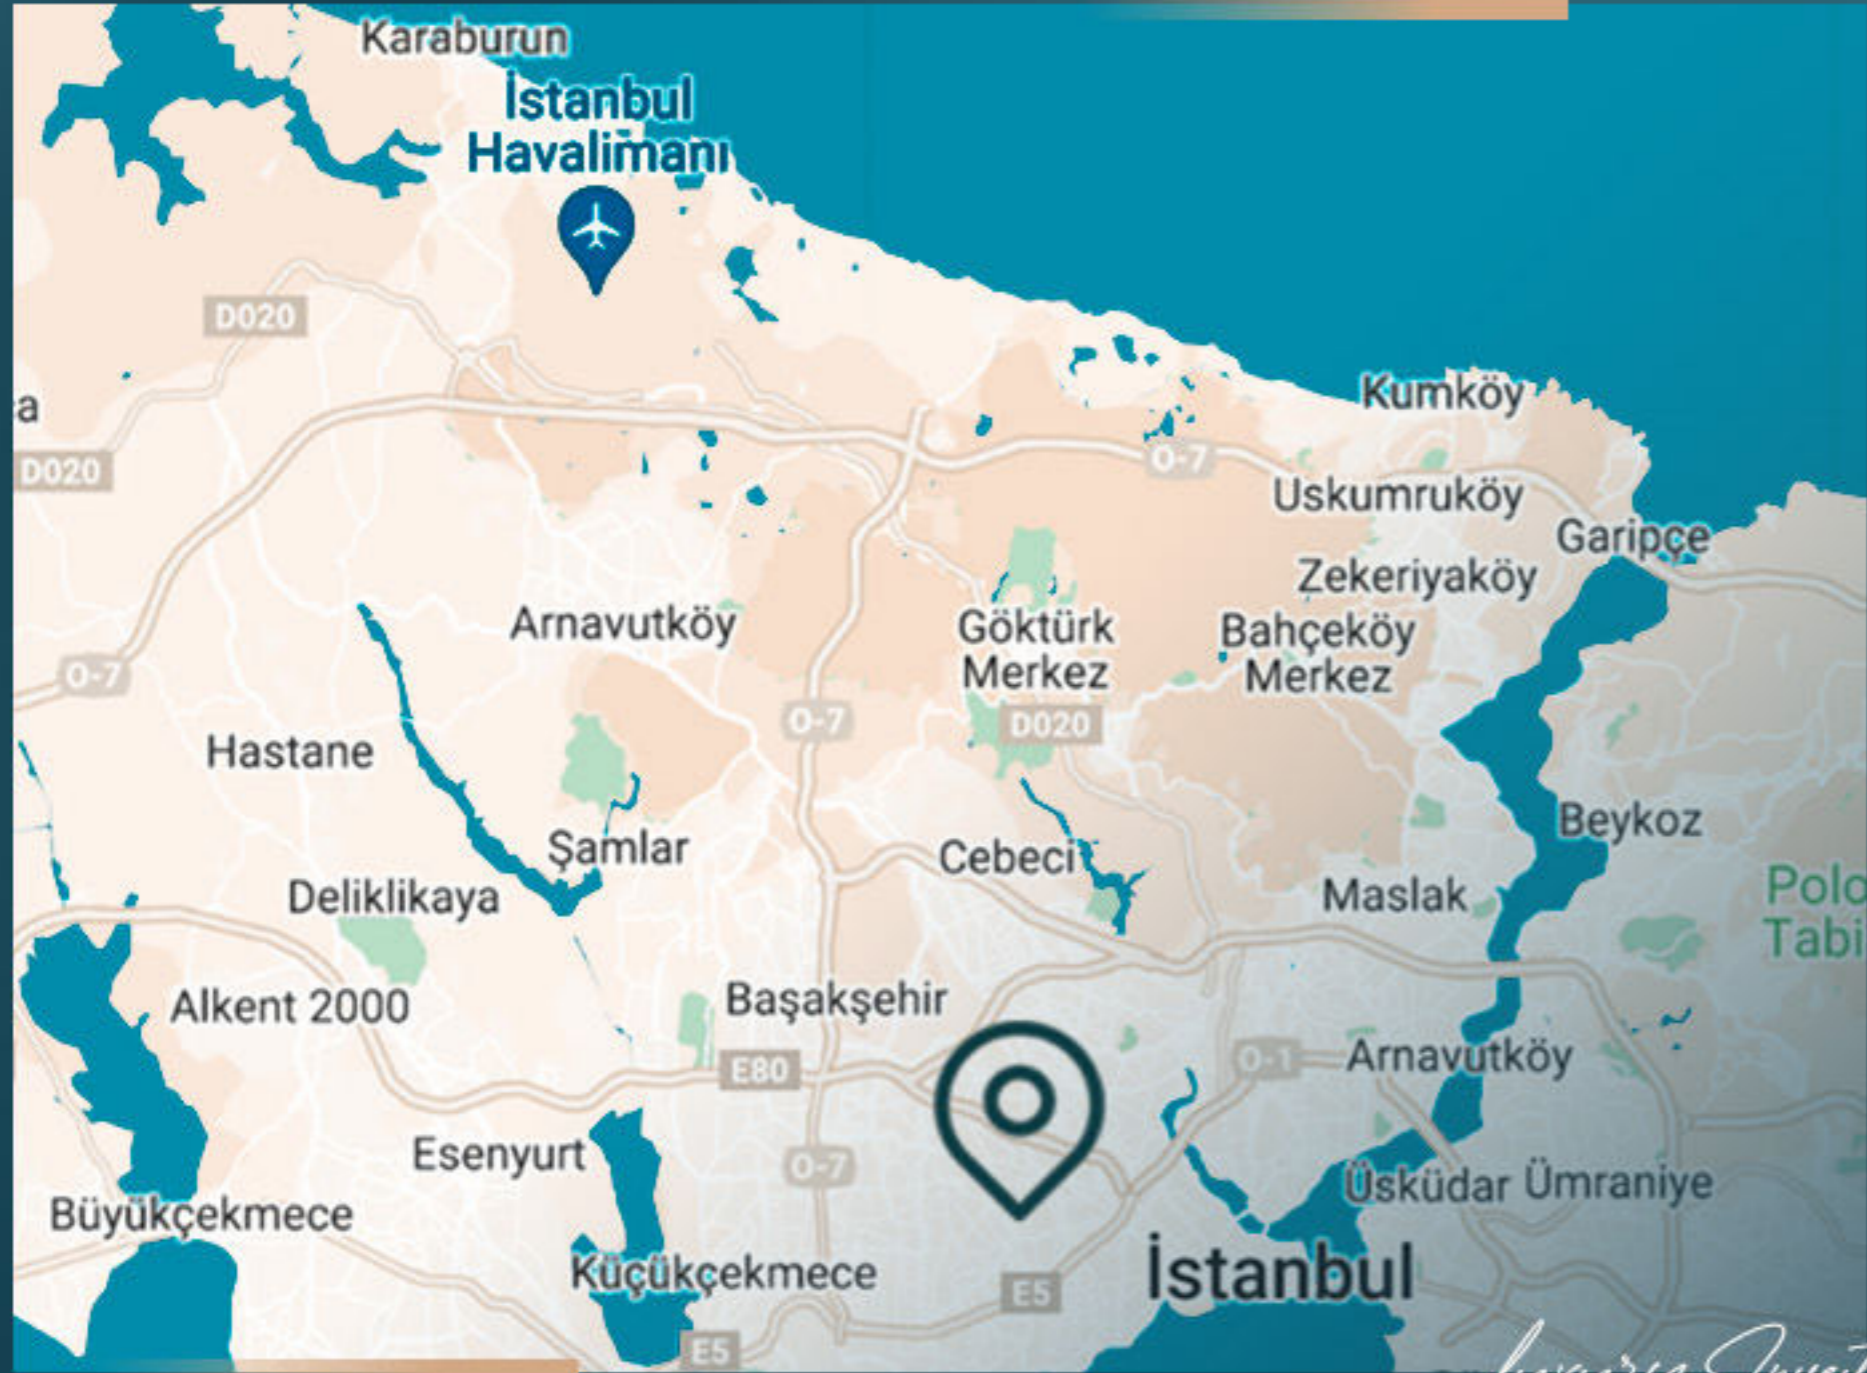

Luxury Investing

It is a project that includes 98 flats, 55 offices and 3 shops. The project offers apartment types of 1+3 and 1+5.

A family project par excellence, where comfort and luxury combined.

There is thermal and sound insulation between apartments.

The project is distinguished by its proximity to all services that will make life easier such as shopping centers, hospitals, schools and markets.
