PROPERTY DESCRIPTION

The project consists of 482 villas. Part of the project is ready and the other part will be ready in 2023.

The project has a view of Buyukcekmece Lake and Marmara Sea and is one of the most beautiful villa type projects; This of course means that he and his surroundings have and will have a stylish and prestigious population.

Another remarkable aspect is the green area of each villa; In this way, in addition to the large areas surrounding each villa, it gives psychological comfort to the viewer and this is a rare situation in Istanbul.

Each villa in the project has a large garden, with the capacity to add a swimming pool.

High-end villas with panoramic sea and lake view are waiting for you in this project.

Villas type in the project are 3+1, 4+1, 5+1, 6+1 and 6+2, with areas ranging from 286 sqm to 513 sqm.

All villas offered with underfloor heating and a smart system.
