PROPERTY DESCRIPTION

It is a huge complex, which includes everything, from shopping areas to a cultural center.

This project consists of a residence, office and living park. This great formation will add value to the value of your homes and add a great dynamism to your life.

All apartments in this project offered a beautiful view.

Luxury Investing

This project offers you spacious and comfortable homes, larger lush parks, more activities, a better location, higher ceilings, easier transportation and a more valuable investment.

Princes Islands unfold before your eyes with all their beauties on one side, and the vast Marmara Sea on the other... Words are not enough to describe the unique islands and sea view offered by this project.

You will be one of the lucky people living in Istanbul and you will not be able to get enough of this magnificent view.

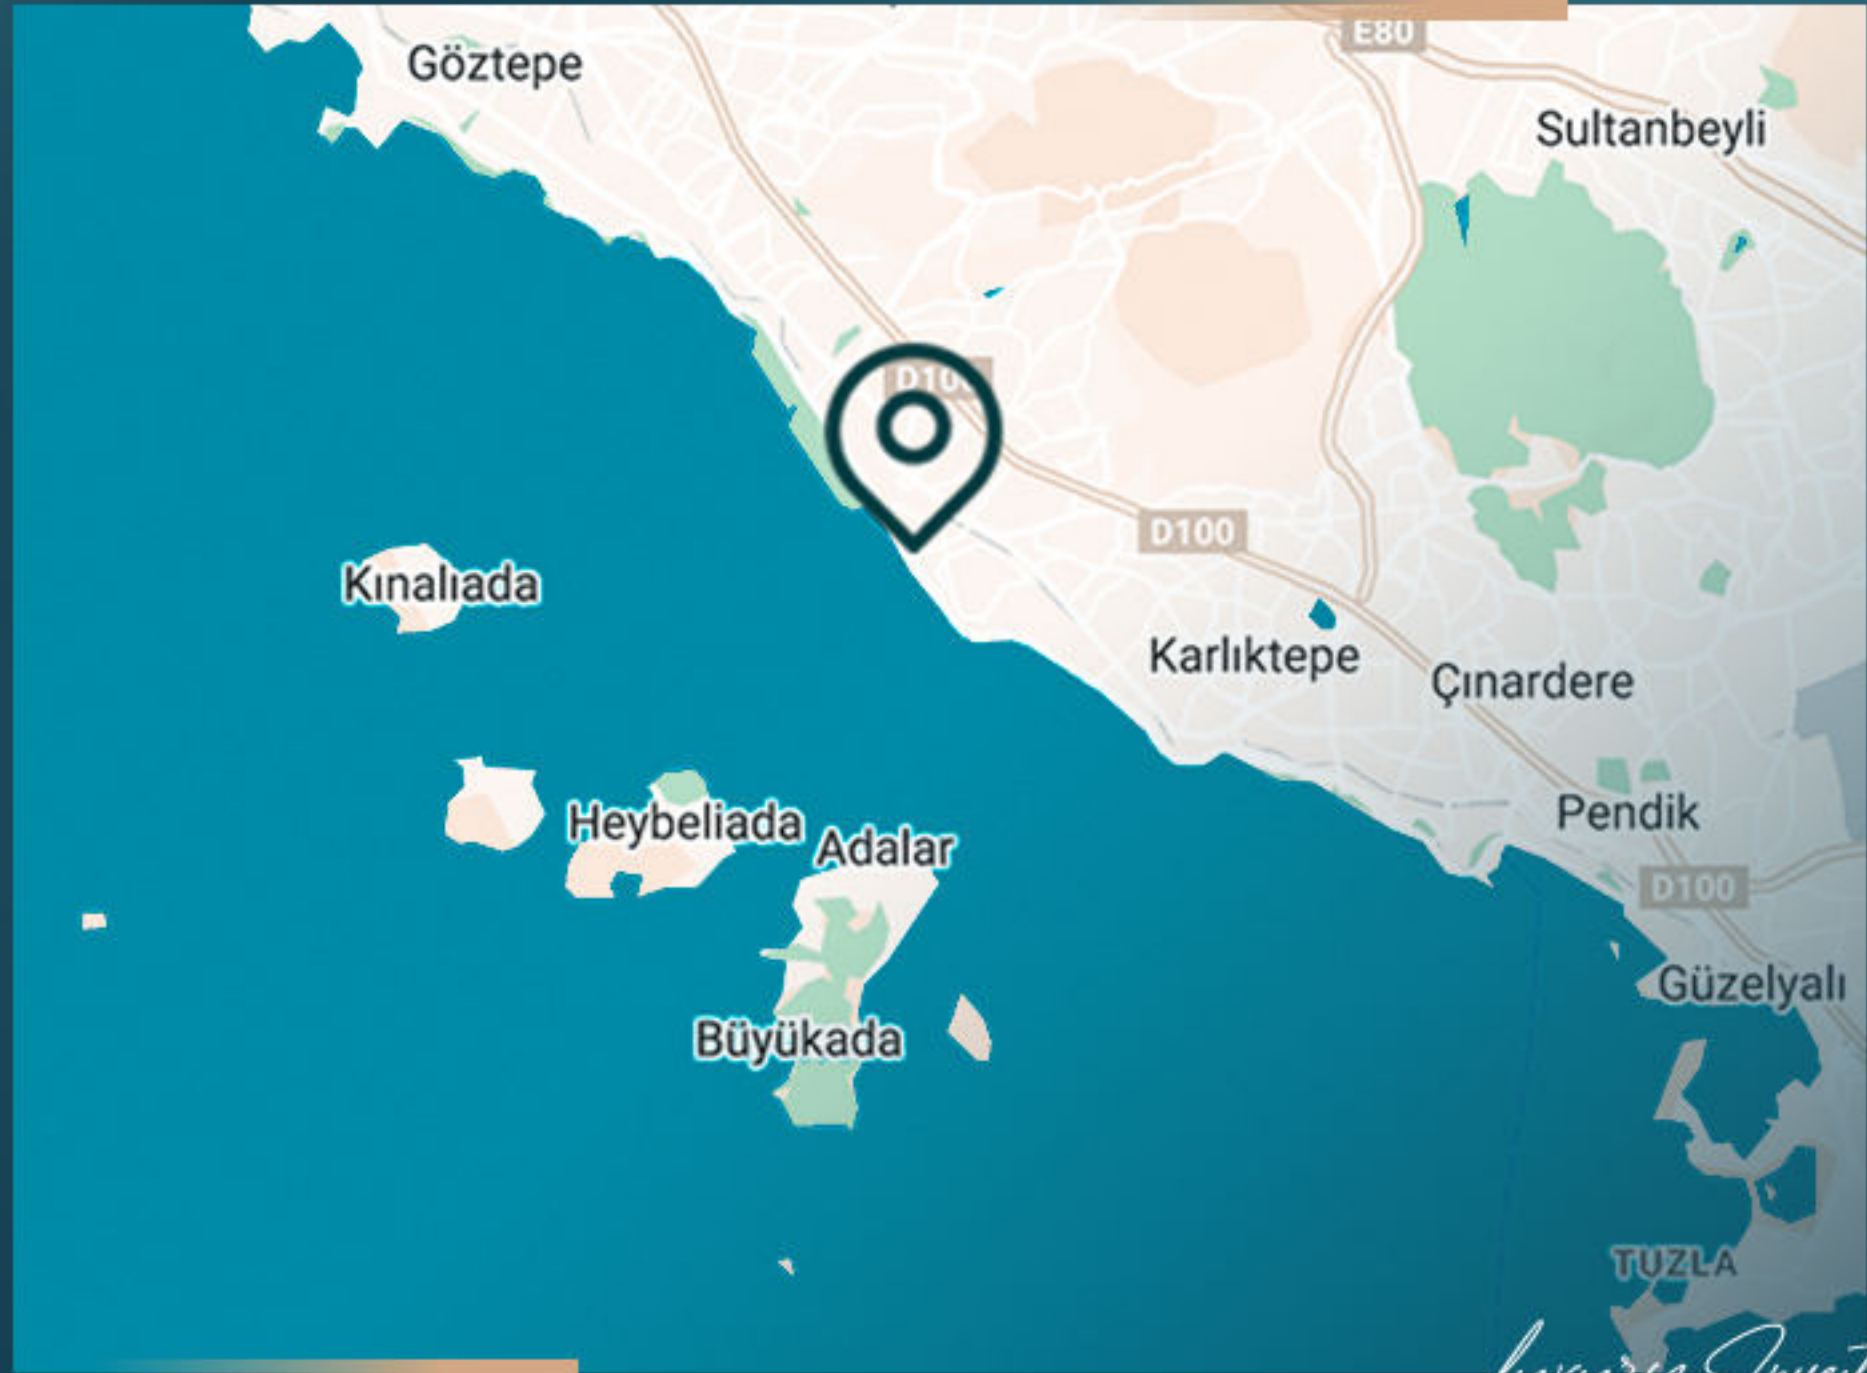

Luxury Investing

All apartments have a balcony that can be closed with glass so that you can enjoy the breathtaking view in summer and winter.

A brand new flat concept from 2+1.5 to 5+1.5 is waiting for you in this project.

Our spacious, convenient, sun-drenched houses, which we designed according to the needs of families, are built with lossless architecture, and no square meter of your possession is wasted.

Moreover, the glass-closed balcony in your home gives you extra living space.
