PROPERTY DESCRIPTION

Luxury Investing

In this project, we provide you a privileged boutique life with your family and loved ones.

The project has a land area of 35.773 sqm, and it consists of 2 blocks of 19 floors, as each floor has 13 apartments.

This project invites you to a happy and enjoyable life. It opens its doors to you with 494 apartments of different sizes and types ranging from 1+1 to 3+1 and 22 shops so that you can experience the neighborhood life you have always longed for, together with your loved ones in Istanbul.

It's time to raise your expectations for a fit and healthy life. The landscape area in the project is 28.773 sqm. The project includes many social facilities, for a happy and healthy life, such as: outdoor and indoor swimming pool, fitness center, Turkish bath, sauna, tennis court, basketball court and children's playground.

You can take a real breath in a life isolated from the noise and stress of the city while you are in Istanbul. This unique project is completely surrounded by groves and the clean air that redefines the standards of living in the center of the city.

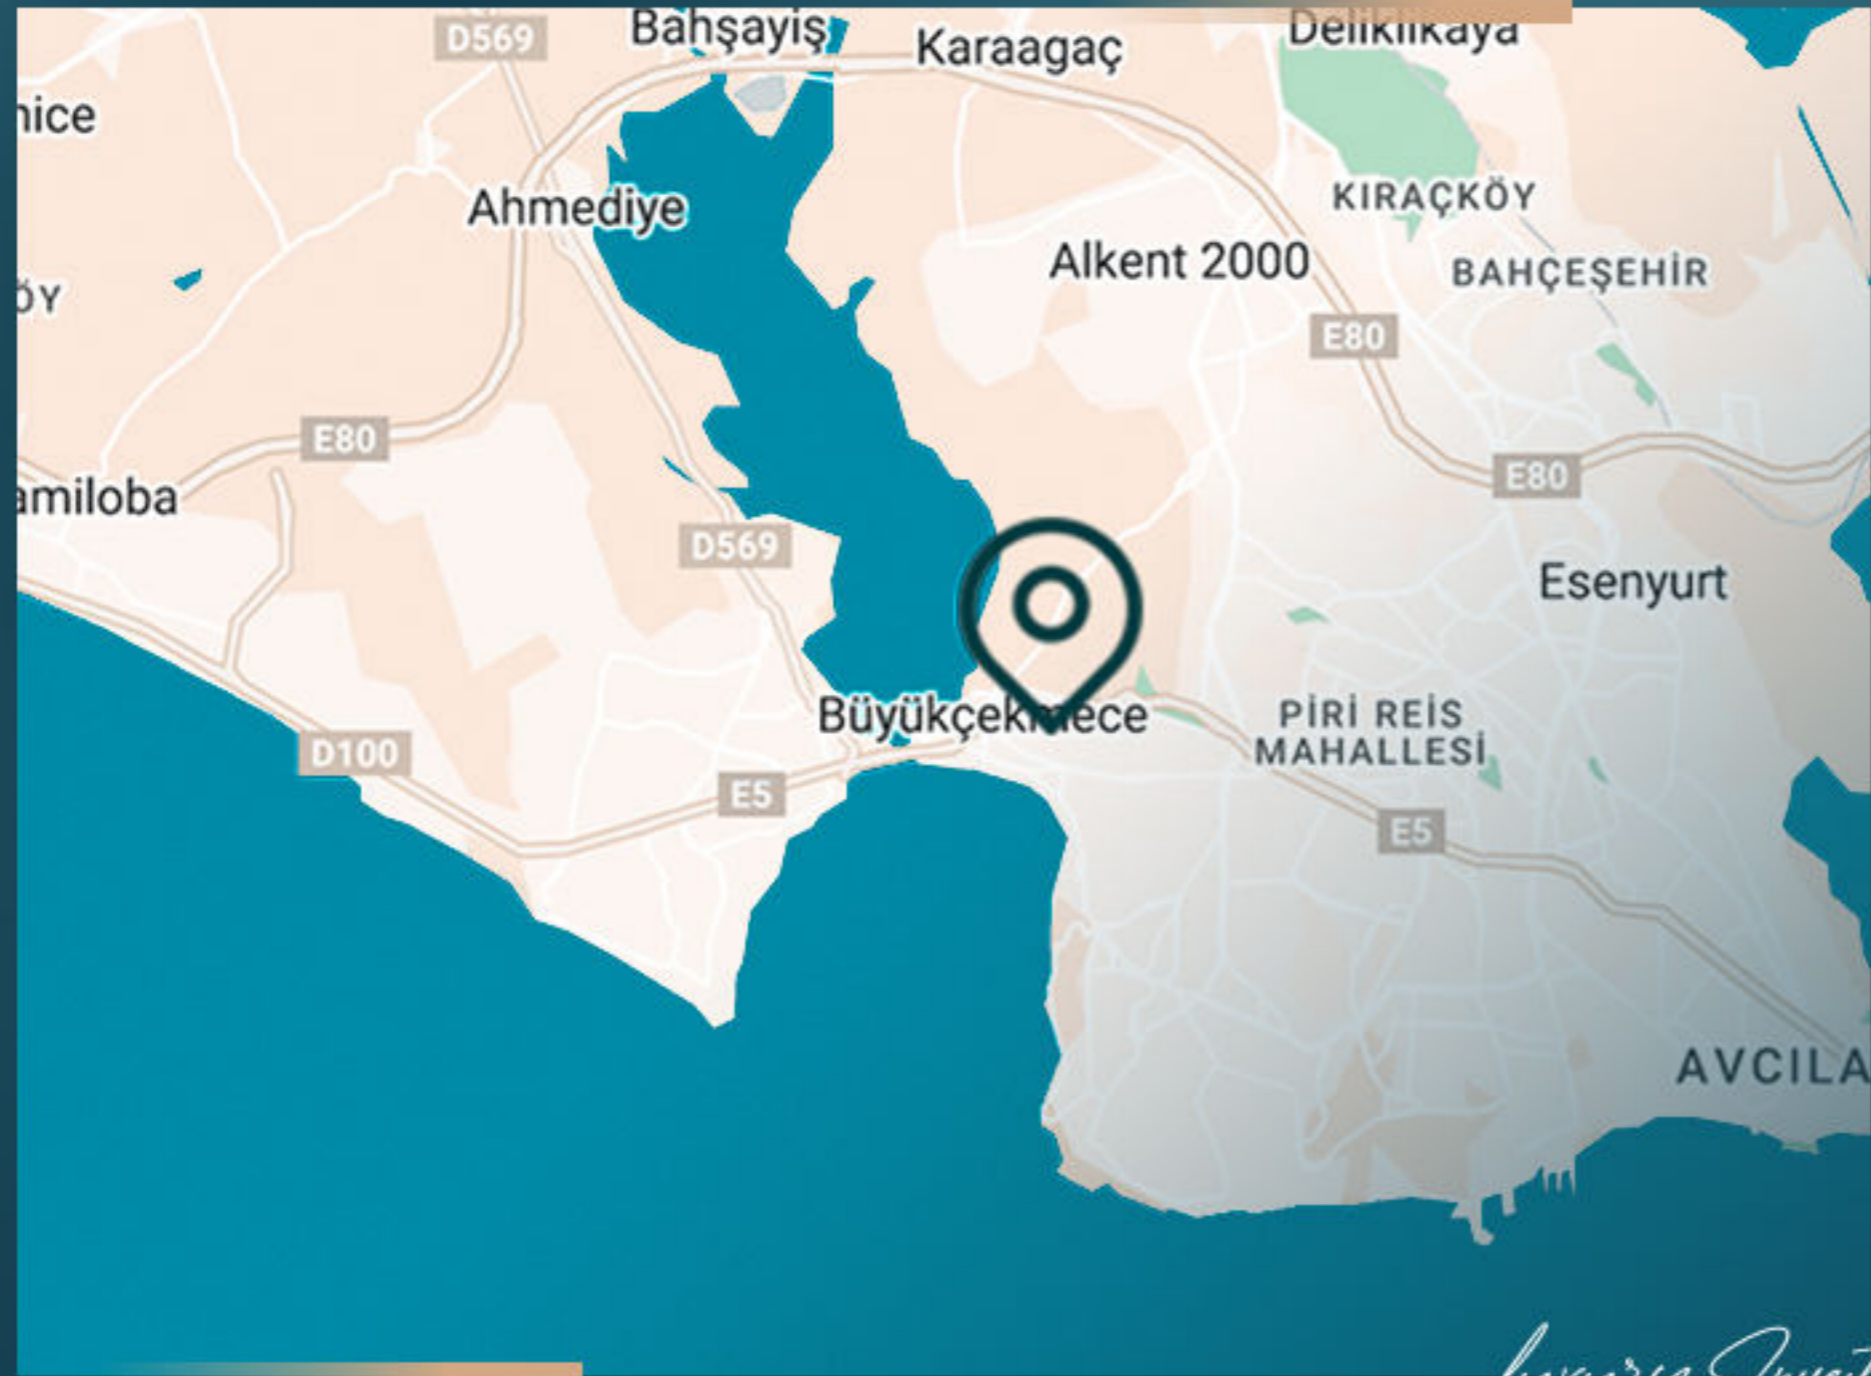

Luxury Investing

Now there is a shopping center in front of your house. The most prestigious brands, shops, cafes and restaurants welcome you on special shopping streets.

Whether it's your home-office or your corporate business environment, raise the bar in your success with the privileges you will have in your commercial activities in this project, which hosts prestigious brands where a quality business life is perfectly thought of for you.

Spacious interiors that bring peace in your life designed for your comfort. Live the most precious times of your life to the fullest where you will collect pleasant memories with your honorable neighbors.
